PRESIDENT'S REPORT

Gentlemen,

How pleasing it was to see our "A" grades improved performance
From 9th the previous season to equal minor premiers this
season.

President's Report (Cont'd)

The meeting concluded on the understanding that the N.S.W. Cricket Association would circulate each Club concerned with a proposal of how the competition was to operate. It could then be discussed within each Club so that we could agree or otherwise. At the time of writing this report no further correspondence has been received on the matter.

On behalf of our members, I would like to thank the Management Committee for their time and effort throughout the season. I feel quite confident that if we can maintain the progress of last season the Club will be up for some cap money next season.

ARTHUR RUDGLEY
PRESIDENT

TREASURER'S REPORT

The Club's Balance Sheet for the year ended 30th June, 1977 could be described as satisfactory, when one considers the ever increasing costs of equipping and running the Club, especially in view of the fact that Auburn Shires continues to maintain their playing fees at a level far below that of a majority of other Shire Clubs. It is significant to note here that a player's yearly fees with Auburn falls far short of paying for the gear he uses let alone Ground Fees, Annual Report etc.

It is hoped that with your continued support in fund-raising activities, Auburn will always be in a position to hold their fees at an absolute minimum and still provide a good standard of equipment and social functions.

" A " GRADE CAPTAIN'S REPORT

I suppose from 9th to equal minor premiers and eventually 3rd is quite a successful season. One of the most pleasing things to come out of this season was the maturity shown by such a young side in an "A" grade competition. Congratulations to Dave Stanford, Ian Johnson and Dave Harvey on a very successful season. I am sure next year with the basis of the same side and more concentration in the field we will go two places better in the competition.

I believe one of the reasons for our improvement last season was that we had basically the same side throughout the competition, only fifteen players in the "A" grade, but let's hope next season we have some pressure applied from the lower grades, because it should be everyone's aim to represent his Club in "A" grade.

Thank you Vicki and Dale for your marvellous help with the scoring duties and at times with the tea towel, it was much appreciated.

Congratulations to Lindfield on their win, undoubtedly the best team we played.

JUDE FINDLAY
CAPTAIN

THE " A " GRADE PLAYERS

TED SUCHY - They say that everyone has one of those seasons, unfortunately for Ted this was the one but a cricketer with this one's ability will surely put it behind him and get amongst them again next season. Thank you, Ted, for your fine support as V.C. Ted's fielding this year was as good and as enthusiastic as ever.

DAVE STANFORD - Dave had a great season, one every cricketer would love, Dave scored his runs in all sorts of situations, that, to look at his average and aggregate does not really tell the whole story of how he set about amassing his runs, his 115 against the premiers Lindfield really was to me a most memorable century. His fielding was of high standard whilst patrolling in the covers. Congratulations Dave.

BOB JANCZUK - Bob had one very important innings against Wentworthville where he set the basis for our winning score, but unfortunately for the rest of the season he could not repeat the performance. Bob has fallen into a bad habit which he will have to work on, but Bob has that sort of persistence that I am sure he will iron out the problem and again make his presence felt to the opposition, fielding was of a high standard, except he will have to work on his returns.

RAY GENTLES - This year I asked Ray to take the job of No.3 a very important position and Ray being the great team man he did not hesitate although his experience in this position in "A" grade was extremely limited. This year Ray had more confidence in himself, he reached double figures eight times and figured in quite a number of large partnerships. I am sure that after this year's experience as first drop he will blossom next year and turn starts into scores. Ray also fielded quite well with an excellent performance against Burwood.

DAVE HARVEY - Another one of the stars of the season, Dave only played in nine games in which he took 36 wickets at an average of less than 10 and considering this fellow is only sixteen and playing "A" grade and performing so well, the sky's the limit, the pleasing thing with Dave was his ability to listen and take criticism of which there was very little, next year I tip not only a big year with wickets, but also runs aplenty now that he will be on turf full time.

DAVE HARVEY -

His fielding was good but at times did lose concentration in the slip area.

GRANT SAUNDERS - This was Grant's first season with the Club and what a great acquisition to the team this all-rounder is. His bowling was very impressive, his batting was something to break the back of any bowling attack. His final bowling effort against Semi-Finalists Pennant Hills 11 overs, 3 for 27 was one of many fine bowling performances of the season. He also scored a fine 58 against Premiers Lindfield and took some fine catches throughout the season. An important member for our bid for the Premiership next season.

BRIAN (CHICA) MOORE - Brian has probably never bowled so few overs as he did last season but whenever he was called on to bowl he always seemed to figure in breaking up the partnership that was becoming dangerous, any other player would have grumbled about his lack of bowling but Brian has the sense to realise that if the other bowlers are doing it then that is that. His batting this year was nothing short of courageous and a lesson to some of our more recognized batsmen, Brian's fielding was extremely enthusiastic but then you would not expect anything less from a truly great team and club man.

LINDSAY REES - Lindsay started the season off like crackerjack with a splendid 92 then broke his hand in the same game which meant a whole new start. Lindsay ran third in the aggregate but had a very up and down season, his batting did show a lot more maturity than previous years and was probably the outstanding fielder for the year taking some fantastic catches.

STEVE FINCH - Steve made it into "A" grade after some fine performances in the "B's" but unfortunately he never scored the runs in "A" grade which he might. Although he had the ability to hang around he seemed to get bogged down on occasions. I think Steve was pretty nervous at times but next season he should show us that he is capable of scoring freely also in "A" grade. Fielding was very good with safe hands.

IAN JOHNSON - Ian Johnson proved to everyone that this fellow is one of the most talented and gutsy cricketers in the competition - over 300 runs and 36 wickets. I believe Ian will go even better next year because all he does is improve. Ian is a Captain's delight as there is nothing that he will not do for his team. His batting and bowling this year was truly superb and he deservedly won the Player of the Year Trophy.

ROCH FINDLAY - Roch joined the "A" grade after 5 games in the "B" grade, he quickly cemented his place in the "A" grade with a match winning bowling effort against Epping 21 overs 5 for 47, but Roch's batting was the most eye-catching after being thrown into the opening spot against Canterbury he scored a fine 75 not out after we were at one stage 3 for 9. He showed maturity in this and other situations beyond his eighteen years.

BERNIE CLIFTON - Bernie played the first five games with us and showed why he had always troubled Auburn batsmen before he joined the Club. Unfortunately for Bernie we could not afford to carry three left-arm spinners. Bernie's bowling whilst in "A" grade was of a very high standard, his batting also quite impressive considering he was batting No.10.

RON JOHNSON - Owing to ill-health Ron was unable to play a full season of cricket and his season was one of stops and starts. Ron played four games for the "A" grade and fitted in as though he had played all the season.

WAL SHEPHERD - Wal only played three games early in the season until he became unavailable but, in those three games he proved that he is the one person who can be called upon to perform in any grade and do exactly that. Top scoring in our dismal performance against Lane Cove, his fielding as always excellent.

CHARLIE TUCKER - Thanks Charlie for all your help, support, plus the amount of hours you spent for not only the "A" grade but for all members of the club. Charlie was probably the only member if the side to turn up to the ground on time every week. Thanks once again Charlie.

JUDE FINDLAY
CAPTAIN

THE " A " GRADE PLAYERScont'd.

JUDE FINDLAY - For Jude it was a terribly unjust ending to a fine first up season as skipper of the " A's ". His captaincy and leadership were always of high quality and deserved a better fate than a semi loss. Jude's personal performances with the bat were mainly inconsistant but behind the pegs he showed that touch of class that we are all accustomed to seeing in his keeping.

With a little more team effort in the run-making department Jude can look forward to a better result in 1977-78.

" B " GRADE CAPTAIN'S REPORT (Cont'd)

not be a force in the competition. The most conspicuous aspect that comes to mind when writing this report was the very few outstanding performances during the season. Except for the fine bowling performances of Roch Findlay during the earlier part of the season and Alan Smee's exceptional fielding there were very few great performances (Peter Wood's 77 excepted). I believe we have the talent to win the Club Championship in the near future. The "A" and "C" grade performed very well and my congratulations to the "A" grade for making the semis. Despite the number of players that played in the "B" grade during the season it was a most enjoyable one for me personally. There seems to be a better Club spirit throughout all grades - the gathering of players back at Mona Park has achieved this. Many thanks again to Eric Howard for his help during the season, he makes a Captain's task a little easier. Also much appreciation to our Secretary, Dave Tribolet for his never-ceasing work in chasing up players selected.

PATRICK PERCEY
CAPTAIN

THE " B " GRADE PLAYERS

KEN COLLINS (V.CAPT.IV) - Ken had a late start to the season but proved to everyone that he is without doubt an "A" grade batsman. One thing he needs to do is to keep concentrating for the whole innings, many a time Ken was away to a good start but got out in the twenties. His advice as Vice Captain convinced me that he is definitely " Foreman Material ".

PETER WOOD - One of the rare batsman to make some scores this season. He did throw his wicket away on occasions. Batting lower down is more suitable for him now and he has a lot more runs and a lot more seasons to go in this position. His attitude and experience were a great help to me during the season.

BRETT TRIBOLET - A very talented cricketer in all facets of the game. All Brett needs is to stop going " walkabout " and he would be one of the best allrounders in the Club. His bowling when given the chance was of an extremely high calibre. Brett needs a positive attitude to go with his ability.

THE " B " GRADE PLAYERScont'd)

ALAN SMEE - bowled extremely well this season without an ounce of luck. Sometimes I believe he moved the ball around too well. Could always be relied upon to tie up an end. His batting except for one innings was disappointing, more application needed. Alan is as far as I am concerned the best fieldsman in the competition.

DAVE VEIGEL - Dave would like to forget the season. Everyone has one of those seasons Dave, forget about it, look forward to next year and come back as strong as ever with the ability I know you have. An excellent team man. His keeping was sound at all times.

ARTHUR RUDGLEY - "Old soldiers never die they just keep on getting wickets ". Once again Arthur proved invaluable as an opening bowler and never bowled badly. He would bowl all day if you asked him. A great competitor and I'm sure has the respect of many a batsman.

GARY WADE - If Gary could channel his enthusiasm in the right direction he would be of great value to the Club. He really works on his game in both batting and bowling, setting an example of application that could be followed by many a player in the Club. I believe Gary will develop into a fine allrounder.

BERNIE CLIFTON - Bern bowled very well this season without luck. A very smart thinking spinner there wasn't one batsman who managed to get on top of him. He has the ability to either tie up an end or bowl attackingly. Could have batted higher with some of the innings he played.

PETER KLEIN - a player of immense ability with both bat and ball and also fielding. A borderline player between "B" and "C" grade though I'm sure he would be a regular "B" grader next season. Very impressive with the bat when he gets going and a very powerful hitter of the ball. A very good reader of the game and his advice at times was most constructive. A good team man.

PATRICK PERCEY
CAPTAIN

THE " B " GRADE PLAYERS(cont'd)

PAT PERCEY - Affectionately referred to amongst Auburn's misfit band of cricketers as " Patrick " this super cool character not only set trends to follow off the field in the "B" grade side he led by example and set trends on the field (however not many followed suit) often compiling a typical ' Captain's knock ' when the teams innings appeared in tatters. A reliable and experienced middle order batsman in 1976-77. Patrick did his share of bowling and displayed his sporting qualities and captured important wickets. Although his batting aggregate was not as big as Quo Vadis Patrick enjoyed a consistent if not prolific season with the bat. Undeniably Patrick is a proven and zealous tourist, adjudged by his social activities and antics produced while a member of Auburn's 1976-77 tourists. A top Clubman who more often than not instils a harmony and spirit within the Club, Patrick ensures that cricketers who have been associated with him will roll up the following season.

" C " GRADE CAPTAIN'S REPORT

I suppose it could be said we were unlucky to have just missed out on the semis due to the bad luck we experienced early in the season with the weather, where analysing the matches concerned we missed out on approximately 16 points - however reviewing the complete season a number of other factors had a lot to do with our non-success.

" C " GRADE CAPTAIN'S REPORT ..(cont'd)

Firstly, not having the same team for any two matches is not a bad start - the continual unavailability of players is to say the least frustrating and in some cases, very annoying. Being the third team selected and having to part with two or three of our better players to higher grades because others all of a sudden " remembered " they had " something on " and couldn't play, not only completely disrupts all teams but makes it very difficult to gain important points. Mid-week practice was attended by the same players every week, and it is interesting to note that these players performed consistently. Lastly, the biggest disappointment to me, was the number of catches put down, most of these through lack of concentration - Auburn have always been renowned for their fielding and catching, however we "dented " this reputation this season.

The bright aspects of the season were: the improvement and development of a number of our younger players, particularly in batting. However, it was the batting by our more experienced players that let us down, as it is interesting to note that only two 50's were scored during the season.

Let's hope we perform more consistently next season, as this season was the first time for a number of years we missed the semis.

DAVE TRIBOLET
CAPTAIN

THE " C " GRADE PLAYERS

DON GILLARD (V.CAPT.) - Again Don was our No.1 Bowler taking 39 wickets at 13.82, which included a great 8/33 in the last match on a dead strip. Don suffered more than anyone from dropped catches as there is no doubt he would have topped 50 wickets if half the chances were taken.

STEVE KING - A good all-round performance, 285 runs, 13 wickets and a dozen catches; Steve's aggressive batting put us on top on a number of occasions but, unfortunately this aggression was to be tempered at times as Steve lost his wicket too many times trying to get stuck into the bowlers too early. An underrated bowler, who lacked opportunities (and at times, condition)

THE " C " GRADE PLAYERS(cont'd)

STEVE LUCAS - Steve had a very good season with the bat, being pushed into the opener's role early in the season, he performed exceptionally well and hardly failed to give us a solid start. His concentration showed us older players up. Also a very keen and enthusiastic fieldsman.

GERRY KENNY - His first year with the Club, Gerry proved a very handy asset to the side, not scoring a large number of runs, but consistently scoring, although every time he batted he looked like 50 was on the way. Also filled in very well with the ball, picking up a number of important wickets.

RON JOHNSON - Ron only played in a few games this year, and even though far from fit, he showed what an excellent cricketer he is. Only bowled 45 overs, yet took 19 wickets at 6.47 and also scored a couple of 40's with the bat. Get yourself 100 % fit and well Ron and get back into the "A" grade where you belong.

PETER FINCH - Pete was having his first year on turf, and this young player is going to be in the higher grades as soon as he improves on a couple of points - running between wickets is one Pete, not judging a run but getting there a bit quicker. Overall a good start on turf as an opening batsman and definitely a good future.

PAT FINDLAY - As our Keeper, Pat had a mixed season, keeping exceptionally well on most occasions but well below his best on others - stick with it Pat, a bit more experience and you will be taking over from your big brother.

PETER KLEIN - A most underrated cricketer, Peter only played in a few games with us, but still showed what a great asset he is. His all-round ability with bat, ball and in the field put the team on the winning way a few times. And, who will forget those 3 great catches in close against Lane Cove.

DAVID FINDLAY - David did not have much opportunity to perform, however his enthusiasm and "comments" during all games kept us on our toes. A bit more practice and concentration with the bat is needed to make higher grades.

THE " C " GRADE PLAYERS(cont'd)

BOB LESTER - Bob also had only a limited number of games before going to the "B's" - except for one real good knock early in the season he did not perform as well as we know he can. Still one of the best fieldsmen in the team.

DAVE TRIBOLET
CAPTAIN

DAVE TRIBOLET - Dave had an onerous task of captaining a very young and inexperienced side which was probably a little unfortunate not to make the semis. Congratulations, Dave, on taking your 200th catch for the Club, a truly remarkable performance for a veteran cricketer. It could also be said that Dave batted and bowled for the side.
