## PRESIDENT'S REPORT

Gentlemen,

The 1975-76 season was somewhat of a disappointment. It started in such fine fashion with extremely good attendance at practice and stacks of enthusiasm. This was going to be Auburn's year....

## Presidents Report (Cont'd)

After four rounds we were on top of the world, not having lost a game in any of our three grades.

Then it started again. Our form players became unavailable, missed a couple of rounds, then could not regain their form. This resulted in many changes from week to week, which upset the balance of the sides and resulted in a string of losses. I feel sure that if we could have presented our best sides out in the middle consistantly we certainly would have the semis in all grades.

Once more our "C" grade side must be congratulated on making the semis and must be considered unlucky not to have made the final when the weather washed out play while they were in a winning position. To Gary and his boys - well done.

On behalf of the Club, I would like to congratulate the following Clubs on their competition victories:

A Grade	-	Canterbury
B Grade	-	Epping
C Grade	-	Epping II
Club Champions	-	Canterbury

I would like to take this opportunity to congratulate Ron Johnson for his winning of the George Parry Player of the Year award for the third time - this is a magnificent achievement and I feel a true indication of his cricketing ability.

Our, what appears to be a never ending quest for a second turf wicket in the district has still not been fulfilled. We have had a couple more promising reports that finally some serious consideration has been given to our application but I regret that we have nothing positive at this stage.

On behalf of the Club I would thank the Management Committee for their time and effort put in throughout the season.

We look forward to the oncoming season in hope of a rewarding period for all members and I will leave you with this thought:

"With cricket, like most things you get out what you put in."

ARTHUR RUDGLEY  
PRESIDENT

SECRETARYS REPORT

Once again another season concludes without a Premiership - it is difficult to understand this continually occurring as we have the players in the teams with the necessary ability. No doubt our main problems are application and dedication - other Clubs who win competitions have, I consider, no better players than we have, however, they do have the two aspects that we seem to lack.

I had the opportunity of watching most games from the sideline this year (not by choice) and the number of times wickets were thrown away by experienced batsmen was just amazing - it appeared to me that on occasions some batsmen had the attitude of "it won't matter if I get out as we have plenty of batsmen to come" each and every player has his job to do and we must always remember this. The one redeeming feature for us is the number of good young players we have coming on. Anyway, I hope all players enjoyed their cricket this season as this really is the most important point even though it would be nice to win a comp. I would also take this opportunity to thank all players for the sporting manner in which games were played.

On the administrative side, we endeavoured this year to try and offset the ever increasing costs of maintaining our Club by requesting sponsors - we wrote to more than 25 local business houses and it is disappointing to have to report that the response was extremely poor. The majority of those contacted did not even bother to reply to our letter, however, those that generously agreed to support our Club are as follows:

\*TOOHEYS LIMITED

\*AUBURN BASEBALL CLUB LIMITED

\*LIBERTY PLAINS MOTEL, AUBURN

\* ROCKDALE JEANERY  
(Through our Club Member  
Pat Percey)

Secretarys Report (Cont'd)

We gratefully acknowledge and appreciate their support and hope these Companies can see their way clear to continue with this support in the future.

DAVE TRIBOLET  
HON. SECRETARY

TREASURERS REPORT

Once again, the Club's balance sheet can be described as highly satisfactory, especially in view of the alarming increase of 53% in our expenditure.

This represents a direct increase of \$533 on expenditure during 1974-75.

The Club wishes to extend its appreciation to all members who gave their support to fund raising activities during 1975-76 which allowed us to keep our heads above water once more.

## N.S.W. CRICKET ASSOCIATION

We again express our appreciation to Mr. Bob Radford, Mr. John Woods and the staff of the N.S.W. Cricket Association for their assistance throughout the season.

### THANKS

Firstly our thanks to Hazel and Arthur Rudgley for the use of their home for all our Committee meetings.

Also to Lindsay Rees and Ted Suchy for their efforts and organisation at our after match functions.

Last but not least to our two working Vice Presidents, Eric Howard and Charlie Tucker for all their assistance at Mona Park.

### SOCIAL ACTIVITIES

Our social programme for the season consisted of:

- (a) A double wicket competition was again held with participants from other Clubs - for the second year in succession the final was won by Bruce Hambrett and Steve Creagan from the Epping Club - Steve Finch and Ray Gentles were runners-up. It is hoped these matches will continue to be held as there is no doubt good feeling is created between players from within the Club together with those from other clubs.
- (b) A trip away to Nowra during the January long weekend for a social cricket match. Even though the match had to be cancelled due to the weather, some good scores were recorded at Kiama by some team members.
- (c) End of the season night out at "Dirty Dicks" where everyone had a "ball".

"A" GRADE CAPTAIN'S REPORT

*A disappointing end to the season after a start which should have been a springboard to bigger and better things. The loss of David Noyes early in the season and Felix Molski later with injuries didn't help. Coupled with constant team changes due to players being unavailable for various reasons an air of*

## "A" Grade Captains Report (Cont'd)

frustration was obvious.

Had the individual batting averages been maintained in all matches, a team average of 166 would have lost us two games all season. This has been true for several seasons, so if a score of 166 is aimed at in every game next season, the team should win more games than it loses. This low figure is a tribute to some of the finest fielding you could wish to see, and even if we weren't the best side in the competition it would be fair to say that there wasn't a better fielding side.

Finally, congratulations to Canterbury who undoubtedly was the best team and thoroughly deserved their premiership, and a word of thanks to Vicki for scoring for us.

RON JOHNSON  
CAPTAIN.

## THE "A" GRADE PLAYERS

### TED SUCHY. (V. Capt.)

Had a great season and was most consistent. No fault of Ted's that we couldn't score runs. He got us off to a good start most times and his 118 against Pennant Hills was not only great to watch, but was a fitting reward for his previous good form. One of our top fieldsmen as well, his best effort being a swallow dive from silly point into a millimetre of moisture on the pitch which had us all in fractures.

### DAVE STANFORD

After batting low in the order and not scoring many runs, Dave suggested he would go better as an opener. He was right - his first five digs being 22, 32, 40, 7 and 61. With Ted, gave us some good starts, and in doing so put paid to the rumour that he was only in the team because he brought Vicki along. Dave also bowled well (at times) and was another of the stars in the field.

KEN COLLINS

Was just making his presence felt when we lost him for a time. With constant cricket Ken would be a very valuable player indeed.

LINDSAY REES

Lindsay had a frustrating time early on, then pulled out of it with some good innings, notably against Lane Cove (44) and Canterbury (31). Had an excellent season in the field, bringing off some remarkable catches. Called on to bowl from time to time he showed that with practice, he could become one of the "front line" bowlers in the side.

JOHN ROSS

After being overseas for the best part of the season, was brought into the side when we were in dire need of a keeper. He filled the bill as though he hadn't been away, keeping well and scoring 26, 27, 32 in his limited appearances.

RAY GENTLES

It's hard to know how to describe Ray's year. He had a top score of 66 against Macquarie and yet found it hard to get going against other teams. He has the ability to score runs consistently he just needs to believe it. Took some fantastic catches in slips and one of the reasons we can dismiss teams for relatively low scores.

PETER WOOD

Pete was up and down between "A's" and "B's" and always gave his best. While he didn't score a lot of runs, he needn't be discouraged because each time he is able to play it's usually after a few seasons break.

ARTHUR RUDGLEY

Our Club President. Arthur answered a call when we were short of an opening bowler - and didn't he do a great job. While maybe not as fit and fast after a couple of seasons out of "A" grade, no batsman got on top of him and he could be depended upon to restrict the opposition. Thank you Mr. President.

IAN JOHNSON

With 29 wickets for the season, Ian is finally getting wickets each week consistently. The last two seasons saw him bowl very well with little or no luck, but this season things began to fall into place, and each season should see more wickets than the previous one. Ian also showed dashing form with the bat on occasions.

DAVE NOYES

Another who was unfortunate with injury - after copping a ball in the face against Lindfield resumed in the next match, but that was it for the season. Too good a player not to be missed. Better luck next year Dave.

JOHN (Valentine) BERRY

John also got among the wickets, having an excellent season, highlighted by his 7/32 against Pennant Hills. There are not many spin bowlers around that have the control John has and it was pleasing to see him have a very good season. Yet we must mention the inspiration he was in the field, some of the catches he took in the gully had to be seen to be believed. Shows what fitness can do and it was a well deserved reward for John to top the "A" grade catches count with a tally of 12.

FELIX MOLSKI

(Part IV) "The continuing saga of the Molski muscle". Oh! Felix: How we would like to have you for a full season - fit. After the Annual Meeting an offertory will be taken up to see if we can raise the bread to send you to Fiji to see Placido. Only played seven games and took 29 wickets bowling exceptionally well.

MAX BOWEN

Only Max knows if there were too many late nights. There had to be something wrong. Don't let it get to you Max, it happens to all the greats.

RON JOHNSON:  
CAPTAIN.

RON JOHNSON

A disappointing first up year for Ron as skipper of the "A" grade, in terms of team performance. Had the players performed as well as Ron did personally, many more games would have been won. His tally of 40 wickets and over 200 runs was a major highlight and should have been capitalised on by team mates.

## "B" GRADE CAPTAIN'S REPORT

Dave Tribolet's unfortunate injury led me to be Captain of the "B" Grade side for the first time. With Dave's "support" from the sidelines I had one of my most enjoyable seasons with the Club, not so much from my own personal performances, which were disappointing, but from a team point of view. At one stage during the season we looked a chance of making the semi-finals due to a couple of draws and winning the toss too many times, we faded out to finish half way down the ladder.

I will mention that we had no less than 33 players go through "B" grade this season, which as you all know is 3 cricket teams. This problem has been with the Club for a number of years and although I believe it is a problem that is difficult to solve, I have one suggestion that could be heeded by players - that is at the start of the season they make themselves available for the majority of the season and not just half of it.

The pleasing aspect of the season was the performances of the young brigade - David Harvey's powerfull 116 against Burwood, Phil Gane's 101 N.O. against Epping and Rock Findlay's four or more wickets in an innings on three occasions. If we can hold onto these young players we will be a force in the competition in the very near future.

Our taking of 141 wickets as against losing only 116 and our batting per wicket of 18.41 as 15.82 against is an interesting comparison.

## "B" Grade Captains Report (Cont'd)

My sincere thanks to Eric Howard for his help with the gear and afternoon teas during the season (also the roll call) and my appreciation to Dave Tribolet for his valuable assistance and his many hours spent chasing up players that were selected.

My congratualtions to Epping for winning the "B" grade competition and to the players of our "B" grade my many thanks for the co-operation and support you gave me during the season.

PAT PERCEY  
CAPTAIN

## THE "B" GRADE PLAYERS

### DAVE VEIGEL (Vice Capt.)

Dave batted well during the season when in "B" grade. Some innings played were true "A" grade efforts - his driving at times was a pleasure to watch. Dave needs onebig innings from him to realise his true capabilities with the bat. His wicket keeping was always sound. Another fine team man and being Vice-Captain helped me immensley.

### DAVID HARVEY

A young cricketer with unlimited potential. Dave scored the most power packed cnetury I have seen in shires. His bowling at times was excellent and very quick - his fielding was uncanny, finishing with 12 catches. Dave will become a top cricketer in the near future, as with all top cricketers they also have to have the ability to listen to advice.

### ROCK FINDLAY

An excellent spin bowler who bowls with a maturity well beyond his years. Headed the "B" grade average and aggregates. I believe he has a bright future in cricket. A very capable batsman who will start making good scores next season. His common-sense and attitude was a credit to him and abig help to me as Captain.

### PHIL GANE

A good cricketer with a lot of natural talent. His unbeaten century against Premiers Epping was a great effort. If Phil could play a full season he would come to the fore as a top class batsman and bowler. Led the batting averages with 47.00 (8 innings 4 N.O.)

### PETER WOOD

One of the more experienced players of the team who we lost to the "A" grade during the season. A very capable batsman who held the side together on numerous occasions. An average of 32.50 is a true mark of his ability with the bat. Another player who has the right "attitude" on the field which makes a captains task a lot easier.

### BRIAN MOORE

One of the best spin bowlers in the competition, Brian has the ability to obtain prodigious turn on certain wickets. His 6/30 against Canterbury was a fine display of spin bowling. His batting is always interesting to watch, a real fighter when in a sticky situation. A real team man.

### PETER JACKYMIN

Peter needs to wipe this season from his mind. He managed to get 15 wickets for the year. We all know "Jack" has the ability to bowl well but this year he lost all rythmn in his bowling which effected his wicket taking. But with the enthusiasm he has, I know he will come back with avengence next season. His fielding was excellent throughout the season and he deservedly shared the Club fielding award.

### BOB JANCZUK

Bob has real fighting spirit in his batting - he played some long and important innings for the team. Many a time he was the backbone of the innings where the more fancied batsmen got out. Don't worry about the attacking side of your batting Bob as if you stay around long enough the runs will come. The quiet man of the team (on the field) but his enthusiasm and attitude made it a pleasure to have him in the side.

### STEVE HOLMES

Although not having a full season with us, Steve proved what an asset his is to the team - with the new ball he bowled very intelligently and he also came to the fore as abatsman with a fine 54 against Ryde when the team was in a very awkward situation. It would be a benefit to the team if we could get a player of Steve's ability to play a full summer.

### WALLY SHEPHERD

Wal would be one of the most reliable batsmen in the Club. While rarely making large scores, Wal always makes his twentys or thirtys. He has the ability to concentrate right from the start of an innings. An excellent fielder in any position - in close or in the outfield.

### STEVE FINCH

Steve never got going with the bat this season. He has without doubt the ability to score runs and many of them. I do not believe it was lack of confidence in himself, I believe it was a number of unlucky decisions that went against him early in the season and after that he just couldn't do anything right. But with a positive attitude next season he will be back amongst the runs.

PAT PERCEY  
CAPTAIN.

### PAT PERCEY

Pat finally made it as Captain after many years and although we didn't reach the semi's, I am sure everyone associated with the "B" grade enjoyed themselves under Pat's astute leadership. He started the season well but slowed down after Christmas. However, he still finished with 221 runs at an average of 18.4 - the highlight being a magnificent 72 N.O. against Lindfield when he unselfishly closed the teams innings with his century only a formality. On behalf of the "B's" I would like to thank Pat for a very enjoyable season.

## "C" GRADE CAPTAIN'S REPORT

Firstly I would like to offer my congratulations to Epping II's on taking out the "C" grade competition, even though really they were lucky to even be in the final.

Unfortunately "lady-luck" was not on Auburn's side this year. After tying three games (which surely must be some sort of record) we had the indignity of having three games in our grasp only to be robbed of the points by rain, one of which was the semi-final against Epping II!

To say that "C" grade were an unlucky side would be an understatement. Not only having to cope with the rain, the side to cope with a turnover of some 27 players. The same side never took the field for any two games.

These changes, which were usually bowlers for batsmen left too much pressure on the few specialist batsmen in the side and as a result it was often the bowlers who had to get us out of trouble with the bat as well as the ball. But still some of the batsmen didn't perform as well as they can even allowing for the lack of batsmen in the side. There were too many indiscreet shots particularly from the more experienced batsmen in the side.

The bowling this year was of a very high standard. The attack was led by the two "old war-horses" Don Gillard and Bob Constable whose experience was a great asset to our relatively young side.

## "C" Grade Captains Report (Cont'd)

Finally my thanks to all players who represented the side this year in making it an enjoyable and relatively successful year for me in my first year as captain. With just a little more application and maybe a bit of new blood in the batting, next year will be Auburn's year in "C" grade.

GARRY WADE  
CAPTAIN

## THE "C" GRADE PLAYERS

### D. GILLARD (V. Capt.)

Don has always been the backbone of the "C" grade bowling attack and this year was no exception. This season Don, although probably not as successful wicket wise as in the past, bowled better than he has before. His line and length were much more consistent and thus Don was much less expensive than he has been in previous seasons. Don this year showed more application, particularly in his batting where instead of his usual "lift-headed swipe" we often saw Don grind runs with the prowess of an opening batsman. As usual Don's fielding was of a very high standard and was one of the teams leading catch takers. As a vice captain was a great help to me. Don was a gambler (not only on the horses) on the field and a lot of his unorthodox strategies paid off which helped contribute to our success. Thank you Don.

### P. AMSON

Phil having his first year with the club and on turf had an extremely slow start to the season, but after his initial failures with the bat he blossomed into one of the brightest batting prospects the Club has had for quite a few years. Phil showed he had the makings of a top batsman with his effortless drives in front of the wicket and gracefull sweeps behind the wicket. Phil did show a weakness to the ball just short of a length outside the off stump and if Phil can overcome this and improve his fielding, particularly his catching, it won't surprise me if Phil makes the "A" grade side very soon.

### B. LESTER

Bob also started the season very scratchily caused by a lack of application - he would get off to a good start then throw away his wicket with silly shots usually executed with his head facing the heavens. But after a change of attitude mid-way through the season, which was first evident in the innings he played against Epping I, when we were in danger of losing outright, Bob batted very intelligently for over an hour and a half. Subsequently Bob became one of the more consistent batsmen in the team, keeping his end up but still able to score runs briskly. Bob's fielding was up to his usual high standard particularly close to the wicket. Lets hope Bob takes up next season where he left off.

### L. YEATES

This was Lindsay's first year with the Club and he proved a valuable asset to the team. Lindsay often called upon to "don the gloves" which he handled very efficiently. Due to the lack of top order batsmen, Lindsay was forced to open the innings and he proved to be a consistent batsman but his running between the wickets and full tosses more often than not led to his departure from the crease just as he seemed set to take the bowling apart. When Lindsay improves these problems he will become a valuable asset not only to "C" grade but to the higher grades as well.

### S. FINCH

A very disappointing season for Steve with the bat after his 300 plus aggregate last season. Steve seemed to lose all confidence in his ability as a batsman and as a result his form suffered. Steve went to the crease convinced he wouldn't perform well, but he must overcome this next season with a positive approach if once again he is to make "A" grade. There is no doubting his ability as a batsman and his run of outs can't last so how about starting the new season afresh and wipe from your mind last season. On the bright side Steve had a good season in the field. As wicket-keeper he took some very acrobatic catches - who will ever forget that magnificent diving catch down the leg side against Epping II in the semi-final. Well Steve the ball is in your court,

let's see you make the most of the 76-77 season.

#### S. LUCAS

This was also Steve's first season with the Club, but I feel its a season he would rather forget. After showing promise as a batsman early in the season Steve faded into oblivion - he just couldn't settle down however, he does have the ability to do well and I suggest that he also forgets this season and concentrates on being a success next season. On the credit side Steve showed his ability as a great outfielder taking many very difficult catches way out on the fence and also would develop into a fine swing bowler with a little bit of tuition.

#### P. MOONEY

Peter had a rather topsy-turvey season. Unfortunately for the best part of the year he was unavailable due to work, however he performed well in "C" grade gaining promotion to "B" grade only to be dropped back to "C" grade. Pete just couldn't string his good performances together. As usual he was excellent in the field taking some fine catches particularly close to the wicket. If Pete is available for the whole of next season he will be very welcome in the "C" grade team not only as a batsman but also for his vast experience.

#### B. CONSTABLE

Bob this year made a return to cricket after a long lay off and proved to be a very valuable asset to the team with his very precise bowling. Although Bob didn't take a great number of wickets, his line and length was impeccable and thus he was very inexpensive. This allowed us to tie up one end while the other bowlers attacked from the other end. Bob also proved a handy lower order batsman but he has to make sure he covers his leg stump as he was bowled around his legs quite a few times. It is hoped Bob will turn out again next season as he will be very valuable to the Club particularly to the "C" grade.

#### A. SMEE

Alan once again was one of the successes in the Club. Although he had a good season with the ball his performances could have

G. WADE

Garry captained the "C" grade side which reached the semi's - it could be said the resulting draw was an unlucky one due to the rain. Garry himself had a reasonably successful season with the bat and the ball. At times he was quite an aggressive Captain but curiously lapsed into an ultra defensive mood. He tried to do too much himself, maybe this was because on many occasions he led a relatively inexperienced side but please remember Garry that especially in "C" grade, spinners are a very useful member of your attack as they also can be very attacking bowlers. All in all I feel this season has been invaluable to Garry as he will I am sure have learnt a lot and will be a more mature thoughtful cricketer. Good luck in the future Garry.

DON GILLARD  
VICE CAPTAIN.
