PRESIDENTS REPORT

Gentlemen,

The 1978/79 Season was one of mixed fortunes. After being informed by the N.S.W.C.A. that our nomination for a 'C' Grade team had been rejected we found ourselves in the awkward position of having to select two teams from approximately 30 players. This was disappointing particularly to those players who initially missed selection and also to those who were selected in only a limited number of matches during the Season. The only good point coming out of this was the strong competition between players for positions in the teams throughout the Season and this was reflected by the final result of having both 'A' and 'B' Grades in the semi-finals and the Club winning the Club Championship, the first time since 1962/63.

Missing out again on a Premiership was to say the least, very disappointing however taking out the Club Championship was to me and I am sure to every Club Member, a very satisfying and pleasing result. This achievement was a reflection of the team spirit and harmony within the Club and credit for this must go to every Member but particularly to those who were stood down regularly due to the number of players available.

The 'A's started in great form with three first innings wins, a washed out draw and an outright in the first five rounds but then experienced a slight slump with a couple of draws and losses, however they finished equal first with Lindfield and Wentworthville but were relegated to third on percentage. The result of the semi-final was, as has been the case during the past few Seasons, determined by the weather with the second day being washed out completely thereby putting Lindfield into the final.

Presidents Report (Cont'd..)

The 'B' Grade had a similar start to the 'A's with five first innings wins and a draw after six rounds. They finished in second place and reached the final which was the first time for an Auburn 'B' Grade side. Unfortunately the good cricket played throughout the year by the team was not carried into the final and they were well beaten by a team who played 'final' cricket.

The making of the semis and taking out the Club Championship this year highlights the importance of picking up points early in the Season. Over the years points are hard to come by towards the end of the Season and the early leaders always seem to reach the finals.

Unfortunately I have to report that the possibility of having a 'C' Grade team next year is, at this stage, not good. After more contact and followup with Auburn Council plus the Auburn Combined Sports Committee it appears that these two organisations are determined not to even try and assist us and it seems that their interests lie in all other sports except Cricket. It is not difficult to feel bitter towards the Council and Sports Committee as it has been nine years since we requested their assistance in obtaining an additional turf wicket and during that period the amount of money poured into facilities for other sports in the Municipality would be staggering. We have, however, nominated for a 'C' Grade for the coming Season and we can only hope that sufficient neutral grounds can be found to enable us to have a third side.

There have been developments regarding the format of the Municipal and Shire Competition and some changes will come into effect for the 1979/80 Season. A number of meetings have been held during the off season of representatives of all Shire Clubs and it is intended that we form ourselves into a Council and have more say in the running of the M&S Competition. At this stage, all Clubs are represented by a

Presidents Report (Cont'd..)

four man Committee and discussions and meetings have already been held between this Committee and the N.S.W.C.A. - these meetins will continue and we are all sure that the proposals and possible changes to the formal and the running of our Competition will not only benefit all Shire Clubs but Cricket generally. I hope to have more details and information to advise regarding these points at the Annual General Meeting.

Finally, I would like to express my thanks and appreciation to all Club Members for their efforts this year and in the manner in which they represented the Club and a particular thank you to the Management Committee for the excellent work done throughout the Season.

DAVE TRIBOLET,
PRESIDENT.

SOCIAL ACTIVITIES

Our Social programme for the Season consisted of:

1. The fund raising night at Ken Collins home and even though the weather was shocking a good and successful night was experienced and a lot of thanks to "Case" and friends for their effort.
2. The introduction of the Punters Club resulted in a lot of fun culminating with a very enjoyable night out at John Ross's place at the Rocks.
3. Our end of season night out this year was a Chinese Banquet - again another great night.
4. Our first ever re-union of past and present players was held, firstly with a dinner at the Auburn-Lidcome Baseball Club and a Cricket Match the following day. These two activities were very successful and hopefully will be a regular event. Result and details of the match are listed further on in the report.

"A" GRADE CAPTAINS REPORT

This year we once again almost realised our ability and made the Final, but again, as in previous Seasons, we had to be happy to fill a lesser position in the Competition.

The reasons, only a few, I believe with probably fielding filling the number one position, not because any one person couldn't field, just that we couldn't sustain pressure constantly as a Team, because some one had arrived late to the game, or late home the previous evening or morning as the case may be, lets hope that next Season the "A" Grade Players adopt a more mature approach and appreciate they are, after all, playing "A" Grace.

Maybe when each and every member plays to his full potential we will reach our full potential as a Team.

Congratulations to Wentworthville on their victory in the Final.

JUDE FINDLAY
CAPTAIN.

THE "A" GRADE PLAYERS

TED SUCHY

Not probably one of Ted's happiest Seasons with the Club, and not because of any loss in ability, but let's hope next Season Ted can throw off the pressures of business and get down to the business of once again scoring runs. Remember Ted, all work and no play makes for bad averages. Once again Ted fielded well.

DAVID HARVEY

Dave again had a good year with the ball, again not batting to his ability, is a person who has gift of a good eye and untapped ability which will only come to the fore when he decides to become more dedicated, with more early nights as this last season showed, now that he is more older these late nights will take more toll on his form. Dave dropped more catches this Season than in all his previous years together, probably 3, but still was one of our best fieldsmen. I hope Dave takes these few criticisms the way they are meant, for the betterment of his cricket.

JOHN ROSS

John had quite a good year starring on a number of occasions, notably the Burwood game, where he positively destroyed their attack. Other than his starring performances John was always a steadying influence to the other team members and his running between wickets was always of the highest standard, was one fieldsmen that always gave his best.

"A" Grade Players (cont'd..)

KEN COLLINS

Ken was called upon this year to take over the important No. 3 Position in the side, a position which Ray Gentles had been handling but because of unavailability, the call went out for Case. He handled the job like he had been doing it all his life, holding down his end as though the performance of the Team depended upon him, which more than not, it did. Some excellent digs with none finer than his 80 odd against Burwood, where at one stage he let his head go and hit two consecutive fours. Top Season K.C.

DAVE STANFORD

Dave again had quite a good Season with the bat, showing again why he is one of the most feared attacking batsmen in the competition. He shared in quite a few quick partnerships with John Ross, which were all a pleasure to watch. Fielding again was of the highest order. Dave was the Vice Captain and I would like to thank him for his valuable assistance which was much appreciated.

RON JOHNSON

It seems no matter what I can think to write about this chap, it will only be a repeat of what I and others have written in previous years. The "Rev" had another great year with both bat and ball and in the field and always an inspiration to the other team members and always offered great advice to myself, and to more junior members of the Club. Congratulations on another top year.

IAN JOHNSON

What I could do with Ian probably is ditto his brother, but then again that wouldn't tell the true story because Ian is one fellow who doesn't know when he's bugged and refuses to show it. Gives 100% at all times and the amount of times this fellow and catches missed off

"A" Grade Players (cont'd..)

his bowling he could well have been excused for giving less but that's not Ian and its not the way he plays his cricket. Congratulations to you Ian on another fine Season.

BRIAN MOORE

The Seasons change but not Chica, not his best Season but another good effort, always tries his heart out for Auburn, and tries to instill his feelings into others around him both on and off the field. His best performance was in the first game against Lane Cove where he got us the points and if every player earnt the team six points we would win the Comp. Brian's batting was once again a feature in the "A" Grade. Good effort Chica.

BERNIE CLIFTON

Bernie this year finally cemented his place in the "A" Grade, but not just as a spinner, but in the role of allrounder. Some excellent performances in this regard. His fielding on occasions was quite outstanding and is one of the best readers of a spinning wicket around. Good year Bernie.

PETER KLEIN

Peter palyed a number of games in the "A" Grade and although not setting the world on fire he showed why he scored so many runs in the "B" Grade. Not afraid to attack the bowling. Now with a Season's experience of opening the batting, I hope to see Peter back permanently in "A" Grade also a top fieldsmen.

"A" Grade Players (cont'd..)

PATRICK PERCEY

How good it was to see Patrick back in the "A" Grade and though he didn't score hundreds of runs he did do the job that was required from him by holding down his end and solidifying the middle order and took some very good catches and got caught by the ball himself which changed his appearance for a few weeks. His experience as a skipper in the "B" Grade was also a help to me with some sound advice, thanks Pat.

Lindsay Rees, Felix Molski and Ray Gentles also played on occasions with the "A" Grade at all times giving of their best either with bat, ball or in the field for which I thank them and hope that these three gifted players will be again in the "A" Grade where they belong.

JUDE FINDLAY
CAPTAIN.

JUDE FINDLAY

Congratulations Jude on a job well done, both behind the stumps and the Captaincy. For the second time in 3 years he has captained the side to finish equal first on points only to be beaten on averages to gain the Minor Premiership. This alone speaks for his leadership and his ability to motivate and manipulate his players to achieve the highest results. Jude had a lean time with the bat this year but with his natural ability runs should flow again next season.

DAVID STANFORD.
VICE CAPTAIN.

"B" GRADE CAPTAINS REPORT

A disappointing end to a great Season. To have played extremely good cricket throughout the entire season and then to finish with one really bad game in the final was to say the least disappointing. But congratulations to Macquarie University who after just making the final four took their chances and finished up with the Premiership.

However it was pleasing to have made the final which was a first for the "B" Grade and to take out the Club Championship was a great boost for the Club and a credit to all players for their efforts.

For the first time for many years the batting of the "B" Grade was the strength of the side and to finish a Season with an average of 20.75% per wicket was an excellent result considering the slowness of Mona Park this Season. There were some fine individual performances highlighted by two centuries and seven players finished with an average in excess of 20. But the biggest asset in our batting was the consistent good partnerships, particularly for the early wickets.

Again this year our problems revolved around our opening bowling attack until late in the Season and it was left to the spin attack in most matches to dismiss the opposition. In the slow bowling department we were most fortunate to have quality and variety and this was backed up by consistent good fielding and excellent wicketkeeping.

"B" Grade Captains Report (cont'd..)

Thanks to Dale, Jenny and Ros for looking after the scorebook during the year and as always to our old friend Eka for all his work.

Finally a big thank you to every player in the Team for their effort, determination and co-operation - to say I had an enjoyable Season would be a gross understatement.

D. TRIBOLET
CAPTAIN.

THE "B" GRADE PLAYERS

DAVID VEIGEL (Vice Captain)

A good season by David scoring 308 runs at 22 and his constant good scores particularly in the middle of the season greatly contributed to our high innings totals. His knock of 69 against Canterbury was a first class effort and with Steve Finch put on 125 to set a new "B" Grade record for the 5th wicket. David was also our keeper early in the season but really shon in the field with some great catches after Finchy took over the gloves. David thinks well on the field and his advice and assistance helped me and the team considerably.

"B" Grade Players (cont'd..)

PETER KLEIN

One of the success stories of the season. Peter after a lean previous season as a middle order batsman took on the job as opener this year with tremendous results. He failed to reach double figures only twice during the year and scored in excess of 30 in five of his nine digs. His consistency won him promotion to open for the "A"s but he did not enjoy the same success and we had him back (gratefully) for the last few games. Peter wasn't called upon to bowl much this year however when required he did a good job. His fielding was good but not quite up to the standard we are used to from Peter.

LINDSAY REES

When a good player has a lean trot, nothing goes right and this certainly was the case with Lindsay this season. It was a shame to see such a talented batsman unable to get going yet every time he went to the crease we all expected that this was going to be the innings we had been waiting for, but unfortunately except for one good knock, it didn't eventuate. Lindsay is too good a player to let this season worry him and all I can say is that opposition bowlers had better beware next season. A special thanks to Lindsay for his attitude to the team and the game, especially in the field - he sets a tremendous example of enthusiasm and dedication and in my mind is still the best fieldsman in the Club.

BRETT TRIBOLET

A top all round season by Brett, his bowling has matured considerably and he is now thinking extremely well when bowling. At no stage during the season did a batsman get on top of him due to his good line and length and to have

"B" Grade Players (cont'd..)

an average of only 2.8 runs scored off his 96 overs was an excellend effort for a spin bowler. His 6/15 off nine overs against Lindfield which included taking four wickets in 18 balls for 2 runs was a matchwinner. Brett's accurary and consistancy earnt him the Club trophy for the bowling average and he brought up his 100 wickets for the Club. His batting was disappointing early in the season, however when promoted to open the innings he came good and in most matches got us off to a good start - a little more self confidence is required in the batting department. Another pleasing aspect, especially to me, was his 100% improvement in the field - he took the most number of catches in the field and generally fielded extremely well to finish high up in the points table. Congratulations on a fine season.

STEVE FINCH

It is a pity to Steve that he was unavailable for the first two rounds because in my opinion his keeping would have won him the fielding award. I consider it was the best and most consistant exhibition of wicketkeeping I have seen in Shires for many years. His figures of eight catches and six stumpings do not tell the story as his chances were limited due to type of bowling attack we had, but if he missed one chance well I can't remember it. As a batsman again he had a top season, having 12 innings he scored 248 runs at an average of 24.8 and put a lot of solidarity into our batting. His attitude and determination when batting is something that quite a few others should follow. His best knock was a great 69 against Minor Premiers Canterbury which resulted in the record breaking fifth wicket partnership with "Veigs". Well done Steve.

"B" Grade Players (cont'd..)

BERNIE CLIFTON

The other part of our main bowling attack, Bernie only played in the first six rounds with the "B"s as due to his success he was promoted to the "A" Grade and kept his spot well in the top side for the rest of the Season. He started the season in great form taking 6/19 in the first match and continued with this form to head the "B" Grade averages with 19 wickets at 9.1. Bernie was another bowler who batsmen couldn't score off, averaging 2.2 off his 78 overs. Bernie also proved this year what a good all rounder he is - batting at No.3 or opening he was extremely successful and headed the "B"s batting average with 185 runs in 6 innings at an average of 37, with a top score of 66 N.O. against Pennant Hills. An extremely valuable member of the team.

WAL SHEPHERD

Wal, on paper didn't score the runs he normally does although he only played in 8 games. Due to the strength of our batting this year Wal had to bat far too low in the order and most times he was in the position of having to push the score along which we all know is not his style. This along with not playing in every match did not do justice to his ability and consequently his aggregate is not what we are used to. Wal's fielding again was top class as he is still one of the best close to the wicket fieldsmen in the Comp. and overall has a very good attitude to the game.

FELIX MOLSKI

"Flix" came to us from the "A" Grade after being unavailable for a couple of games and as soon as he arrived our bowling attack took on a new look. Flix was another whose figures

"B" Grade Players (cont'd..)

don't tell the true story as on occasions he bowled too well and if anyone suffered from missed chances, it was him. Unfortunately his back problem reoccurred which effected his overall performance. Thanks for the effort Flix, you can be in my team anytime.

PETER FINCH

Pete had an unhappy season being one of the palyers who suffered from the glut of palyers. Unfortunately for Pete after such a good previous season with the bat, he couldn't get going in the early matches he played and as we all know vying for positions in the team was a cut-throat affair and consequently he missed the best part of the season. But Pete has a bright future and I expect to see him back in that No.1 Batting spot next year.

STEVE HOLMES

Steve "the professional wedding guest" only played in the last few matches and even though he didn't take a great number of wickets, he bowled particularly well and kept the pressure on the batsmen all the time. I would really like to see Steve play a full season as he would make a big difference to the team.

GERRY KENNY

Last but not least, the other success story of the year "Jezza" had a tremendous season by taking out both the batting aggregate and average trophies for the Club. Scoring 361 runs at an average of 30 was a magnificent effort, highlighted by a chanceless 102 N.O. against Macquarie Uni who thought Gerry was a nightwatchman coming in at NO.3 late on the first day. Gerry was one of the very few players in the Club who organised regular practice himself and the results show the value of this practice sessions. He set an example in his batting of absolute

"B" Grade Players (cont'd..)

concentration, determination and will to succeed - points I wish a few more of our batsmen would follow. Gerry also bowled well on the occasions he was needed and there was a big improvement in his fielding. If he can carry his batting form into next season, he should be holding down a permanent spot in the "A" Grade. Great season Jezza, well done.

My thanks to PETER JACKYMIN, STEVE KING, DARRYL WRIGHT, RAY GENTLES and DAVE FINDLAY for their efforts, their appearances were limited this year, mainly due to the number of players available and I appreciated their attitude and support.

DAVE TRIBOLET,
CAPTAIN.

DAVE TRIBOLET

Congratulations Dave on a job well done. Dave had a fine season as Captain of the "B" Grade and steered us to the final. Unfortunately, having played well throughout the year we "lost a wheel" and were thoroughly beaten. Dave managed to snare 18 wickets and this brings him to third on the Club wicket taking table. Dave is now a Methuselah to Auburn Shires and I hope he feels he can give us a few more years of his captaincy. Again thanks Dave for an enjoyable season.

DAVID VEIGEL,
VICE CAPTAIN.
