CRICKET CLUB INC.**

44TH ANNUAL REPORT

FORWARD

The 1994-95 Annual Report is a significant achievement for the Auburn District Cricket Club. For the first occasion since 1951 this report is fully computerised with all statistical club and player data automatically updated at the push of a button.

All the report's pages and supporting data files are imbedded within a powerfull PC spreadsheet and word processor, comprising 5 major files and totalling almost 6 megabytes of information. In fact there are over 26,200 complex logical and mathematical formulae which find players' stats, calculate all totals and averages and update each player's career records, again at the push of a button. If you sneeze your stats may be updated, so be careful.

The files contain the records of every player who donned the Auburn cap since the club's inception in 1951. The project has taken over 8 months to complete and involved retrieving countless records from old scorebooks, and past annual reports. For safety, the files are currently resident on two independant 486dx2/66 meg systems as well as incorporating the normal back-up techniques, and are completely portable.

From this moment on the upkeep of club statistics and the production of our annual report is no longer a major drama, requiring countless hours of manual hard "yakka". Sincere thanks go to Steven Blomfield who spent much of those countless hours providing many of the statistics contained in the files.

Your committee proudly presents this 44TH ANNUAL REPORT for your perusal. Read on and enjoy, but sneeze with caution.

PRESIDENT'S REPORT

My first year as President has been to say the least an eye opening experience and combined with our poor performances on the field, not very rewarding. The problems facing the Club's future need to be addressed now, before season 95-96 begins. Our incoming management committee needs to be active immediately. Three areas of concern to me are:

Firstly the management committee has to be much more active and work as a team not leaving things to the usual few. The committee for 95-96 will be elected at the annual general meeting and you should all think seriously about who you vote for because without the necessary commitment from the elected people the club again will flounder.

Second area for concern has been the general lack of commitment from players highlighted by the fact we required one hundred and one players (a club record) to field four sides. Of the one hundred and one only seven players were available for all games. Once again we were plagued by last minute "pull outs" which appears to be a part of playing cricket for Auburn. These last minute unavailabilities not only disrupt team stability but also cause selectors and Team Captains undue work and stress.

Third problem has been the loss of experienced players. Over the last five or so years we have been depleted of senior players. These seniors are needed in the club to foster and encourage our up and coming junior talent and provide the benefit of their experience.

So much for our problems. On the positive side there are encouraging signs. Our canteen has operated successfully and thanks must go to G. Kenny and Staff for their effort. A job well done. New comers to the club Paul and Julie Bucholtz deserve thanks for assisting in the canteen. There were also others who helped out. Thanks to all those people. The facilities at Mona Park are of a high standard and are a credit to Auburn Council. Special thanks for their support and efforts in providing us with good playing conditions. Testimony to their efforts are evident in our hosting an under 19's representative game and the Shires Second Grade Final.

The club does have a number of junior players showing necessary talent and commitment to succeed. Because of lack of numbers at the beginning of the season some of these players had to be selected in higher grades than would be normal. These players performed well and need to be retained by the club.

We experienced an increase in numbers of parents attending games on a regular basis. To me this is a very pleasing aspect and should be encouraged. I urge any of the parents wishing to be involved with the club to make themselves available as all help is welcome.

In concluding I want to offer thanks to Ted Suchy and Steve Blomfield for their effort in computerising our club statistics and producing this report. My personal thanks to Mike Wood and Dave Tribolet in helping make a difficult job for me a lot easier.

Bob Hadley
President

SECRETARY'S REPORT

Whilst the on field performances of our four grades was not what we would have hoped, there were signs of improvement shown in the latter part of the season, particularly in First Grade. The addition to our playing strength after Christmas of highly talented first grade players Greg Small (Hawkesbury), Robbie Aitken (Fairfield), and earlier in the season Brian Russell (Fairfield), certainly made our First Grade side a far more competitive outfit. Whilst Greg and Robbie will be pursuing their grade careers next season, we have appreciated their input and wish them both every success in their future endeavours.

One positive to emerge from this season was the club spirit generated by the after match socialising in the Dave Tribolet Room at Mona Park. The generous after game donations to club finances by Dan Burton, Matt Bensemman and the Mitchell brothers in particular, were greatly appreciated by the Treasurer. Special mention must be made of the dedication and long hours put in by Ted Suchy in computerising the entire playing records of the Club since its inception in 1951. Ted has also computerised the annual report and updated each round of team and player performances throughout the season. Thanks for a great job Ted. The contribution of Steve Blomfield in assisting Ted should also not be overlooked.

The poor performances of our four sides was not a reflection on the effort put in by our club coach, Matthew Troy who worked tirelessly all season. It is just a pity that more players don't take advantage of Matt's experience and expertise to improve their playing skills.

Once again the commitment level of far too many players was found to be lacking this season. Until these players learn to be sincere in their commitment to playing every game and also to putting in the effort at practice, their true potential will never be realised.

The club continues to have a very good rapport with the Auburn Council and it is hoped this will continue for many years to come. The assistance and support from the General Manager, Mr. George Toemoe, The Mayor, Councillor, and the Parks and Gardens Supervisor, Anthony Donalson, as well as the groundstaff, Graham, Alan and Mark has greatly been appreciated.

The Auburn Council's efforts to improve the facilities at Mona Park were rewarded when the ground was allocated the Western Australia v's ACT match in the Australian U/19 Championships which was held in January. During this match the club played host to Council dignitaries and other special guests at a luncheon in the Dave Tribolet Room on the first day's play, which provided the club with the opportunity to thank Council Executives and Councillors for their commitment to cricket in the district.

The on-going support and encouragement of Councillor Helen Lane, who is also a Club Patron, must also be mentioned because without such support the club would not be enjoying the facilities we have today.

Due to the expertise of Gerry Kenny and the assistance given by Allison and Andrew Kenny, the Mona Park Canteen recorded a record profit for the first time in a number of years. A magnificent effort from the Kenny Clan.

A new innovation this year was the formation by the NSWCA of the Cumberland Cricket Council, which was formed to foster the development of cricket at both junior and senior levels within the council boundaries of Auburn, Parramatta, Holroyd and Baulkham Hills. The Cricket Council also incorporates the Parramatta Grade Club, Auburn, Baulkham Hills and Holroyd Shire clubs, as well as representatives from the Parramatta Junior Association, and the Dept. of Sport and Recreation.

The Cricket Council will meet every two months and will be undertaking a number of initiatives, such as coaching clinics, throughout the Summer and Winter months. NSW Shield representative Trevor Bayliss is the Secretary/Co-ordinator of the Cricket Council.

Congratulations to Canterbury (First Grade), Lindfield (Second Grade), Macquarie Uni (Third Grade) and Strathfield (Fourth Grade) on taking out their respective competitions. Let's hope that the 1995-96 season sees the club become more competitive, with a greater level of commitment from the players.

Finally, a special thanks to Bob Hadley, Roselyn and Dave Tribolet for their help and assistance throughout the season.

Mike Wood
Hon. Secretary

CANTEEN REPORT

After the initial opening of the canteen and the total frustration of not having the drink machine in our new club house we at last were given the opportunity to utilise the fantastic facility of the appropriately named "DAVE TRIBOLET" room. As you can see from the treasurer's report, the club managed to secure quite a reasonable profit from canteen sales. One of the most pleasing aspects from my point of view in running the canteen was the team spirit that flowed from the after match attendances. The majority of players stayed back for at least one drink and in the case of the Mitchell brothers, at least TWO pies.

It would be remiss of me not to mention Matt and Daniel in this regard. They not only helped boost the club coffers by quite a large amount but their enthusiasm both on and off the field was partly responsible for such good attendances in our new room.

Andrew and Allison worked very hard in looking after the canteen. Well what can one say? Weren't they fantastic! (A chip off the OLD Kenny perhaps!).

They made sure that all the hungry little souls were fully replenished so that they would give 100% on the field. This of course came about because of the wonderful parents that have helped nurture their development.... Especially the magnificent contribution from their dear OLD dad.

A great big thanks to Paul and Julie. Hasn't the club benefited from their presence at the club! The amount of time and whingeing-free help that they gave to the canteen cannot be measured. Also a big thanks to Masto's wife for filling in when needed.

Whoever runs the canteen next year has surely a great platform from which to help the club raise finances.

Many Thanks,
JEZZA

*** On behalf of the Committee and club members it is appropriate that we express our sincere gratitude to Gerry and his crew for the magnificent effort in running the canteen. Not in the entire club's existence have we seen the canteen run so efficiently and professionally. We all hope that Gerry does not take up one of the many franchise offers made recently by McDonalds, and returns to the club next season.

FIRST GRADE CAPTAIN'S REPORT

During the 1994-95 season twenty-five players gained selection in the first grade side. The final results of the fifteen matches were:

*	3	First Innings Wins
*	1	Tie
*	2	Draws
*	7	First Innings Losses
*	2	Outright Losses

This placed the side on 21 points and in 13th place on the final points table. However, all who played in or followed the progress of the side know that there were at least 5 games where the side held the commanding position and either bad weather failed to allow completion or we faltered at vital stages and the games slipped away from our grasp.

In the early stages of the season the side was made up of a few older "seasoned" campaigners and many young and inexperienced players at first grade level. Our first game against Bexley was almost a "fairy tale" beginning, and on the first day we bowled solidly to restrict Bexley to 6 / 277 on a very good batting Mona wicket. On the second day we began strongly and had the game well and truly under control at 0/ 170. Sadly, we slumped, due to youthfulness, to be all out for 252 just 26 runs short of the winning target.

A few disappointing performances followed in the next couple of games and it wasn't until the Lindfield game that we got back to playing to a standard that our enthusiasm suggested we were capable of.

In some ways luck wasn't going our way - vital tosses were lost, bowlers were beating the bat consistently without gaining wickets and batsmen were getting out just as they appeared to be on the verge of compiling a big score.

Our first win came in round 6 against Pennant Hills. We started strongly, bowling them out for just 92. We passed their total easily and sent them in again but were unable to bowl them out twice in a one day game. The next two games against Canterbury and South East Sydney were disappointing losses for the side, but the new year seemed to herald the dawning of a new era for the team. From the early days of January to the end of the season we began playing very consistently and competitively.

First grade captain's report cont'd:

Around this time we gained the services of two Sydney first grade players, Greg Small and then Robbie Aitken. These two players brought a wealth of experience and skill to the side that helped lift everyone's performances. In the games that followed we had a tie against Burwood, followed by a points winning wash-out draw against Epping. A courageous and hard fought victory over Roseville, and probably the game of the season against Macquarie Uni where we lost on the first innings by just one run and later almost secured an outright win . . . these were Auburn highlights. Our second last game against Warringah was once again washed out when we were in a commanding position and finally we finished the season in round 15 with a comprehensive first innings victory over Blacktown.

On reflection of the season there are a few points to draw attention to:

* The first grade side failed to win a match at Mona Park during the season. The Mona wicket is definitely a "result" wicket and we need to develop both the right attitude and techniques towards mastering it.

* If the first grade side are to be a force in the competition we need to gain the services of one or two experienced quality players to help support our very young and inexperienced players.

* We have blooded a number of young players in first grade this year and we must look at both encouraging and assisting them in their future years with the Auburn club.

* We must endeavour as a club to enhance the training facilities at Mona and encourage attendance of players so we can develop individual skills and build club playing standards.

* We need to build positive harmony and a social atmosphere within teams, and as a club, by both organised activities and attendance after games in the Dave Tribolet room.

Many thanks to the loyal parents and supporters who attended first grade matches. To Gerry, Alison, and Andrew Kenny we have all greatly appreciated and benefitted from the canteen and the service they provided and of course the way they prepared and served the best afternoon teas in Shire cricket. Thanks also to Ross Abercrombie for often doing the arduous cricket scoring duties of the first grade side.

FIRST GRADE PLAYERS

Daniel Burton

Daniel's first season in the 1st grade showed that he has the dedication to become a permanent and important member of the team for many seasons to come. Daniel played in all 15 matches, the only player to do so this year. He captured the most number of 1st grade wickets, 24 in total, with a best performance of 4 for 29 against Canterbury. Daniel is an Auburn man through and through, right down to the eagle resting permanently on his shoulder.

Glen Mitchell

Glen is a vital member of the 1st grade side. His aggressive and wholehearted bowling performances, whether it be the first or last ball of the day, are an inspiration to others. Glen had a period of injury during the season that could have seen him sidelined for a long period. However, his determination and commitment to play for Auburn saw his return to the side much earlier than anticipated. Glen captured 19 wickets during the season and constantly beat the bat, often bowling too well for the opposition batsmen. Glen always gives 100% in the field. There is no reason why he cannot go on to bigger and better results next season.

Brendon Tarlinton

Brendon had one of those seasons you have nightmares about. Early on he was often just getting set for a big innings when questionable umpiring decisions or a slight misjudgment saw an end to a promising innings. Brendon is a great team man and regularly attends training to work on his game. He is a valuable asset in the field and handles himself stylishly behind the stumps when called upon. I feel sure Brendon will bounce back from the disappointments of this season and approach the next season with a great determination to succeed.

Matthew Bensemenn

Matthew filled many rolls this year in the 1st grade side from off-spin bowler to specialist no. 4 batsman. In the second half of the season when most off-spinners see the quick bowlers begin to dominate, Matthew found a special niche and began bowling with great success. He made the Mona wicket his own, much to the disappointment of some medium pace bowlers. Matthew is a talented all round cricketer with a great love for life, especially the night life! He has the potential to be an important member of the first grade side.

Scott Abercrombie

Scott is a very aggressive and explosive batsman. He has the ability to tear an attack apart, just ask one of the Epping opening bowlers. Unfortunately, Scott sometimes falls to "soft " dismissals or rash stroke play. Scott's aggressive style of play is a vital element for our 1st grade side if they are to succeed next season. Behind the stumps he is a skilled glove man and I value his opinions and suggestions during a match.

Paul Barton

Paul was unavailable early in the season due to other commitments. When he was available he was often asked to fill different batting positions. In the second half of the season he slotted back into the opening role and began to guide the innings to a solid beginning. Even though he didn't score any significant big scores this year, many of his twenties were responsible for getting the side off to a solid start. Paul is a great team and club man and a pleasure to captain and play with.

Simon Percival

Simon forced his way into the side after a couple of rounds with strong performances in second grade. Simon bowls with good pace and has developed his abilities well this season. He is a regular and enthusiastic trainer attending training every week and this commitment was rewarded especially in the second half of the year with 19 1st grade wickets, including two hauls of 4 wickets; 4/15 v's Pennant Hills and 4/34 v's Blacktown. Simon always gives 100% and has the potential to be a vital element of the 1st grade side for many seasons to come.

Trent Owens

Trent had a very busy year. In between completing his Higher School Certificate and eventually moving into the workforce, he showed his batting talents in the 1st grade side with scores of 138 not out v's Epping, 66 v's Pennant Hills, and 48 v's Holroyd. He amassed 343 runs in his 10 innings at an average of 38.11. Trent certainly has the talent to be a significant and successful batsman not only in the 1st grade side, but also in the Shire competition. We hope that in the coming season he will be able to develop his abilities with our club.

Mike Wood

Mike Wood is the ultimate " Club Man". His dedication and immense contribution to the club is beyond description. Unfortunately his 1st grade season with the bat this year was one of disappointment for him. He generally filled the difficult role of opening batsman and always manfully strode to the wicket endeavouring to do his best for the Auburn club, but it was not to be. As Mike battled to avoid the dubious honour of winning the Club's 'most ducks award' there were shouts of encouragement from the stands, suggesting Mike concentrate on his bowling as we had more than our share of 'bunnies' in the club already. In the field, Mike always gave 100% and his efforts at short leg have often left David Boon feeling inadequate. He graced the bowling crease too infrequently and his performances late in the season in 3rd grade showed that there is a lot of life left in this leg spinner, and justified the earlier suggestions from the stands. Thanks, Mike for your support and advice during a difficult season.

Greg Barton

Greg began his career at Auburn finding himself thrust straight into 1st grade and being still at school, in just year 11, it was going to be a difficult assignment. However, he showed that he has the ability both with the bat and ball to contribute to the club for many seasons to come. He hails from loyal 'Barton stock' and I wish him success and further development in his cricket in the season ahead.

Brian Russell

Brian joined Auburn in the second round of the season. An experienced grade player, he was able to share this experience and knowledge with the team. He took a while to find his feet at this level and his innings of 70 against Burwood clearly showed his talent to all. Unfortunately, ill health prevented Brian from completing the full season with the club, but it is hoped that he will return to Auburn next season.

Greg Small

Greg was a real lucky find for us in the second half of the season. A class opening batsman, Greg contributed substantially with the bat in a short time with a match winning 77 not out against Roseville and an aggressive 125 against Warringah at Mona Park. Greg brought great experience and advice to the team and all that had the pleasure to play or train with him would have benefitted from his time with us. Thanks for your contribution and good luck in the coming

season back in grade cricket. There is always a home for you at Auburn in the future.

Robbie Aitken

Robbie played just three games at the end of the season but clearly demonstrated to all his class and cricketing ability. He is a quality all-rounder and was a valued member of the team for the four games he played. Good luck back in grade for the 1995-96 season.

SECOND GRADE CAPTAIN'S REPORT

After only taking over the side in round 5, the team ran hot and cold for the remainder of the season. We had three games that were washed out when in my view we were in good positions to force a win. I think our best game of the season was against South East Sydney in round 8, where we batted first and finished with a tally of 9/205, thanks to Danny Dias 50, David Metcalfe 48 and Nick Hopper 43. SES at one stage were 1/95 but some spirited bowling from Ian Barton who took 5/30, supported by Jason Cook with 3/24, saw the opposition crumble for 131.

It was immensely difficult to maintain this winning momentum due to constant team changes which resulted from excessive player unavailability, and to be successful in this standard of cricket more commitment from a large contingent of Auburn members will be required. A captain's job is hard enough without having to scrounge around on Friday evenings, or worse Saturday mornings, trying to fill the side because of the all too frequent "pull outs". Not only is it extremely disruptive to the 2nd Grade, it upsets the balance and stability throughout the Grades.

I would like to thank those 2nd graders that were committed and gave their best during the season and thanks for the opportunity to captain the 2nd Grade side for the first time.

Brett Hanshaw
Second Grade Captain

SECOND GRADE PLAYERS

Jason Cook

Has turned into a fine opening batsman who needs to concentrate more and the runs will come a lot easier.

Greg Ryan

A very fluent batsman when in form. Got a few starts but didn't go on with it. Hopefully the form will be back for next season.

Nick Hopper

A good keeper-batsman. Did have a couple of good 40's but didn't go on to make a big score. Thanks for all the great help throughout the season. Don't be satisfied with the 30's and 40's but turn them into big ones.

Chris Masterson

Chris is a very good swing bowler given all the right conditions and generally troubles most batsmen with variation and change of pace. He is a hard working role model that younger players in the side can look up to. The club needs more players of the calibre of Mastro.

Mark Mitchell

Probably the best bowler in 2nd grade this season. Mark bowled a very consistent line and his movement through the air made him very awkward to play. Would have captured many more wickets if not for knee trouble mid way through the year. Needs to work on his batting to fulfil his potential.

Danny Dias

Danny got us out of trouble a few times this season but when there was no pressure he got out cheaply. Has tons of ability and should be scoring more runs.

Brad Stone

Brad didn't capture the form of previous years, not that he didn't bowl well....Just that players didn't hold catches. He has to learn not to get upset when a catch goes down because it upsets his concentration, and then his line and length suffers. I'm sure Brad will rectify this minor problem next season.

David Metcalfe

A very natural cricketer with loads of ability. A free scoring batsman, David has the concentration and resolve required to go on and make big scores. Keep up the good work.

Michael Purdon

Michael has that natural cricketing temperament, but as yet has not fulfilled his true potential. With a full season in front of him next year we expect to see the runs flow.

Brett Hanshaw
Second Grade Captain

Brett Hanshaw

Brett took on the 2nd grade Captain's role early in the season and showed a lot of potential with his decisions on the field. He played some important innings with the bat and with more consistency can look forward to a successful 95/96 season. Unfortunately match results were plagued by drop-outs, washouts and general inconsistent performances in 2nd grade, however Brett's push on selecting the younger players will enhance Auburn's prospects next season.

THIRD GRADE CAPTAIN'S REPORT

The season 1994-95 statistically with 4 wins, 8 losses and 3 draws is not an overly impressive season on paper. However it was a season that given an ounce of luck could have delivered great things. The results of Auburn Third Grade were achieved via the efforts of many talented and high spirited individuals working as a team. This is their story.

Round 1 v's Bexley

The season got off to a great start with a fine victory over Bexley, built around a solid first innings total. The Auburn debut for the Bankstown boys, Rugless and Truman bore fruit with each scoring a total of 38. Nick Hopper showed he hadn't lost his touch with a quickfire 21 and Wes Saunders once again showed that he still wasn't sure whether he was a batsman or bowler pulling off a 58 from the 8th spot. The skipper, O'Brien showed he believed in the good time not a long time batting philosophy scoring 7 boundaries and a single for his 29. The total of 237 was a good one. Bexley were not up to the task, with a good bowling and fielding effort, the wickets were shared and Bexley were dismissed for 191 off 53.2 overs. Auburn entertained in the second innings scoring 144 off 26 overs thanks to a super 78 by Hopper and a traditional Sanders innings of 38 with 3 sixes and 3 fours. It was a promising start to the season.

Highlights

N. Rugless	38	3/33
M. Truman	38	
N. Hopper	21	& 78
W. Saunders	58	2/49
D. O'Brien	29	2/60

Round 2 v's Baulkham Hills

Baulkham Hills was one of the most exciting games of the season, a one day game, the Hills set a challenging 241 off 59.3 overs. No bowler shined above the rest on what was a good batting track. The task ahead was formidable and the groundwork for a win was laid early with Smith and Hopper (now promoted to opener) starring in an 84 run opening stand. Tribolet and Bucholtz held the middle order on course with 35 and 24 respectively. However, a sudden collapse placed us in all sorts of trouble, crashing from 5/169 to 8/195 with only six overs remaining and little hope of a victory. In a resurrection that the dead John Howard would have been proud of, Denny and Barton put on 42 runs in 5.2 overs before Denny was out with only four runs required for a miraculous win. The No11 strolled to the crease chomping on a carrot, his long pointy ears visibly protruding from his helmet. The team held their breath, the Club President shut his eyes, the bowler steamed in, and the No11 promised God just about everything as

he took guard and then proceeded to hit a boundary over square leg to seal one of the greatest wins of the season. Two out of two, the partying went long into the night. And yes, true to my word I am still going to church on Sunday.

Highlights

E. Smith	38	S. Bucholtz	24	N. Rugless	3/61
C. Denny	23	N. Hopper	42		
B. Tribolet	35	I. Barton	23		

Round 3 v's Holroyd

The batting effort against Holroyd was not a great one with the exception of Smith 24, Hopper (now known as the run machine) 64, and the hero of the last match Barton with 44 not out. The next highest score was sundries 28, never the less we managed 212, which after being 7/131 was a surprise. The following week a damp wicket gave us a sniff of victory and Barton keen to carry on his form, took 3 quick wickets and forced the opposition captain to retire hurt. This as it turned out was to prove a crueler blow to us than him. The opposition crumbled to be 7/129 and the Auburn sniff of victory had become a stench. Alas it is a funny game cricket, the captain returning to the wicket to make 102 not out and Holroyd defeated us without losing another wicket. So close yet so far.

Highlights

I. Barton	44 x	3/40
N. Hopper	64	
E. Smith	24	

Round 4 v's Strathfield

Never believe anyone who tells you history does not repeat itself and never forget catches win matches. The game against Strathfield could not have started better, winning the toss and bowling on a damp wicket, Saunders and O'Brien went to town capturing two wickets each in the first four overs, with Strathfield in shock at 4/4. It was in the next 3 overs that the No. 4 was dropped twice on 0 and 10, going on to make 104. It was a travesty as Strathfield went from 4/4 to 6/190, finishing with 270, 191 of which was scored by two batsmen. In response Auburn managed 196 mainly due to the first three batsmen who all managed to score over 30, with another swashbuckler from Sanders, (7 fours).

Highlights

A. Pico	32	D. O'Brien	5/90
G. Sanders	32		
D. Fisher	30		

Round 5 v's Lindfield

Lindfield batted well and scored a very respectable 9/276 before declaring late on day 1. It was a good decision by the Lindfield captain with Auburn crashing to 3/11 by stumps. Not too far into the second week Auburn had

crashed to 5/42 and the follow-on was looming large. The opposition was offered a declaration at lunch if they declared at 0\0, but declined. Only Metcalfe 29 and Truman 28 offered any resistance but at 7/96 it was not looking good. However, Rugless and Nacqui decided victory was still possible and carried the score past the follow-on to 8/187 before Nacqui fell for a gallant 59. Rugless still believed we could win and was very disappointed to fall for 35 with the score on 9/200. The opposition relaxed, the crowd began to pack up and the skipper began to wonder where his God had gone since round 2. However, the fat lady had not yet sung and Clark and Saunders went about destroying the bowling to reach 9/255, only 21 runs short. The crowd had unpacked and you could almost see the look of "Should I have accepted the declaration?" on the Lindfield skipper's face as his team panicked around him. Alas it only takes one ball to turn a cricket match and Clark was bowled around his legs for 14 ending the 55 run partnership. We had almost turned the tables like others had done to us, but not quite got there.

Highlights

Z. Nacqui	59	N. Rugless	35
W. Saunders	50 x		

Round 6 v's Pennant Hills

If I learnt anything from the game against Pennant Hills it is never use a team's previous form as a guide to their likely strength on the day you play them. Going into a match against a team which had not yet won a game and had been beaten outright twice I had a reasonable expectation of victory. At 0/31 all appeared on track. This illusion was soon shattered by a bowler named Vincent who had figures of 5/29 after 9 overs and we collapsed to be 8/75 after 28 overs. It was left to Nacqui and fill-in Grenfell to attempt to salvage a respectable score. At 9/122 a traditional slogg by the bunny saw Auburn reach a slightly more competitive 158. The bowling effort started well, led by the pace of Grenfell, Pennant Hills were 6/73 after 26 overs and once again that sniff of victory was in our nostrils. Clearly the wind must have changed direction as Pennant Hills passed our score without losing another wicket and 11 overs to spare. The key, I believe, to winning one day cricket is to set a total that builds pressure as wickets fall and overs pass. When a team only needs 2.5 runs per over for victory, building pressure is difficult.

Highlights

Z. Nacqui	34	B. Grenfell	29
D. O'Brien	20		

Round 7 v's Canterbury

The Canterbury game saw a great bowling performance by all the bowlers, with Rugless the destroyer capturing 3/16 off 13.2 overs and Clark 2/16 off seven. New keeper Clunis kept well on debut with 3 scalps and only 1 bye. With Canterbury all out for 205 the Auburn run chase as usual got off to a good start thanks to P. Bucholtz 25 and B. Russell 23 and at 2/66 we were on track.

However, 8 runs later at 6/74 I could not help but get that feeling of "here we go again". The feeling I had not gauged was the determination of the two new batsmen. Brett Grenfell our now adopted fill-in treated the bowling with contempt smashing a superb 50 with 9 fours. Sam Bucholtz was also in fine form and looking solid. However, when Grenfell fell for 50 at 7/167, Josh Clark with an average of 6 in 3rds, strode to the wicket under instructions to hold up his end for Sam. Six 4's later Clark had 33 not out passing the Canterbury tally. Josh never did take instructions well. Sam ended with 52 n.o. and finally we were experiencing that winning feeling again.

Highlights

S. Bucholtz	52 x	B. Grenfell	50
J. Clark	33 x	N. Rugless	3/16

Round 8 v's South East Sydney

There are only three things that I remember about the SES game, one is that it was the week before Christmas (the only excuse I can use), two- it was a limited overs match and three - for Auburn it was pretty much a one man show. Sent in to bat on a damp track we again failed to bat out the 60 overs. No batsmen passed 20 except for adopted fill-in Grenfell who scored his 2nd 50 on the trot (definitely an unlucky no. for him), again with 9 boundaries. As I said before a target of 178 is just not a pressure total and SES lost just 5 wickets on their way to victory. To apply pressure in a one dayer you need to bat 60 overs.

Highlights

B. Grenfell 50 & 3/43

Round 9 v's Burwood

Auburn won the toss and sent Burwood in to bat on a wet track. They were in all sorts of trouble at 1/48 with one retired hurt due to the vicious bowling of Grenfell. Then the rain came and came and came, in fact it came so much that day two the following week was completely washed out.

Round 10 v's Epping

This round saw one of the best team batting performances of the season, with Grant Saunders proving he can compile a steady big innings of 93 in 2 hours 18 mins, with 11 fours and 3 huge 6's. Where Grant left off Daniel Morris picked up grinding away for almost 4 hours to compile 86 and ensure the innings held together, and the 60 overs were used. Mike Wood and Mr. Runs, Brett Grenfell put the icing on the cake for Auburn to compile a massive 290. However there is no justice in this world; in the middle of the worst drought in years it poured all week and not a ball was bowled on day 2. Rumours of the Epping team being seen with hoses in the vicinity of the pitch on Friday when the sun finally emerged have never been confirmed.

Highlights G. Sanders 93 D. Morris 86 B. Grenfell 36

Round 11 v's Lane Cove

Lane Cove batted for a day and a bit amassing a massive 274 thanks to a 129 run innings from the opening batsman, Easy. Ironically the next highest score was sundries on 32. The fact that Easy was dropped on 10 is a re-inforcement of the old saying "catches win matches". In response Auburn were in it with a chance at 4/97 but with the exception of Wicks 40 and Grenfell (his third 50 in four outings), no one else scored over 10 and we crumbled to be all out for 143. What a difference a week and 5 team changes can make.

Highlights K. Wicks 40 B. Grenfell 54 & 5/64

Round 12 v's Roseville

The bowling effort against Roseville was one of the best of the season, with Mick Wood taking 5 wickets in a superb spell. To bowl out the team running 2nd for 168 in 58 overs was a great effort, but alas, the bowling of Roseville was up to the standard you would expect from such a highly placed team and the run chase was difficult. With 10 overs to go we still required 54 runs and when Wes Saunders fell for a swashbuckling 49 we folded meekly to be all out for 130 in the 56th over. The only thing left to say about this game is that Roseville were a pack of "———", their sledging tactics were contemptible and if there was one game I wished we had won it was this one.

Round 13 v's Macquarie Uni

Macquarie Uni finished minor premiers and from our experience with them they were deserved finalists. A strong batting team, they amassed 5/252 before declaring and only Josh Clark put the wind up them with 4/33 showing the sort of pace he is capable of when fit. Auburn were all out for 129 with Willoughby 36 and Wood 23 the only batsmen to offer resistance. Macquarie Uni fielded very well, took all their catches and were always hungry, geeing each other up constantly. We as a team can learn from our experience against them.

Round 14 v's Warringah

Against Warringah, on a slow and difficult track Auburn batted all day to be 9/182. Richardson batted long and hard for his 37 as did Truman 36. Again had rain not intervened to wash out the second day another glorious victory was assured. (Who can argue).

Round 15 v's Blacktown

If the saying is true that you are only as good as your last game then we are indeed champions, but I would prefer next season not to save all our best for last. On a very large Whalan Reserve ground we scored 203 off 60 overs. Darren Jones, our latest acquisition, scored an excellent 54, with Sanders 21, Wicks 26, and Richardson 27 providing good support. Blacktown started their run

chase in blistering fashion to be 1/100 after 25 overs. However, when the second wicket fell 4 runs later Blacktown's scoring slowed dramatically and at 142 the cunning leg spin of Wood snared another victim. Wood struck again 11 runs later and the crafty leg spinner had reduced Blacktown to 4/153 with 16 overs remaining. What happened next was sensational! With our heads lifted in the field, supporting the bowlers, Blacktown were demolished losing their last 6 wickets for 1 run. Wood and O'Brien took 3 apiece. The hero Wood captured 7/29 off 17.4 overs, a performance Shane Warne would have been proud of. It was a stunning victory and a great way to end the season.

Highlights

M. Wood 7/29 D. Jones 54

Summary

The 94/95 Third Grade Team, despite the many changes to its composition, was always competitive. On our day we were unbeatable.....there were just too few of them. Given an ounce of luck, had a few catches stuck at the right time, and had rain chosen games other than the ones where we were in strong positions, our win/loss ratio would have been very different. That's cricket. I had the privilege of leading a team of fine, mainly young and very talented cricketers. I hope all of them return to Auburn next year when I'm sure, given the experience of this season (the first season in Shires for many of them), we will be a much more formidable force.

Darren O'Brien
Third Grade Captain

THIRD GRADE PLAYERS

Paul Bucholtz

Paul had the honour of being one of the " fathers" of the team; it was always a pleasure to have him in the side. Even though the standard of 3rd grade may at times have exceeded Paul's batting ability, it certainly never exceeded his enthusiasm or commitment in the field. Paul is highly competitive and has a good cricketing brain and always provided a competitive boost to the sides moral.

Nathan Rugless

It is a tribute to Nathan's ability that he finished the 94/95 season in 1st grade. He is one of the most talented cricketers I have seen in 3rd grade. Nathan is both a talented bowler and batsmen and always reliable in the field. Nathan will hopefully be back in 1995/96 where I'm sure he will jealously fight to protect his well earned 1st grade position.

Grant Sanders

There is one thing for sure about Grant, if he gets going it is always great cricket to watch. Grant started the season as a bowler and finished as an opening batsmen; he no doubt has a great eye and a powerful upper body as many a bowler found out to his displeasure. His 93 against Epping demonstrated the great potential that Grant has. With a little bit more work on his fitness and fielding Grant will make an excellent 3rd grade cricketer.

Mat Truman

Mat is the second of the "Bankstown boys"; while he played only a handful of games in 3rd grade, he clearly demonstrated that he has a tonne of talent as a batsmen and is a great asset in the field whether he be behind the stumps or elsewhere.

Josh Clark

Apart from his cricketing talents Josh without a doubt has one of the biggest hearts in third grade. Josh is extremely competitive and always provides a lift to the team with his energy and determination. On two occasions during the season once when he was knocked unconscious in the field and secondly when he lost his two front teeth wicketkeeping , Josh returned to the

game to resume the field after seeking medical treatment and advice which he duly ignored. Such is his commitment to the team. Josh can bat, bowl and wicket keep, while his wicketkeeping is a bonus when required with the experience of this season on turf under his belt Josh will come back next season a much better cricketer and valuable all rounder.

Sam Bucholtz

Sam has a great deal of potential as batsmen and the 52 no he scored against Canterbury under high pressure demonstrated his talent. While the majority of Sam's scores in 94/95 were in the teens or twenties I have absolutely no doubt that given continued practice and the maturity that comes with age and experience Sam has a very bright cricketing future.

Brett Grenfell

Brett only played third grade by choice because of his study commitments. Brett is a brilliant aggressive batsmen who scored 3 half centuries on the trot and a very sharp left hand opening bowler. If anything Brett's bowling was too good as he beat the bat so easily that the batsmen were not good enough to get an edge. While Brett may not score runs so freely in 1st grade I'm sure he would have more luck with the ball. (ironic isn't it). Brett's cricket ability provided a natural lift to the team whenever he played and was sorely missed in the last few games when he was unavailable. I only wish I could think of a way to keep him in third grade next season when his study commitments are over.

Mike Wood

Mike has played 1st grade and shires cricket, and the experience and knowledge he brought to third grade was invaluable. While he may have passed his prime as a batsmen, as a bowler he is as crafty and skilful as ever. His ability to turn a game is always present, such as his 5 wicket haul against Roseville and 7/29 against Blacktown. Mike's close in fielding is still sharp and his high standards and expectations of fielding are beneficial to the team even though the recipients of a Woody serve may not appreciate it at the time. It is essential the experience of players such as Mike is passed on to up and coming players and not lost all together. I applaud Mike for choosing to play in Thirds and share with us his cricketing expertise, not to mention his bowling skills.

Craig Clunis

Craig is one of the best young keepers I have seen. His anticipation of the ball direction and agility ensures very little escapes his gloves and he did not allow any catching opportunities to escape his grasp. While he is only relatively young, Craig slotted into the team as if he had played for seasons. As a bowler I was always confident if a catching opportunity presented itself Craig would swallow it. I hope Craig returns next season to Auburn as good keepers are hard to find and Craig is excellent.

Wes Saunders

Wes has still not developed the consistency in his batting that will make a great batsmen, but when Wes is on fire he is a great batsmen to watch, will score plenty of runs and won't take too long to do it. What is so interesting he usually produces his best form when under extreme pressure. As a bowler Wes showed greatly improved pace and direction this season and would have captured a lot more wickets if catches had stuck. It seemed whenever one went down either Wes or Mike Wood were bowling.

I believe Wes is a very talented cricketer, the best of which we have not yet even remotely seen.

FOURTH GRADE CAPTAIN'S REPORT

Well, I've been asked to do the difficult job of writing an end of season report for 4th grade. I say difficult because I only joined the side in round 9 of the competition. This typified the problems faced by the whole club which impacted more on the 4th grade than any other.

The season really hit a low point with the forfeiture of round 11 of the competition. Despite the efforts of a desperate few and many late night calls we were forced to make the unthinkable decision. I feel it is a very sad reflection on the club and something that will take many seasons from which to recover. (Only once previously has a club forfeited a match in any grade in the M & S competition.

Despite the difficulties there were several highlights. These included the amazingly consistent season of Jason Bell who claimed the club batting aggregate award and smashed the all-time 4th grade season aggregate with a very creditable 459 runs. There were also a number of other individual performances which deserve a mention and I have covered these in the player profiles. However David Metcalfe's 132 not out v's Holroyd, Wicksy's 92 v's Burwood (an absolute delight to watch), 5 and 4 wicket hauls by V. Connor, G. Kassis, M. McDermott and D. Suchy and M. Kassis respectively deserve particular mention.

From a captain's point of view my personal highlight was the team's performance against a top of the table Roseville. After failing to bat out our 60 overs in a one day match and struggling to make a middle of the road 216, (Thanks largely to a fighting 48 from D. Browne), we were facing a Roseville side who needed just 28 runs off 12 overs with 7 wickets in hand. Although our effort in the field had been solid we dug a little deeper and managed to fight our way back into the match to have Roseville at 8/ 204 in the 57th over. However it wasn't to be the Eagle's day and we went down fighting. I'd like to give a special thanks to the 2nd grade side for their many words of encouragement and support from the sidelines during the match.

Finally I'd like to finish by pointing out a fact - during the season 4th grade had 51 different players. Fortunately we discovered several stars of the future including Darren Paton, Sean Davis, and Matt McDermott. However if Auburn is to become a force in the Shire competition in future all players need to show more commitment to their cricket.

Mark Rouillon

FOURTH GRADE PLAYERS

Paul "Grandfather" Bucholtz

You can never have too many Paul Bucholtz's in your side. Paul will be the first to admit he didn't have the best of seasons but his effort and commitment is a shining example to us all. I hope Paul will shelve the idea of retirement because he certainly is an asset to the club.

Shane Tapley

This guy gets my vote for Clubman of the year. He never failed to do the job asked of him with the ball and he is my first pick every game. I look forward to playing cricket with Shane next season.

"Mr. Consistency" Jason Bell

What an amazing season from a man who prior to this season had never scored a half century for the Auburn club. With an aggregate of 459 (a new Auburn 4th grade record) Jason had the sort of season we all dream about. Although Jason was disappointed not to have reached the 500 mark I can assure him that we did not share his disappointment. Congratulations Jason, and it's now time to see you show your wares in a higher grade.

Darren "Nugget" Paxton

Although for the most part this was a season I would rather forget, one of the highlights was the discovery of Darren Paxton. His first season back on turf showed much promise and his abilities with both bat and ball can only improve with time at practice and in the middle. If only we could find more players from the pub like Darren. Hope to see you next year mate!

Sean Davis

For someone who has never played on turf before I'd like to encourage Sean to continue his promising start. He has all the assets to be an asset to the club but most important of all he is a plain nice bloke (we need more of them).

Maz "The Marauder" Kassis

Maz was the most successful 4th grade bowler during the season capturing 18 wickets at an average of 18.72, from 8 matches. He is a reliable

medium pacer who never gives in and we hope to see Maz play a full season next year.

John "Walshy" Walsh

"Oldman" Walshy again helped out this season with a number of games in 4th grade. His presence on the field provided great assistance to the younger brigade and his versatility with both bat and ball is an asset to any captain. The club's statistician, however, has asked for John to be banned from playing, due to the fact that he is the third John Walsh to don the Auburn cap since 1951 and every time he plays the club's records are "stuffed".

To all those others that appeared for Auburn 4th's during the season my sincere thanks for your efforts during difficult and trying times.

UNDER 24 GRADE CAPTAIN'S REPORT 1994 - 95

A season filled with some good individual performances but teamwork was generally not prominent and we lacked that killer instinct and determination vital to winning cricket matches. Only two wins from 7 matches, with the talent available we should have achieved more.

Player of the series was Nathan Rugless who always gave 100% and never let the side down.

Brett Hanshaw
U/21 Captain
