## PRESIDENT'S REPORT

Season number 43 was I feel a rebuilding year and subsequently our performances were not premiership winning, but certainly competitive in all grades and gives us much confidence for the future.

The Club decided to engage a player - coach for the first time and I have no doubt this is the way of the future. However I only feel it will be successful if the "coaching" part of this position is used in the correct manner. Our appointment of Matt Troy was one that we hope will continue for a number of years. He is the style and type of person that can make a huge difference to our Club when you consider the ages of our players. I really hope all players take the opportunity of learning from a good experienced cricketer.

Performances of all our teams was greatly effected by unavailability which continually disrupts every team. Some of the reasons for not playing really makes me wonder why some bother playing at all. The club, I feel needs to be harder on those who play inconsistently.

All grades had their moments during the year with the lower grades going exceptionally well early in the season. The "B's" and "D's" could have made the semis with a win in the final round and the "C's" made a charge but stumbled towards the final rounds.

Congratulations to all trophy winners. It is particularly pleasing to see 8 of the top 10 in the player of the year points are under 21 and well done to Glen Mitchell (P.O.Y. Winner). And Michael Purdon (fielding) for the great efforts. Two very talented young players. In fact we have some young players with tremendous potential and through their commitment and with the coach's help there is no reason they can't go a long way.

Our relationship with Auburn Council stays on excellent terms. We are extremely fortunate to have this support and the opening of the new extensions at Mona Park was, to me, the highlight of the season. I would like to take this opportunity to thank the Mayor, Stan Hedges, Councillor, Helen Lane, General Manager, George Tomoe and our good friend Andy Donaldson. Others, who made this day so successful were, John Pedro Alvarez and NSW Coach Steve 'Stumpa' Rixon, for organising the players for the celebrity match. Also the ringleaders of our committee, Michael Wood, Bob Hadley, Darren O'Brien and Vinnie Connor, plus all those others involved, my sincere thanks for a day I will never forget.

The new facilities are magnificent and just about gives us the perfect set up. We are working on obtaining those few extra facilities that will give us the best dual cricket complex in Sydney. As we go to print, it is nearly confirmed that a match in the under 19 National Championships will be played at Mona No. 1 in early January 95.

The financial side of the club needs to improve. The club is providing a good level of cricket on good turf wickets and the costs involved in this is continually rising, unless we can pick up one or two major sponsors, members fees will have to increase. If any member can put us on to a sponsor, please let us know.

Finally my thanks to all club members for their efforts this year, we all know we can improve on this years efforts, so lets approach 1994 - 95 with confidence and commitment on and off this field.

DAVE TRIBOLET  
PRESIDENT

## SECRETARY'S REPORT

Once again a season that started well and promised so much, delivered so little. At one stage the Club was travelling extremely good, with "A" Grade on the fringe of the top four, "B" "C" and "D" Grades all entrenched in the top four and the club leading the Club Championship.

Then the wheels fell off, with the end result being that none of our four grades made the semi-finals. I have no doubt that the decline in the performance of the lower grades in the second half of the season was related to fall-off in attendance at club practice. When attendance goes from an average of 25-30 to 10-15 something has to be wrong with the attitude and commitment of players.

It is disappointing to see the club employ a coach of the quality of Matthew Troy, only to see the players, in particular the younger players, not take advantage of it to improve their skills or overcome problems they maybe having with their game. The lack of effort at practice is clearly showing in the individual performance level of players when you consider that no "B", "C" or "D" Grade player, Tony Ross excepted, scored over 250 runs for the season. Only six bowlers took more than 20 wickets, with the highest aggregate being Glenn Mitchell and Brad Stones 27 wickets each.

Glenn established himself as an "A" Grade player and proved to be a whole hearted style of bowler who always managed to make a breakthrough early in the innings, while Brad continues to improve each season. There are a lot of talented young cricketers in this Club and one can only hope that they work hard in order to realise their talent.

The Club's English guest, Phil Blackmore settled in well and proved to be a popular figure within the Club. Whilst Phil didn't set the world on fire with the bat, there is no doubt that he has talent and with the experience gained from his stay with us will no doubt develop into a very competent cricketer. Phil was the perfect guest and was always willing to give a hand. Best of luck for the future Phil and we hope to see you back here one day.

With the completion of the new amenities room at Mona Park, facilities at the ground are second to none. The foresight of the Auburn Council in undertaking the extensions and renovations is to be commended. It is very pleasing to see the Councils continued commitment to fostering this great game of cricket and the continued support of people such as George Toemoe, (General Manager), Stan Hedges, (Mayor), Helen Lane, (Councillor), Andy Donaldson, (Parks and Gardens Supervisor), as well as Mark and Graham (Ground Staff) is very much appreciated by all members of the Club.

The naming of the new amenities room as "THE DAVE TRIBOLET ROOM" was a long overdue reward and recognition to our President, who has been involved with cricket in the Auburn area and with this club for over 40 years, well done Dave.

Also the unveiling of a plaque in the main dressing to honour the memory and contribution made by Frank Bignold to the Mona Park was a fitting tribute to a jovial character who is greatly missed by all.

Congratulations to all trophy winners and a special thankyou to Bob Hadley for all his help and assistance throughout the season, especially for the way in which he organised the trials and practice sessions during the season. I must also say thanks to Ross Abercrombie for managing the U/24 side and undertaking the scoring duties with the "A" Grade side. Further, to Allison and Andrew Kenny thanks for an excellent job in running the Canteen throughout the season.

Whilst this season did not reach the heights that we would have hoped, there is no doubt that there is enough talent in this Club to make next season a very successful one and I have every confidence that it will be.

Finally, I would like to offer a very special personal thankyou to Roselyn Tribolet whose assistance was greatly appreciated by me, Thanks Ros.

Mike Wood  
HON. SECRETARY

## \* A \* GRADE CAPTAIN'S REPORT

The 1993 - 94 season well not go down as one of the most outstanding for Auburn's "A" grade side. It started with high expectations but with just three first innings wins, one draw and nine first innings losses it fell well short of intended outcomes. However, in the second half of the season there were signs that if players are prepared to work harder on their game, build solid team totals and bowl accurate line and length, combined with enthusiastic fielding then Auburn can move up the competition ladder in the coming season.

Over the season 23 player gained 'A' grade positions. It was rare that the same eleven players played together in two consecutive matches and this didn't help the side to stabilise and build a good understanding between players.

Our batting was the main failure of the season. Only once were we able to bat out an entire days play and often we had collapses which saw four or five wickets fall for less than 20 runs thus ruining any chance of building substantial scores. We only managed to score two scores in excess of 200 runs during the season and often left ourselves with low scores to defend. Only three players scored in excess of 250 runs and they and other team members realised that often their impatience or poor shot selection, rather than good bowling, led to their dismissals.

Our bowling also lacked the penetration required to bowl out sides. There were only four occasions where we were able to bowl the opposition side out and in three of those matches against Pennant Hills, epping and Lane Cove, we were able to score first innings wins. Glen Mitchell bowled whole heartedly throughout the season and was the leading wicket taker with Vince Connor on 22 wickets.

As the dust settles on the 1993 - 94 season and we start getting itchy feet for the new season ahead, let's reflect on those winning experiences and learn that hard work, both on and off the field, coupled with support and encouragement of each other, will bind a group of individuals into a formidable team to be reckoned with in the 1994 - 95 season.

### APPRECIATION

Our appreciation goes to Ross Abercrombie who regularly took the scoring duties and to Allison and Andrew Kenny who manned the canteen and set up afternoon teas and organised drink breaks.

## \*A\* GRADE MATCH SUMMARY

### ROUND 1 VS CANTERBURY AT CANTERBURY

We lost the toss and were asked to bat on a good wicket. We lost 3 early wickets, two to dubious umpiring decisions, and we never really recovered. We were dismissed for 147 with Paul Barton scoring 51 runs and the sundries next best score on 29. Brett Patman plundered our bowling, scoring 100 in quick time and Canterbury passed our score just two wickets down.

### ROUND 2 VS ROSEVILLE AT MONA PARK 2

Due to wet weather we were reduced to a one day limited over match on Mona 2. We won the toss and batted. Our batting showed more determination, however, we became bogged down due to tight bowling and Gattrick's hard hitting 35, Paul Barton's 33 and Mike Wood's patient 25 were the best of the batters. We started enthusiastically in the bowling having Roseville 3 for 60 off 26 over. However, we lacked consistency with our bowling, often offering the "4" ball once or twice an over. Roseville eventually passed us only 4 wickets down with a dozen overs to spare.

### ROUND 3 VS WARRINGAH AT WARRINGAH

A game we should have won! We lost the toss and Warringah chose to bat first. We applied ourselves well in the field and except for the off fielding lapse played ourselves into a winning position. Glen Mitchell and Matthew Troy each gained 3-33 and Jason Coleman bowled a marathon ('cramping') 19 overs straight for 1-69. Scott Abercrombie (32) and Paul Barton (20) got us away to a great start with a 50 opening partnership in quick line, but we failed to go on with it and eventually were all out for 163 runs.

### ROUND 4 VS PENNANT HILLS AT PENNANT HILLS

On a grassless, crusty wicket Pennant Hills won the toss and elected to bat. We bowled and caught well and bundled Pennant Hills out for just 95 runs. Vince Connor (medium fast "off" spinner) captured 6 29, Glen Mitchell 2 for 30, Jun Gattrick 1 for 13 and John Alvarez 1 for 14. Scott Abercrombie thrashed a quick 73 and with Paul Barton (14) had a 61 opening partnership. We declared at 2 for 100 and put Pennant Hills back into bat for a second time on day one. Unfortunately, we weren't able to bowl them out quickly a second time and had to settle for a first innings win. Mike Wood captured 3 for 17 and John Alvarez 3 for 38 in their second innings.

### ROUND 5 VS WENTWORTHVILLE AT MONA

The game was washed out on day two and resulted in a draw. We scored 141 with Brendan Tarlington (30) and Matthew Troy (30) top scorers. We had Wentworthville 1 for 16 thanks to a "classic" catch by Brendan Tarlington at short cover.

ROUND 6 VS

EPPING AT MONA

We won the toss and chose to bat first. We had a disastrous start being 3-13 after 10 over but rallied mainly due to fine efforts by Brendon Tarlington (71) and Scott Abercrombie (42) to a mass 190 runs. We bowled well on a dampish wicket and had Epping all out for just 92, two runs short of the follow on. Best bowlers were Matthew Troy 3 for 12, Glen Mitchell 3 for 33, Vince Connor 2 for 17 and John Alvarez 2 for 20. A fine first innings win.

ROUND 7 VS

MACQUARIE UNI AT MACQUARIE UNI

A game of contrasting conditions. We lost the toss and bowled on a "batsman's paradise". We bowled well for most of the day, it was only in the last 15 overs that Macquarie Uni got away from us and amassed a large total of 5 (dec) for 317. We were very disappointed to find changed wicket conditions on the second week that certainly favoured the bowling side. We were bundled out for just 51 runs and were asked to follow on. As conditions improved we were able to bat to our potential and avoided any chance of an outright defeat finishing 3 for 156 at stumps.

ROUND 8 VS

STRATHFIELD AT MONA

We won the toss and elected to bat. Even though it was slow going it was the first time we batted through the entire day's play. We were eventually dismissed for 189 with Vince Connor (57) and Phil Blackmore (28) the best of the batsman. Craig Howarth dominated the Strathfield innings scoring an unbeaten 125 and they passed our score just 3 wickets down.

ROUND 9 VS

BAULKHAM HILLS AT MONA

A limited over one day game. Baulkham Hills won the toss and batted first. After 60 overs we had them 9 for 185 with Jason Coleman capturing 5 for 57. We started badly in our innings and kept losing wickets regularly to be 8 for 81 and seemingly out of it. However, Jason Coleman (31) and Matthew Bensemman (24) put on a really spirited and gutsy effort in a 52 ninth wicket partnership. We were eventually all out for 133 knowing that this was another game we let get away from us.

ROUND 10 VS

LANE COVE AT LANE COVE

On a small and irregular shaped ground we won the toss and batted first. We built good partnerships and reached a total of 263 with Scott Abercrombie scoring a hard hitting (92), Vince Connor (39) and Chris Wilkinson (32). We bowled with great spirit and caught extremely well. In a very close and exciting finish we bowled Lane Cove out for 254. Glen Mitchell finished with 3 for 46 and Matthew Bensemman put in a match winning bowling performance not in wickets taken but in the accuracy and control he bowled with capturing 1 for 37 off 26 overs (straight!).

ROUND 11 VS

BURWOOD AT MONA

We lost the toss and were sent into bat. A disastrous start - 5 for 13! We rallied slightly to be all out for 82, Brett Tribolet (20) top scoring. Burwood passed us 5 wickets down but to our credit we had them all out for just 121. Matthew Troy 4 for 33 and Vince Connor 3 for 27, the best of the bowlers. We attempted to set up for a possible outright win scoring 8 dec for 158 Chris Wilkinson hammering 45 in "record time" and Paul Barton (31). However, the weather prevented any chance we had of bowling Burwood out cheaply a second time.

ROUND 12 VS

BEXLEY AT BEXLEY

Bexley won the toss and asked us to bat first. The top order worked well with Matthew Troy (52), Mike Wood (31) and Paul Barton (27). Unfortunately, we fell away in the middle order and it was only due to the lower order and Adam Rogers (35) and Daniel Burton (22) hitting out that we eventually were all out for 230, when 275 plus should have been easily scored. We bowled well on the second day, especially Glen Mitchell 2 for 42, Vince Connor 3 for 62 and if we had have held our catches would have won. Bexley passed us 8 wickets down.

ROUND 13 VS

LINDFIELD AT MONA

We won the toss and batted on the best looking Mona Park wicket of the year. A great opening stand of 70 between Matthew Troy (59) and Paul Barton (30) set us up for a good total. Once again we fell away badly losing 6 for 33 at one stage, to be all out for 170. The weather gave us an opportunity with our small total to force a win but unfortunately we weren't able to bowl accurately enough to dismiss Lindfield. They eventually passed our total 7 wickets down. Another winning opportunity missed.

## "B" GRADE CAPTAIN'S REPORT

20 runs the difference between a final's berth! The B grade enjoyed an exciting season in 93/94 - 6 wins, 5 losses and one miserable draw was a great improvement on the previous year, although it was disappointing not to reach the finals.

The season started off sensationally with 4 wins from the first 5 games played. Brett Hanshaw led the side very well in the first two games. The lads performed well against Canterbury in Round 1 scoring 242 (Nathan Willoughby scoring 64 from No. 9) & them dismissing the Bulldogs for 227 the following weekend. Great effort, we were 7/124 at one stage in our innings and they were 5/216 in their's. Glen Mitchell was outstanding in his only (unfortunately) performance in the B's (5/68 off 23 overs). We followed this win with a narrow loss to Roseville in a one dayer at Roseville.

Round 3 heralded my first game as the Skipper and what a match it proved to be with us finishing only one wicket away from an outright against Warringah. Adam Rogers and Brad Stone outstanding with the ball with 7 wickets each. First innings points were secured by the Eagles. We followed this up with two first innings wins against Pennant Hills and Epping and these matches were split by the washout against Holroyd.

The game in Round 7 commenced an unfortunate 3 match losing stretch which made the quest for the finals very difficult. We were out by Macquarie Uni in Round 7 although we failed to capitalise on having them 4/46 (they went on to make 231 after batting into the 2nd week). We had our minds on Santa and despite good innings from Damo and Keno we collapsed to be all out for 146. Injuries to Adam Rogers and Cotts also put us under pressure.

The game against Strathfield was probably the worst match I've ever play. A great team effort despite hangovers from New years on the first week with a great team effort score of 270. Cotts got back into form with a scratchy 50 and the "skip" managed a typically patient and dull innings of 50. Great to see "Care" help out in our time of need with a steady innings of 24 which greatly assisted the middle order. The 2nd week was another story. Buoyed by a great total to defend. We were soon deflated by the news of the bushfires breaking out all over Sydney and the sight of smoke billowing around the ground. On top of the 40 degree heat, Brad Stone becoming quite ill, Dan Burton doing a hammy and a 100km wind blowing down the ground. Strathfields openers put on 150 for the first week. Whilst we battled hard and take 5/60 in the middle of the day. Strathfield steadied the ship and passed our score.

The following round saw another debacle with us unable to make Baulkham Hills meagre score of 132 in a one dayer at Mclaughlin. We followed this with a big first innings win against Lane Cove in Round 10 which was a great team effort.

The following Round (11) we played the top team and eventual premiers Burwood and was a "super" effort it was. After being 3/39 we scrambled to a good score thanks to a great 61 from Cotts and handy 35 from Angelo Pico. The following week we had only 9 player and thanks to Mark Rouillon for helping it make 10 on the day. As Burwood were 2/71 at the close of the first day, they appeared very confident of passing our total quickly. Whilst they cruised to 5/180 in slippery conditions, "Storey" really threw a "cat amongst the pigeon head" to have then teetering at 9/199. Unfortunately, we missed a run out which could have drawn the match.

Tribs and Storey then combined to wreck Bexley in Round 12 bowling them out for 75 in the first dig. Tribs timing with 4/6. We scrambled to a too slow 8/137 before having Bexley 6/122 at the end of 2nd innings.

The final round of the season came around with Auburn requiring 1st innings win to make the finals. Unfortunately I lost the toss on a belter and Lindfield finished with 7/256 at end of play. At the start of the 2nd week, the Lindfield Captain then proceeded to take the "weak" option and baton for 8 overs. (Mind you, they only needed about 50 points to make the final!!) and add another 50 runs. I was really proud of the way the guys had a ping at the runs and also pleased that Lindfield did not get 1st innings points. A great double from Matty Bensemman with 5/51 and 65 n/o.

## SUMMARY

Whilst it was disappointing to miss the finals, I think we are really starting to see the Club more in a positive direction. There is now a bright confidence in the Club and this was reflected in the way the "B" Grade contested every game. I am pleased to say that Auburn B Grade had a chance of winning every game it played in.

The improvement will come in 94/95 if every player - not only in B grade, but in the whole club, increases and lifts his concentration to focus on being successful. Our batsman need to show more care in shot selection and try to build innings. It is pretty rare to see a Auburn Side bat out the 85 overs at this stage. the bowling (as it always is) was outstanding in B grade this season and although the fielding improved more work is required in this area.

I would personally like to thank every player that played in B grade this season for the efforts and hoped they enjoyed their season as much as I did. Special thanks to Brett Hanshaw who ably assisted me as "vice" throughout the season and for his enthusiasm towards the team. Also special thanks to Brett Tribbs and Simon Percival for their advice and experience when it was needed. Thankyou also to Brad Store for his outstanding efforts during the season and for listening to and providing opinions on his Captains various cricket theories in the car to and from games. Finally, thanks to the Committee for giving me the opportunity to Captain the Auburn B Grade team. It was an absolute pleasure.

Chris Masterson

## "B" GRADE PLAYERS PROFILE

### ANGELO PICO

A consistent performance from Angelo this season with 218 runs at 23.5 and bowled a magnificent one over spell against Bexley in Round 12. Started off the season with two good forties which resulted in an unsuccessful stint in the "A"s. Needs to concentrate harder when gets into the 30's and 40's in order to make the big score that are expected from him. Fielded well all season and is always encouraging team-mates. (loudly)

### MATTY BENSEMANN

The "Greg Matthews" of the Auburn Cricket Club. Unfortunately for the B's, Matty finished off the season the way he should have started. Was outstanding against Lindfield in Round 13 with 5/51 off 23 overs and 65 n/o. Finished the season with 181 runs at 25.8 and 8 wickets at 32.1. Also performed well in a couple of games in the A's. Matty needs to take the next step as a cricketer and he will achieve better results by taking the game seriously. Spend less time at "Kicks" on Friday nights during cricket season Matty!!.

### MARK COTTER

Cotts struggled for form early in the season before scoring 51 against Strathfield in Round 8. Also scored 61 against Burwood in Round 11 which was probably the best innings of the season in B's. Unfortunately Cotts did not appear after Round 11 due to personal reasons. Cotts has a great level of ability but needs to work harder on his game. Also assisted the Captain both on and off the field and this assistance was much appreciated.

### BRETT HANSHAW

Brett was a very supportive vice captain throughout the season. Brett was consistent with the bat with 229 runs at 19 however would have been disappointed to reach 20 in B innings throughout the season with a highest score of 30. Brett needs to concentrate harder for longer in order to capitalise on his good starts.

### SIMON PERCIVAL

The "Big Fella" had a very good season and was unfortunately the brunt of a lot of dropped catches throughout the season. Bowled with good pace to finish with 14 wickets at 28.3 a piece. Also some handy knocks with the bat with the 25 at Strathfield the highlight. Good fielding effort with 7 catches and a great arm. Always the complete team member and encourages team members continuously. Expect improved performances in his 2nd season with the club in 94/95.

### JOHN BOULOUS

Another good performer with the bat but did not string consistent scores together until end of the season. Highlights were 59 against Epping when he butchered a certain big ton. Knuckled down and concentrated harder towards end of the season and played some good innings. Scored 234 runs at 23.4. Due to the balance of the team, did not have much chance with the ball but snared 5 wickets. Needs to work on variation of his bowling in order to be a genuine allrounder.

### ADAM ROGERS

Four cameo appearances from Adam early in the season before injury struck. Was quite outstanding with the ball with 12 wickets at 14.08. Scored 60 runs at 20. Bowled with good pace and moved the ball away from the bat with ease. Came back to play two games in the "A"s at end of the season.

### DAMIEN KERIN

A good performance with the gloves from the "wickie" although would of been disappointed with efforts with the bat. Only 110 runs at 13.75. Snared 13 catches and 2 stumpings and once he got the feet moving, the performances improved. Needs to concentrate harder on shot selection when batting.

### BRAD STONE

What can I say!. The standout performer in B's throughout the season. 27 wickets at 12.4 in 10 games speaks for itself. Bowled with great control, flight and confidence throughout the season. There was not one batsman who played him confidently. Batting and fielding wa much improved this season. 40 wickets is not beyond Stoney if he plays all 13 games in 94/95 either is an A grade appearance or two.

### JASON COOK

"Cookie" was in and out of B's throughout the season. Bowled some good spells to finish with 7 wickets at 24.2 and his batting improved to score 100 runs at 25. Also scored a magnificent ton in D's earlier in the season. Would like to see Jason get more chances with the bat next season.

### WINSTON GREEN

Winston played the first 7 games in the B's, the highlight of which was 44 at Epping in a great opening partnership with Jonty Boulous. Winston needs to concentrate further on shot selection as he threw his wicket away on too many occasions. Fielding improved and was very reliable at cover/mid off.

### JOHN COLEMAN

Keno assisted the "B" grade at the end of the season bat unfortunately injury hindered his performance. also played 2 sensational games against Epping and Macquarie Uni in Round 6 & 7 with 39 and 34 and 3/45 off 18 and 2/42 off 17 respectively. Keno's bowling has matured and is starting to reap the benefits of hard work at training. Keno is a very under-rated batsman with several good performances throughout the season in both A and B grades.

### BRETT TRIBOLET

Tribs was a great performer in his brief stint in the B's. Trib's experience benefited the whole team and also assisted the Captain in times of need. Scored 78 runs at 15.6 with the highlight a 33 at Strathfield but it was his bowling which was the highlight. (15 wickets at 12.9 in 5 games) Bowled very ell in tandem with Brad Stoner. Auburn answer to the Spin-twins!.

## "C" GRADE CAPTAIN'S REPORT

"So close yet so far." Auburn "C" grade missed out on a semi final berth by 8 points. Given that we lost 2 games in the final over needing only 1 wicket for victory and one game needing only 2 wickets, it was literally the fall of a wicket that kept us out of the semis. If there is a lesson to be learnt from this season it is that every single run when you are in the field is absolutely critical, and dare I be clicked "catches win matches".

Auburn "C" grade scored over 200 in our first innings 4 times and declared between 180 and 200 twice. In contrast we dismissed our opponents for less than 200 five times in their first innings. On our day we could have beaten anybody in the competition. The problem this season was that on two of the occasions when we scored over 200 we lost, that simply should not be allowed to happen.

The season however had everything, while I would dearly have loved to have won the close ones, I enjoyed this season thoroughly, primarily because of the great team mates I had the pleasure of captaining. If we learn the lessons of this 93/94, in 94/95, the premiership will be ours with just a bit of the luck we missed out on this season.

## "C" GRADE PLAYERS PROFILE

### MARK MITCHELL

Mark is one of the few who can claim to have played all 12 matches in "C" grade. Mark is an extremely talented all rounder and a great team player. For Mark the highlights of his season must surely be the coolness he showed to score 53 not out against Roseville hitting a four with only 4 balls to spare in virtual darkness to win the match. Mark not only bats he bowls and claimed 5 wickets for 14 runs off 9 overs to decimate the Lane Cove innings in his second spell, a great comeback gave his first spell of 0-43 off 9.

### MICHAEL PURDON

Michael like Mark is an extremely talented cricketer and would have to be one of the best fielders in the club and I should know after playing with him for 3 seasons. Michael is not only a great fielder but a solid middle order batsman who scored over 30 three times this season. Michael can also bowl with some great pace and bounce, as he showed when he ripped through Burwood 4/62 not including the retired hurt batsman. On top of it all Michael is a great team player.

### SIMON MEERS

Simon is a reliable and solid opening batsman as well as being a good wicket keeper and trusted vice captain. While the big scores eluded Simon this season he consistently scored in the 20's and 30's and at times with great speed (Pennant Hills 34 off 6 overs) and on other occasions with great discipline (45 against Lane Cove). Simon was an asset I would not like to have to do without.

### TONI ROSS

Without a doubt Toni Ross is one of the most talented cricketers I have ever had the honour to play with. Of the 6 innings Toni played this season he scored over 50 and over 100 once. On top of this he is a great fielder and has a fantastic Cricket brain. Toni is a great bloke and he is always welcome to play "C" grade whenever he wants both as a great player and great teacher.

### TED SUCHY

Every team needs a Ted Suchy, not only is he a stubborn batsman who can always hold an innings together, when he gets going he is up there with the best of them. Ted is also a very, very useful offspin bowler who turned more than one innings around for us this season. I could always rely on Ted for good advice and no one apart from maybe Tone is as competitive a sportsman as Ted is. I honestly hope Ted is just faking when he says 1993/94 was his last season because we need him back in 94/95.

### STEVE PERKS

Steve Perks has the appearance of David Boon, says about as many words and has just about as much talent with the bat. The only person I've seen score with as much ease on his day as Toni Ross is Steve Perks. It is a rare game indeed when Perksy's name is not amongst the top run scorers. His 57 against Bexley would be one of the most memorable of the season. However Steve was also the regular first slip and his abilities in this position never ceased to amaze either myself or Ted Suchy off whom he took most of his sensational catches.

### DAN BURTON

Dan started the season with a sway of wickets capturing 11 in his first 4 matches. Dan took 20 wickets for the season in "C" grade his best being a match winning 5/58 against Baulkham Hills. Dan was also very entertaining with the Bat scoring a quick fine 48 as well against Warringah and a great knock of 41 not out against Macquarie at No 9. If he keeps it up I will begin to believe him when he claims to be an all rounder.

### CHRIS DENNY

White Chris had a disrupted season due to work commitments, the games he did play in Chris had an impact. Chris was a very solid batsman with the sort of patience many batsman lack, but at the same time Chris had the build to hit some almighty shots as shown in his Innings at Pennant Hills of 83 which included 2 great sixes and 7 fours on what was a big ground. Chris also proved himself very capable in slips and close in where he took some spectacular low hard catches.

### TRENT OWENS

Trent spent about half his season in "C" grade. After a poor start with the bat Trent was dropped to "D" grade. Upon his recall to "C" grade Trent proceeded to score a great 39 against Strathfield when all other batsman failed in the 1st innings and 42 in the second to prove it wasn't a fluke and a game winning and highly entertaining 48 not out against Baulkham Hills. From what I saw of trent I believe he had some great talent and a batsman and I hope he returns to Auburn next season.

### NATHAN WILLOUGHBY

Nathan is a great team man who's voice is constantly heard geeing on the team when we are in the field. Nathan is no slouch with the bat and always good for a quick 20 down the order. However his forte is with the ball, although Nathan did not bowl too many overs due to work commitments his destruction of bexley with 5/23 of which he really took 5/10 off 5 over was a glimpse of what Nathan is capable of. He's competitive spirit will lift any team and I look forward to a full inform season from Nathan in 94/95.

### WINSTON GREEN

Winston came to us from "B" grade and was a great addition to the team. Winston is clearly a batsman with alot of ability, he often produced some solid innings at the top of the order when called upon to do so. Winston was a good team member and never short of his wit no doubt obtained during his law studies. I believe if Winston gained just a bit more confidence in his own batting ability the runs will once again flow freely as they have in the past.

### FINALLY

To those whose stays in "C" grade were brief but never the less critical to us fielding a full side every week. I. Barton, G. Sanders, W. Feeney, S. Abercrombie, L. Owens, J. Davino, L. Sohail, D. Fayers, G. Kenny, W. Saunders, S. Percival, J. Cronan, T. Le Breton, A. Ali, S. Fitzhenry, A. Berghin, K. Collins, R. Gentles, T. Manning a big THANK YOU. I know the majority of you will be mentioned in other captains reports.

Thanks also to our boyat Cheer squad/scores the Purdons especially Criag for substituting for us in emergencies, Alan Mitchell (always on standby with Dennis Purdon) and Ingrid our physiotherapist.

I thoroughly enjoyed my role as your captain this season, thankyou for your support and effort throughout the season.

I eagerly await next season when I'm sure the results can match our enthusiasm and ability see you at the pre-season practices.

This was clearly one that got away due to some poor fielding under pressure and the fact that at 6/184 on the first day Auburn should have posted alot more than 207. That said however 207 should have been a winning score when Epping were 7/173.

Total heartbreak! With 262 Auburn should always have won this game after having Macquarie 7/206. 8/245 and 9/256. Macquarie won with a 4 off the last ball of the day. There is no greater example of how every single run counts, yes I have rebowled that last ball 1000 times in my mind.

The lowest point of the season! The bushfires, the traditional absence of players after Christmas and a lack of commitment made for an embarrassing 2 days for Auburn "C" grade.

Auburn back to strength showed once again what we were capable of, thanks to superb innings from Toni Ross and Trent Owens and some fantastic bowling from Dan Burton. Ted Suchy's 19 n.o. may not look great on paper but it was an innings that steadied the game at 4/124 and allowed Trent to do the work.

No excuses we played badly. The game was there for the taking after some great work on day 1. It's ironic that the opening batsman for Lane Cove who scored 76 left after his innings to go to a wedding never to be seen again, he only played because some one did not turn up. (What a funny old game is cricket).

Day 1 we did very well to bowl out the competition leaders and subsequent premiers for 227. Michael Purdon bowled like a man possessed. Day 2 the wicket was saturated but we had nothing to lose, we wanted to make the semi's. Alas no miracles occurred and the 124 we got was a great effort and showed alot of guts.

You would not thin it could happen twice in the one season! After a fantastic first innings win thanks to great batting as shown and an unbelievable spell of destruction Nathan Willoughby 5 wickets for 10 runs off 5 overs Auburn desperate to make the semi's set Bexley 183 runs off 39 overs. Bexley won with one wicket in hand and 2 balls to spare.

## \* D \* GRADE CAPTAIN'S REPORT

Well, what might have been.

The D grade season kicked off with a hard fought victory against Canterbury by a courageous although disappointing loss to Roseville by a nine man field team who performed like men possessed. That effort combined with a big hitting 118 by a jet-lagged Jason Cook saw us fall only 18 runs short of a victory (one of the many games that got away).

What happened over the next two rounds was nothing short of miraculous. Two outright victories against Warringah and Pennant Hills saw Auburn "D" grade race to a big lead on the competition table. In a low scoring game against Warringah in which the bowlers dominated Wes Saunders, Paul Skinner and Gerry Kenny showed strong performances with the bat, Wes in particular starring with a magnificent 105 in the second innings. However the highlight for me was a mesmerising bowling display by Trent Owens who took 10 wickets for the match, including a spell of 7 overs, 6 maidens, 7 wickets for 6 runs. This set the scene for a strong season by one of Auburn's rising stars.

That positive victory was followed up by a strong batting performance against Pennant Hills. Gerry Kenny and Trent Owens both scored half centuries being well supported by Joel Cronan, Louis Sohal and Lloyd Owens. The bowling honours were shared with Judd Duhigg picking up 4 wickets in the second innings.

The next match against Holroyd saw the discovery of Simon Fitzhenry, whose innings of 54 oozed skill and ability. Simon has yet to reach his full potential, however, his debut season in Shires cricket showed that he is an exciting prospect. Simon was well supported in this match by Trent Owens (52), Steve Perks (44) and Wes Feeney (39 N/O) unfortunately the momentum which the side had built up over the previous two rounds was "stumped" by the intervention of rain during the Holroyd innings.

Epping was the next side to fall victim of the early season form of Auburn although early in our first innings things looked decidedly shaky. At 6 for 114 (having lost 3 wickets for 1 run) Simon Fitzhenry (76) was fast running out of partners. However a gritty and determined innings of 54 N/O by Marc Rouillon helped steer Auburn to a good first innings total of 274. Rain again looked like denying Auburn a well deserved victory but our persistence paid off in a stop start affair which saw Epping bowled out for 99, Judd Duhigg taking the honours with the ball with 3 for 23 off 12 overs well supported by all bowlers.

It was at this point in the season that Auburn started going backwards. After a great start to the season we managed to win only one of our last seven matches. Only just failing to make the final four we were to rue many missed opportunities. However I believe our decline was due mainly to the decline in people turning up for training together with our inability to bat out an entire days play all season!!! The sooner players realise that shires is not park cricket but a useful stepping stone to grade cricket (for which all young players should be striving) and a serious competition in its own right, the sooner Auburn will begin winning the comp.

Finally I'd like to thank all those players who played in "D" Grade during the season for their effort and support and I hope to see all the same faces next season.

Also key players missing at important games destroyed our chances but to the guys who filled in as late of the morning of the game and to all players thank you for a very enjoyable season.

## P & O CELEBRITY CRICKET MATCH

On the 6 March 1993 a celebrity cricket match was held in order to officially open the new extensions to Mona Park and to also commemorate the naming of the new facilities room in honour of our long standing President, Dave Tribolet. The occasion was also used to unveil a special memorial plaque in the dressing room to honour the memory of club stalwart, Frank Bignold.

The Mayor of Auburn, Mr Stan Hedges, was on hand to officially declare the facilities open and unveil a plaque to mark the event, together Mr George Toemoe, General Mayor, Auburn Council, a number of Councillors and also Mr Noel Laming, Chairman of the Sydney Cricket Association Management Committee. A Mayors X1 played the Auburn Presidents X1 in a 50 overs a side match, which was played before an enthusiastic crowd in bright sunny conditions. The Mayors X1 was led by George Toemoe and consisted of council representatives and special guest players such as:

- \* Steve Riscon, former Australian/NSW wicket keeper and current NSW coach
- \* John Dyson, former Australian/NSW opening bat
- \* Len Pascoe, former Australian/NSW fast bowler
- \* Steve Small, former NSW/Tasmanian State player
- \* Shaun Pope, Bankstown first grader - holder of highest score in first grade cricket

The Auburn side was led by "A" Grade captain, Matthew Troy, who took first use of the new ball. Auburn provided staff opposition to the Mayors X1 who at one stage were 4/33 due to tight bowling by Glenn Mitchell and Jim Gatrack (3/150), backed up by some excellent fielding. However, due to some vintage batting by John Dyson (46), hard hitting by Steve Small (16), excellent strokeplay by Len Pascoe (47), as well as young Toemoe Junior (26), the Mayors X1 managed a reasonable total of 168.

In reply Auburn batted solidly with the early order batsmen all getting amongst the runs, with Scott Abercrombie scoring 25, Paul Barton 19, Matt Troy 46, (Retired), Chris Wilkinson 36, (Retired) and Brendan Tarlinton 31. The Mayors X1 total was eventually passed by Auburn with loss of only our wickets.

The game was played competitively but with a touch of fun and was thoroughly enjoyed by all those present. To have the celebrity players give up their spare time to play in the match was greatly appreciated by the Auburn Club and shows that even in retirement they are a credit to the game and deserve the esteem in which they are held.

The success of the day was made possible by the sponsorship provided by the P & O Shipping Line and also Perfection Badges. The assistance provided by John Alvarez and Steve Rixon in arranging the celebrity line up deserves a special thank you.

The highlight of the day was no doubt the reaction and the look on Dave Tribolet's face when he saw that the new amenities room had been named in his honour. There is no doubt that the honour was a richly deserved one, for Dave has been involved with MONA PARK and cricket in the Auburn area for over forty years.

All in all it was a great day and one which will be long remembered by all those present.

Mike Wood  
Hon. Secretary
