IN MEMORY

of

LEO FARLEY

1940 1999

*We first came across **Leo** a number of years ago when his son, Ken, first commenced with the club. The only time **Leo** would miss a match, home or away was if he had to work, but he usually organised himself so that didn't happen often.*

His regular appearance continued when his younger son Andy arrived at the club and he had to try to cover both the boys at different grounds and as he didn't drive this was not easy, but somehow he managed it.

***Leo's** input to the club was invaluable. He always put up his hand for any job, was at the ground to assist practically every playing day, attended all the social functions and was a real club man.*

*He didn't really want to accept a committee position as he thought someone younger would be better suited, but this did not stop his contribution to the club. Consequently, he was elected as **Vice President** and later as **Club Patron**.*

*In his position of **Director of Granville RSL Club**, **Leo** also organised this venue for our meetings and social functions. This association of the two Clubs still continues.*

A great contribution by a great bloke.

PRESIDENT'S REPORT

A difficult but at times rewarding introduction to the role of President. I believe we still have some work to do in order to return the Club to its former position of respect within the Sydney Shires Competition. The administration of the Club is working very hard to achieve this goal, but a lot of this responsibility must also fall on the players within the Club to perform more credibly.

One way we can all help to reach this goal is by focusing on your own individual performance on the field. Ask yourself this question, "What can *I* do to improve *my* performance and contribution to the team?"

On a brighter note, there were also a lot of positives within the Club which are worthy of mention, especially the performances of Robin Lopez, Kevin Wicks, Matt McDermott, Christian O'Neill and newcomer Shawn Freeburn. In particular, Robin's recording breaking season aggregate of 769 runs, including a new Club record 170 not out against Macquarie University was the standout performance. Jason Bell also had a great season, leading the fourth grade by example and breaking the Club fourth grade run aggregate with 480 runs.

The influx of a number of younger players into the Club was very welcome and encouraging. This was evidenced by the performances of the Frank Gray (U/24) team who won their first game in three seasons and were very competitive throughout the competition. A special thanks to captain Nathan Rugless, Brad Dowling and Kieren Richards who provided great leadership and encouragement for the younger players in the side. I would also like to thank Cliff Treloar for his off-field management and support of the Frank Gray team during the season.

Although they had a terrific first up win, the performance of first grade throughout the season was obviously disappointing, winning only two other games. There were some encouraging performances throughout the season, none the least that of Kevin Wicks who was rewarded for his loyal service to the Club by being selected to represent Sydney Shires XI in the representative match against the Combined Sydney Grade XI. I would also like to encourage Kieren Richards, whose eagerness to develop his skills as a leg-spin bowler is to be commended. I believe he has a lot of potential and I hope that his enthusiasm can rub off onto a number of players.

Second grade had an up and down season with some fine performances mixed in with some average ones. There seemed to be no difficulty in bowling teams out, led by Matt McDermott and Christian O'Neill who were the leading wicket takers in the Club this season, but the batsmen really struggled to take advantage. More application and discipline are necessary if the team is to move towards the semi-finals.

Third Grade have been a consistent performer over the past few years and again made the semi-finals this season. A lot of their success can be attributed to the strong leadership and guile of their captain, Mike Wood. Mike was very well supported by Robin Lopez, whose individual performances I have already highlighted. It was a good overall performance from this side with all players contributing at one point or another, and making strong claims for promotion to second grade next season.

A lot of the success of fourth grade could also be attributed to the performance and inspiration provided by their captain, Jason Bell. Jason at times had a very young and inexperienced team under his charge, but their respect for their captain meant they were willing to go into 'bat' (pardon the pun) for him and their team. The future for fourth grade and the Club looks promising as that for a lot of the players it was their first season on turf.

For the first time in the history of the Club we were able to field a 'fifth grade' in the newly formed Metropolitan Cup competition. Stan Madden is to be commended for leading this team under at times extreme circumstances. The quality of this competition was grossly under-estimated by the Club, and combined with the all too familiar late withdrawals (usually from higher grades) made Stan's job incredibly difficult. I would like to thank Stan and all of fifth grade for their efforts.

Their are a number of other people who deserve a mention for their support of the club during season 98/99, including:

- Auburn Council and the ground staff at Mona Park.
- Boyded Holden and Stephen Wild as the Club's major sponsor for the season.
- Perfection Badges and Ted Suchy for their ongoing support and another outstanding Annual Report.
- Bausch Printing
- Our scorers Reneé Nelson and Don Rose.
- Michael Potter, Danny Dias, Nathan Deery and Peter Aboub for their work in putting down the covers each week.
- Terry and Keith Ward for their tireless work in making the canteen the success it was.

On a personal note I would like to single out a very special individual for his dependability and tireless work. He made himself available every Wednesday to prepare nets for training and was there from start to finish. He was also there every Friday organising for covers on both wickets and was always the first to roll-up his sleeve when hard work was required. If you don't know who I'm talking about, it is probably because he doesn't make any fuss, he just gets the job done. I am of course talking about the Clubman of the Year, Michael Potter.

I would also like to thank the Committee for their support during the season, in particular Michael Wood, without whom this Club would struggle to survive. He has provided invaluable assistance to me in my first season as President. Thanks Mike.

Finally, I would like to thank everyone for giving me the privilege of representing the Club as its President. I am encouraged by the level of enthusiasm being shown by a number of people, even after the end of the season, working towards making season 1999/2000 a successful one. Lets all work to win the Club Championship next year.

SECRETARY'S REPORT

This season saw the club obtain much needed sponsorship from Boyded Holden at Parramatta, which it is hoped will develop into a long term relationship. Sponsorship such as that provided by Boyded Holden is vital to the club's long term survival and all members are encouraged to strongly consider Boyded Holden when looking to purchase a new or used vehicle.

It was pleasing to see a large number of young players join the club this season, players such as Ben Treloar, Shawn Freeburn, the Novosel twins, Chris and Jason (I still can't tell them apart), Nathan Deery, Jonathon Noyes, Jason Madden and Matthew Gruszka are all players with a bright future and will form a strong player base for future years.

For the first time in the club's history we were able to field a 5th Grade side, which competed in the newly formed Metropolitan Cup, which was made up of both Shire and Grade clubs. The team was captained by Stan Madden, who did an excellent job in guiding and developing the young players in the team.

The most consistent team throughout the season was no doubt the 3rd Grade side which just missed out on a major semi-final berth after having a draw in the qualifying semi-final against Lindfield, who only needed to draw the match to secure a semi-final spot and played accordingly.

The lack of commitment to training by a large number of players continues to be an on going problem and is reflected in the inconsistent performances of some players throughout the grades. Whilst it is understandable that players cannot make all practice sessions over the course of a season, it would be nice to see more players make the effort to at least attend practice when they can. When the club regularly only has around 10 to 12 players turning up for practice, as was the case after Christmas, it becomes a waste of time to have turf practice wickets prepared and reflects poorly on the club as a whole.

*There is no doubt that the most outstanding individual performance of the season was **Robin Lopez** breaking the club record for the highest individual score, when he hit a majestic 170 not out against Macquarie University. Robin's great season was topped off when he went on to not only break the club record for most runs in a season with an aggregate of **769** but also to break the Shires 3rd Grade run aggregate record as well.*

*Another outstanding performer was the 4th Grade Captain, **Jason Bell** who broke his own club 4th Grade batting aggregate record with a total of **480 runs** for the season, while **Andrew Loveridge** equalled the 3rd Grade wicket keeping*

record of 24 catches. Others to perform well were :

- *Kevin Wicks (1st Grade) 429 Runs*
- *Matt McDermott (2nd Grade) 40 Wickets*
- *Christian O'Neill (2nd Grade) 38 " "*
- *Michael Rose (3rd Grade) 35 Wickets*
- *Michael Egan (3rd Grade) 5/26 Including a hat-trick.*

Every club needs willing workers and none were more willing to help out at any time than Michael Potter, who worked tirelessly to ensure that the nets were up for practice, the covers were put down on both wickets every Friday night and was always at Mona Park to lock up after everyone had left. Mike's effort took a big burden off my shoulders and I appreciate his assistance. Thanks are also extended to Danny Dias, Nathan Deery and Peter Aboud who assisted Mike with the covers every Friday night.

Once again the club owes a great debt to Terry and Keith Ward for doing such an excellent job in running the canteen at Mona Park this season. 'Granny' certainly calls a spade a spade and keeps everyone, including the Secretary, President and Treasurer in line. The club also appreciates the time and effort put in by Renee Nelson (1st Grade) and Don Rose (3rd Grade) in undertaking the role of scorers throughout the season.

The club continued to enjoy a good relationship with the Auburn Council and are thankful for the support received from Robert Jurd, Group Leader- Parks, Mark Naudi- Supervisor Parks and also the hard work put in by Brain O'Connor, Graham Wilson and the other members of the ground staff at Mona Park.

On a much sadder note the club lost one of its keenest supporters when Club Patron and Vice President, Leo Farley passed away after illness. Leo had a long association with Auburn, which started when his two sons Ken and Andrew being former members of the club. Leo will be greatly missed by everyone.

In conclusion I would like to also acknowledge the efforts put in this season by our club President, Marc Rouillon. Marc stepped into some pretty big shoes when he took over the Presidents role upon the retirement of Dave Tribolet and was the only person willing to have a go. Marc will be the first to admit that it was very much a case of trial and error during his first term as President but I am sure that everyone would agree that Marc always had the club's best interest at heart and worked hard and enthusiastically at his tasks. Well done Marc.

Mike Wood
Hon. Secretary

First Grade Captain's Report

*It was to be the year of the **Eagle** looking at the 1st grade side pre-season. It looked like it was a fair call after crushing Roseville in round 1, but yet again it wasn't to be. After losing every round before Christmas except one, we developed some problems within the side which saw several name players leave the club before the new year. The club then had to rely on many untried 1st grade players and the side was unlucky to be beaten at the post in a couple of games. A good win against a strong Lindfield side and an easy outright victory in the last round against Lane Cove just proves that if the side works together and the senior players concentrate on their own game and not worry about what anyone else is doing, anything is possible. There were few bright spots in the season but one was the good form of Bradley Kevin Wicks and well rewarded with a spot in the Shires versus City Side. Kieran Richards is a very good prospect to go all the way if he works hard on his game and the art of leg spin bowling. On finishing I would like to thank all players who I captained over three years. We did have our ups and downs but I did enjoy my cricket. I again thank you. Not to be forgotten, Granny and Keith for the thankless task in the canteen every week. Without their support the Club would struggle.*

2ND GRADE CAPTAIN'S REPORT

The 1998/1999 season was again one of mixed fortune for Second Grade . It was a season which at the beginning promised so much , but for a number of reasons, the end result was disappointing . The team finished with 4 wins (one outright) from 12 games , but the constant changing of the side from week to week for various reasons was a hindrance, as it didn't allow the side to build any sort cohesion . It must be said that as Second Grade captain you certainly get to know most players in the club , because at some stage during the season they are bound to play in the team .

On paper the side had the talent to give the competition a good "shake", and whilst we managed to get ourselves into a good position to win most games (particularly before Christmas) , our below par application with the bat would often let us down . I can honestly say there were few teams in the competition with a better bowling attack , and for this Matt Mcdermott , Christian O'Neill and Damon McFarlane (otherwise known as prongs 1,2 & 3) deserve the credit . Often we found it easy to restrict the opposition to a reasonable total , but scoring the runs was a different story . If we can amend this problem next season we will be in with a big show , come the semi-finals .

Some of the highlights of the year were ;

* **Matt McDermott** taking **40** wickets for the year . His tally included a magnificent **8/51** against Hills and **6/43** against Roseville . Matt also finished with a respectable batting average of 13.50 including nine not outs .

* **Chris O'Neill** had another good season as the sides only genuine allrounder . Chris had an aggregate of **169** runs and **38** wickets . A great effort .

* **Greg Ryan's 63** against Lindfield which was a great knock considering his form previous to that game . It was all hard work and concentration with just a little alcohol remaining in his system from the night before .

* **Georgie Kassis's** knock of **69** against Lane Cove contained all the class we are use to seeing . George finished the season as the teams highest run scorer and averaged **26.88** .

* The great fightback by the lower order against Caterbury Bexley . At one stage we were 8/54 chasing 110 and at the fall of the 9th wicket we still needed 13 runs to win. Thanks to some dogged batting by Damon McFarlane and Matt McDermott we managed to pass the total and snare the points .

* A great outright win against Lane Cove, in which the "destroyers" in the second innings turned out to be our part time bowlers (including Nick Hopper our keeper, much to Georgies disgust) .

* Paul Costin who seemed to really benefit from the time he spent in England and was ultimately rewarded with a position in First Grade .

* Lastly I must again mention Greg Ryan, who for the second season in a row managed to spill some blood for the club . Fielding at silly mid on (which is a fairly apt position for someone like Greg) he was struck flush on the mouth by the batsman, knocking out some of his teeth and as a result producing quite a bit of blood . After finding his teeth some metres away , Greg then tried to resume his position, until of course shock set in and he was off to hospital (thanks to Cliff Treloar). On returning to the ground after being patched up , and never one to miss a beer after the game , Greg then proceeded to place a straw in his beer and carry on as if nothing had happened . There is no truth in the rumour that on the payment of fees next season a pint of blood will be extracted as an emergency fund just in case Ryno manages to stick his head in the wrong place again .

Thanks to the numerous players who were part of the Second Grade side throughout the season ; Nathan Willoughby , Ben Treloar , Clinton Daley , Raoul Barbon , Demi Sclavos , Jude D'Silva , Shannon Nelson , Shaun Freeburn , Michael Egan , Suresh Liyanage , Nandana Dissanayake , and Zaya Younan .

I hope to see everyone back next season and with some application I'm sure we can take the step from promising so much on paper to actually being genuine semi-final contenders .

Regards

Michael Holmes
2nd Grade Captain

THE 2ND GRADE PLAYERS

George "The Sheikh" Kassis

Considering George had an abbreviated season , his results with the bat were still quite good . Realising he wasn't in the best of form George showed that if you stick it out long enough the runs will come . Towards the latter half of the season he really started to show his class with the bat . George also took what can only be described as some interesting wickets throughout the year . He is testimony to the fact that it's not always the good balls that get wickets.

Captains Observation : George should never contemplate bowling leg spin ever again . Bowling a batsman on the second bounce is no reason to celebrate .

Greg "The Mouth" Ryan

Greg had a very mixed season by his standards , but again whilst he was not in great form ,he always valued his wicket . Ryno is a guy that lives and breathes cricket ,(he almost ate it against Blacktown) , and in saying that , you can never doubt Greg's commitment on the field . Greg showed in the game against Lane Cove that he can bowl a bit of spin , and could possibly be used as a shock weapon next season .

Captains Observation : Whether he is fielding at fine leg, deep long on , or short leg , my advice to Greg would be to keep his helmet on . It seems cricket balls have some sort of affinity with his skull.

Christian "Beavis" O'Neill

Chris showed again this year of his value to the side as an allrounder . Chris has a knack of invariably picking up an early wicket , and with Matt he formed one of the most accurate and effective opening partnerships in the competition . I would certainly rate him as one of the best bowlers in the Second Grade Competition . During stages of the season Chris showed he is a very capable batsman and I'm sure next season a permanent spot in first grade is not beyond him .

Captains Observation : Without his trusty sidekick towards the end of the season , Chris needed to blood a protégé and Damon seems to be coming along nicely .

Paul "Whatsit" Costin

After spending the off season in England, Paul came back a far more confident player and this was evident in his early season form . This form deservedly won him a spot in First Grade and he spent the remainder of the season there . Paul is a very enthusiastic player and this tends to rub off on the rest of the team which was something we missed when he was elevated .

Captains Observation : By batting two foot out of his crease and then marking his guard , he always gave the bowler something to aim at when the rest of the team was batting .

Nick "Olympian" Hopper

Nick had one of those years with the bat that everybody has (including the captain) , but I'm sure Nick will prove next season that he is still a very capable batsman . All he needs is an ounce of luck and the runs will come again . With the gloves Nick showed he is certainly no slouch and his footwork was very good . I must thank Nick for his assistance throughout the year , he certainly made captaining the side a much easier task .

Captains Observation : It is not beyond Nick to become an allrounder in the truest sense of the word . Not only can he keep and bat but he is also capable of bowling a few overs . Taken the step up from just being a net bowler .

Danny "The Panther" Dias

Danny is one of those players every team needs . He is a good batsman, an excellent fieldsman and always full of enthusiasm . I'm sure if it were possible to keep a statistic on runs saved in the field Danny would better most fieldsman in the competition . Danny's batting whilst not being spectacular, was solid and he was often under pressure due to a top order collapse which is a hard situation for any batsman .

Captains Observation : An excellent clubman .

Damon "The Man" McFarlane

Damon showed some improvement this season and at times showed that he has the potential to play First Grade . On his day Damon is the quickest bowler in the competition and if he were able to work on his consistency , he would an even better bowler . Damon also showed glimpses of his potential as an allrounder and a move up the order is not out of the question .

Captains Observation : Last season his over active hormones would sometimes hinder his performance , but this year the discovery of alcohol added to the problem . It must be said though he is one of the nicest young blokes you will meet .

Matt "The Machine" McDermott

Matt had a sensational 98/99 season . Matt lost nothing in comparison to any other bowler in the competition and I certainly would not have swapped him for any one else . Matt is the type of bowler who as a captain you can throw the ball to and know that he will pick up wickets and at the same time bowl almost unchanged from one end with not a word of complaint . Whilst Matt was not the fastest bowler in the competition he was certainly the most accurate and coupled with the fact that he can move the ball off the seam , all sides found him hard to play . Another extraordinary fact was that Matt was not out 9 times in 11 innings (at No.11) and I'm sure he was dirty on his team mates for not sticking around because he would always say he could feel a big score in him . Great season Matt .

Captains Observation : The only time I could get Matt to take a spell was when he had a few on a Friday night . Instead of bowling his customary twenty overs straight he could only manage ten .

3 RD GRADE CAPTAIN'S REPORT

After an indifferent start to the season which saw the side lose by 3 runs to Roseville and be well beaten by Holroyd, the team pulled itself together and achieved a number of excellent wins against strong opposition. During the course of the season the team recorded three crushing outright victories and narrowly missed out on two others.

Unfortunately an unexpected loss against Blacktown and a tie on the first innings against Epping proved costly in determining where the team finished on the competition table at the end of the competition rounds.

The team suffered an early blow when the side lost one of its opening bowlers, Mike Egan after he had joined the NSW Police Service and was unable to play after the early rounds. Mike had been in fine form and had taken 18 wickets prior to his departure, in particular an excellent spell of bowling when he took 5/26 off 7 overs, including a hat-trick, against Hills.

For the first time the Sydney Cricket Association introduced a 6 team semi-final format, which saw our side finish in 5th position and therefore qualify in the elimination semi-final, where we unfortunately had a draw against Lindfield. (summary scorecard attached)

In the elimination semi-final we had first use of a rock hard wicket that provided some movement to the bowlers early, with the team reaching a total of 193, which was not helped by two costly run outs. Auburn's bowlers worked tirelessly, especially after losing Russell Gardiner to injury for virtually the whole of Lindfield's innings, to have them 9/192 at the end of the second day's play. Evidence of how good the wicket was and how Lindfield struggled can be seen in the fact that at one stage we had them 7/127 and eventually bowled a total of 138 overs at them. All things considered though we should have won the match comfortably but let ourselves down by missing at least 6 catching opportunities. As the match finished in a nail biting draw Lindfield progressed to the main semi-finals, as they finished higher up the competition table in 2nd spot.

This season's team had all the makings of a premiership winning team with the mainstay of the batting being Robin Lopez, whose elegant stroke play and excellent technique are a roll model for any young player to study, the bowling charge was led by the lion hearted Michael Rose. Michael bowled with pace and aggression throughout the season and anyone who witnessed his herculean effort in the qualifying semi-final to take 3/88 off 42 overs on a flat track, in 35 degree heat against Lindfield could not help but admire his fitness and commitment.

Apart from the obvious talent of Robin Lopez, the team possessed a number of

fine stroke makers such as Andy Mihalj, Russell Gardiner and Mark Cotter, who were complimented by solid players like Daniel Bettiol, Andy Loveridge and Danny Dias, as well as the exuberance of young Ben Treloar.

Major highlights of the season were the outstanding batting exploits of Robin Lopez who broke the club and Shires batting aggregate record for 3rd Grade with a total of 769 runs for the season. Another player who showed tremendous improvement this season was the team's wicketkeeper, Andy Loveridge who took 24 catches to equal the club 3rd Grade record for a wicketkeeper. Andy was always enthusiastic behind the stumps and his general wicket keeping was always neat and tidy. Andy also contributed a number of valuable innings with the bat, including a top score of 92 against Lindfield in the competition rounds.

Whilst the team was not able to fulfill its true potential and win the competition, overall the season was very successful and one in which all players who played 3rd Grade had played their part. The team spirit was excellent and I considered it a pleasure to have captained such a good group of players. There is no doubt that everyone in the 3rd Grade side can go on and play regular higher grade cricket next season.

I would like to especially thank Robin Lopez for providing me with the opportunity and pleasure to watch his batting mastery at first hand and also for his support and input on and off the field. It would be remiss of me if I did not thank Don Rose for the tremendous amount of effort he put into the team in undertaking the scoring duties and unofficial role of Team Manager.

In concluding I would say a special thankyou to David Noyes who attended both days of the qualifying semi-final and to Jonathon Noyes, Clinton Daley and Stan Madden who also attended the match at various stages. I know all the players appreciated their attendance and support.

THE 3RD GRADE PLAYERS

■ **ROBIN LOPEZ:**

What can you say about the performance of Robin this season, other than to state the obvious that it was a tremendous effort. Robin batted with style and class all season to break the club record for most runs in a season with an aggregate of **769**. He also eclipsed the club record for highest individual score with **170 n.o.**

Robin has the best batting technique in the club and has an excellent temperament which allows him to concentrate for long periods of time. His professional approach to matches both on and off the field sets a standard that others could do well to follow.

Robin also had a fine year with the ball, taking 29 wickets with his off-breaks. His support to other team members and his tactical advice was greatly appreciated.

■ **MICHAEL ROSE:**

This was easily Mike's best season for the club, which saw him take on the role of spearhead of the side's pace attack. His superior fitness and stamina allowed him to bowl with pace and aggression for long periods of time in all conditions. This was evidenced by his great efforts in the qualifying semi-final when he showed tremendous guts and determination to bowl 42 overs, in the heat and on flat wicket, in the only innings that Lindfield batted. Would have taken a lot more wickets if all the missed chances he created had of been taken. Fielded well all season and can be a dangerous hitter in the lower order.

■ **MARK COTTER:**

Mark batted with a lot more consistency this season and provided experience and stability in the middle order. Played a number of good innings to steer the side out of trouble. Mark showed glimpses of his former glory days as a slip fielder by taking a number of fine slip catches(8) that not only surprised the opposition batsmen but also his own team mates.

Mark's good knowledge of the game provided valuable assistance to me as captain and also to the younger players in the side. A good club man who is always good to have in your team.

■ **ANDREW LOVERIDGE:**

One of the big improvers this season, Andrew proved with his consistent performances behind the stumps (25 dismissals) and with the bat, (290 runs) that he is ready to take the next step up and claim a spot in second grade next season. His fine efforts with the gloves saw him take 24 catches to equal the 3rd grade club for a wicket keeper. Andrew is another player who works hard on his game and his fitness, as evidence by him handling the difficult dual tasks of opening the batting and wicket keeping. Always made sure that the team never lost focus in the field and is a keen student of the game, always thinking and running ideas by the captain.

- ### ■ **DANIEL BETTIOL:**
- Daniel showed improved concentration this season to play a number of vital innings for team in his role as an opening batsmen. Whilst not producing and big scores Daniel was able see out the new ball attack and lay the foundations to allow the middle order come in and play their natural game. Daniel is a player who is conscious of his limitations and is working hard to improve his game. Once he learns to master the job of concentrating for long periods of time, the big scores will come on a regular basis. Showed that can concentrate when puts his mind to the task, when he scored a solid 32 opening the batting in the qualifying semi-final.

3RD GRADE PLAYERS CONT'D

■ ***JUDE D'SILVA:***

A good all rounder who started the season off well batting aggressively and scoring consistently in the early rounds until his form and confidence deserted him. Can be a very dangerous player with his aggressive approach in the lower middle/order when in form. Very handy medium pace bowler who bowled without a lot of luck, regularly beat the bat but just could not get the batsmen to edge the ball. This was Jude's first season in a couple of years and I have no doubt that with this season out of the way, combined with his natural ability with the bat and the ball, he will go onto bigger and better things next season.

■ ***MICHAEL EGAN:***

Opened the bowling in the early part of the season until he had to leave due to his new employment as a Police Officer. Prior to his departure Mike was heading for probably his best season with the club as he had taken 18 wickets, including a hat trick against Hills, in only 6 rounds. His absence from the teams attack was a big blow.

■ ***ANDY MIHALJ:***

The quiet assassin with the bat. Andy is a person of few words but plenty of action on the cricket field. A very gifted stroke maker who is capable of tearing an attack apart. Played a number of important innings during the course of the season, with the highlight being his 68 against Burwood, where he smashed their very strong pace attack to all parts of the ground, as well as his power packed 95 against Lane Cove. Both of these innings produced incredible stroke play for which the opposition had no answer and demonstrates the raw hitting power of Andy's batting when he is focussed. Excellent fieldsman in any position and very valuable player to have in your team. I hope to him back up again next season.

■ ***BEN TRELOAR:***

This was Ben's first season in senior cricket with the club and was very much a learning stage in his cricket development. Ben is a very promising leg spinner and batsman who will have gained a lot from this years experience. Ben can generate sharp turn which his leg breaks and once he learns to vary his pace and develops a more consistent line, which will come in time, he will take a lot of wickets. Ben has good batting technique and once he learns to harness his natural exhuberence, which causes him to lose concentration at critical times of his innings, he will have a lot of success with the bat and produce some big scores. Having said that it should be remembered that Ben is only young, with a long way to go in what should be a promising cricket career. A very good fielder with a strong arm Ben has the potential to develop into a fine all rounder.

■ ***RUSSELL GARDINER:***

Russell joined the team in the latter part of the season and made an immediate impact with his very aggressive stroke play. Russell left no bowler in doubt as to what his intentions would be when he came to the crease. This was Russell's first season after a couple of years out of the game and the way he was able to strike the ball, showed what a quality player he is. Also picked up a number of valuable wickets with his medium pacers, as well as showing his class as a slip fielder by taking a couple of excellent catches. The club needs players of Russell's quality and hope that this season has wetted his appetite to play again next season.

■ ***DANNY DIAS:***

Danny floated this season between 2nd and 3rd grade and is the type of player who always gives 100% commitment in every thing he does. Proved to be valuable member of the team and filled the difficult No.3 position in the batting order. Danny is the type of batsman who goes about his task with a minimum of fuss and quite often does not get the recognition that he deserves. Danny sometimes is his own worst enemy by playing a loose shot just as he is on the threshold of making a big score. He just needs to be a little more patient and the big scores will come. Would have to be one of the best fielders in the club. Danny is a great club man and is always a pleasure to have in your team.

■ ***DOUG RICHARDSON:***

A medium pace bowler who has excellent control of his line and length. Doug always goes about his job without complaint and never gives less than 100% commitment. Doug was often called on to bowl at critical times of the innings, when the opposition batsmen were starting to take control. On more occasions than not, Doug would either take wickets or stem the flow of runs. If any wicket was a bit variable in bounce and pace, Doug was the perfect bowler to take full advantage of it because he always bowls at the stumps. Doug is a good acquisition for any team to have.

Fourth Grade Captain's Report

To say that I am personally satisfied with the season just passed would be an understatement. As an individual I was able to work with many fine young or not so young eagles, take a couple of wickets, hit a few runs and taste a great deal of team success. Of course, playing in fourth grade means that there is always going to be an element of dissatisfaction during the course of a season. As usual this revolves around the perception of player responsibility. As members of a sporting club, everyone has the responsibility to do the right thing, or otherwise sporting clubs don't exist. The early payment of fees, punctuality to games, attitude to availability and the problems with pullouts are some of the more important issues. We are not the tax department, so don't avoid the fees issue. Cricket is not a blind date, so don't pullout at the last minute in some sort of avoidance of playing. As soon as many players fix this attitude, my job as captain wont be as difficult as it has been trying to fill positions at 11 am on a Saturday morning or continually having to chase people to finalise their fees. Let's be fair to our club and us and fix this attitude.

On the results front, things would have appeared a lot better had we been able to continue the good form that we had prior to Christmas, but unfortunately, running into some good teams with our playing strength stretched managed to take its toll. Had we drawn some of those sides in a reverse order, things may have been very different.

This year saw many new faces join Auburn in fourth grade, including the Novosel twins, Johno Noyes, Sean Freeburn, Matt Gruszka, Nathan Deery, Andrew Simon and Shannon Nelson. All of whom I would like to thank for their efforts and determination in a season that for many was their first on turf. This new blood has already started to pay dividends and I look forward to watching their progress next season.

I would also like to thank the advice and help that I had from some of the older faces in the team, such as Dave Noyes, Nat Andrews, Mick Potter, Doug Richardson and the cast of many others including Blommy for his many phone calls about score books, new and old records and required results. I could not have done it without you all.

To the rest of the side, thanks once again for putting up with me, my own attitude at times and my bad jokes. I hope that I have managed to point the side and the club in a direction that brings out the many positive things that we see each year. Best of luck to everyone next year.

Jason Bell
Fourth Grade Captain

THE 4TH GRADE PLAYERS

Sean Freeburn

An exciting addition to the Eagles Nest this year, who gives 100% to everything he does. Whether it is batting or bowling, he is highly skilled at both. Averaged over 30 with the bat and under 20 with the ball. A real success story this season. Sean will give the higher grades something to think about next season. A great talent.

The Novosel Twins (Chris & Jason)

I am going to do a combined report for both of these players, as even toward the end of the season, I still couldn't pick them apart. They are identical in many different ways including walk, height, looks, batting style, throwing, running and the list goes on. Both made their mark on the game at differing times. They are both exciting batsmen and very talented bowlers. They will improve on this season's performance with more patience, experience and time at the crease. More great seasons ahead.

Johnathon Noyes

Another rising talent in the side that has many strings to his bow. Johnno is a brilliant keeper, tenacious batsman and a fantastic motivator. Without him talking behind the stumps like he did all season, some players might have fallen asleep. He calls it accurately and gets behind everyone in the side. This is a fine attribute and one that Auburn will find most valuable in the years to come.

David Noyes

Dave struggled to find the form that he has had in years gone by, but managed to give his usual 110% to every game. He sees the game tactically and offers many suggestions throughout the course of the afternoon, which I appreciated immensely. Showed quite a number of people over the course of the season that there is still plenty of life in the old bloke yet.

Nat Andrews

Nat managed to take the wicket taking awards in fourth grade this year with what was probably his best season ever. Taking 25 wickets and amassing 70 runs proved that Nat has what it takes to match it with the top order in any side! Again this year he managed to beat the bat more times than Mick Wood has had a can of coke. We can only wait and see what Nat will do next year.

Matt Gruszka

Another new face at Auburn who has tremendous ability but will probably be better off for a first season under his belt on turf. Can manage to bowl very fast, but needs to concentrate on putting the ball on a better length. A technically correct batsman, who with a little luck should go on to hitting some very big scores. I look forward to his positive attitude returning next season.

Doug Richardson

A player who gave it all for Auburn on every occasion. A masterful bowler who can move it both ways and take those critical wickets when they count. As a batsman, Doug is reliable and consistent. He takes his opportunities and keeps a level head. His patience is immeasurable as he puts his head down and makes the opposition earn his wicket. I look forward to having Doug alongside me next season.

5 TH GRADE CAPTAIN'S REPORT

With a large influx of young players to the Club for season 1998-99 a late decision was made to enter a side in the newly formed Metropolitan Cup. We decided to use the 5th grade to foster and prepare the young players for the higher grades.

At times throughout the season, I myself, as well as Grant Sanders and John Morrice must have looked like baby-sitters taking the field with players aged from 14 to 17 years. Yet these kids (I use the term loosely) all performed well at times on the field and showed a lot of teams you can play the game to the best of your ability, hard, and still play and act as gentlemen.

Our success on the field should not be measured by our 1 first innings win throughout the season. The 5th grade success should be measured by the relative success and stability of all the higher grades, with most of the younger players stepping up to fill in the higher grades when they were short. The big success of the season was the performance of the Club's Frank Gray Shield side and to see the young Auburn players performing so well against higher graded players from other clubs.

What I saw with the younger players was the shock on their faces at the end of a day's play of 85 overs. and as the season wore on not only did they keep coming back each week but they learned to relax between overs to make the day's play less tiring. With the bat it will take a little longer for the true ability these young players showed at times to shine through as they learn to be more selective with their shots and that 85 overs is a long time to bat and build an innings.

I have been honoured to watch these kids mature into gentlemen and represent the Auburn D.C.C. I hope to see all these young gentlemen at the start of the 1999-2000 season as they grow to be the backbone of our Club for the future.

STAN MADDEN

5th Grade Captain

THE 5th GRADE PLAYERS

Throughout the season we had 30 players, many of whom had never played on turf before and should be proud of their progress and the experience they have gained.

JOHN MORRICE

May not have had a good season with the bat, and yet his knowledge of the game and his work with the gloves still has me lauding him as the best wicket keeper in any of the lower grades in any club I have played against. A true gentleman in the flesh!

GRANT SANDERS

After a season off, the love of the game has brought Grant back to us. A punishing 80 against NSW Uni showed he can still hit the ball hard, yet some of his other innings were more pleasing to me as he was trying to be a batsman not just a big hitter. Another string to Stan's bow is his medium pace bowling, as we discovered, with a fine 4 / 38 against Canterbury-Bexley.....a top effort!

NATHAN DEERY

One of the crop of young players who learnt a lot from this season. Nathan's 33 against Pennant Hills after he first retired sick and came back when we really needed him showed a lot of grit and determination for the future. As a bowler 3 / 18 against North Sydney was one of many promising spells of medium pace bowling.

JASON MADDEN

The oldest of the young crop has the ability to become a very good left arm spin bowler. His 4 / 59 against South Sydney showed that with more work and control he can achieve some really good returns in the future. As a batsman, a score of 33 against NSW Uni was a good effort and gives him something to work on for next season to become an all-rounder.

SAJI DeSILVA

At 14 years of age this young gentleman will become a very good cricketer. A very consistent swing bowler, his 3 / 36 against Eastern Suburbs showed that with more matches under his belt he will be difficult to handle. As a batsman, 26 against North Sydney, showed that with more patience 'Sarg' will score a lot more runs as he gets older. He has all the shots and can become a quality all-rounder.

PETER ABBOUD

Peter is a good trier and with more experience can become a competent batsman and bowler. Tries hard with everything he does and pays particular attention especially when you wake him up in the field! Remember, Peter, keep on your toes.

DENISH ABEL

Denish was with us for only 2 matches but 6 /42 against Canterbury-Bexley and a 37 against Eastern Suburbs showed that with more experience he can become a very good all-rounder.

CHRIS & JASON NOVOSEL

These brothers act like brothers, arguing with each other, and yet displayed real talent with both bat and ball. I predict a bright future in the game for both.

PARENTS

I wish to thank all the parents for their support of not only their boys but the whole team. Your attendance at games was much appreciated and good for team morale. Many thanks and hope to see you back in 1999/2000.

STAN MADDEN **5TH Grade Captain**

The following players wish to congratulate Stan on his magnificent effort in winning one of the Club's most prestigious awards: M. Holmes ,N. Hopper, G. Sanders, P. Smith, J. Morrice (5 ducks each). Thanks Stan and QUACK ,QUACK ,QUACK !

Eagle Cup

Held at Rosnay Golf Club, Auburn

The Annual Eagle Cup proven to be another success this year, 31 players attending (1998 had 20 players and 1997 had 29 players). Johnnie Walsh came out to clean up the current crop of Eagle players and take the Eagle Cup. Hopefully he will be there next year to defend his title, along with the normal good attendance from past players. Unfortunately no Eagle was able to score an eagle thus winning free drinks for the afternoon, last time it was won by a teetotaler – Adam Lawson

The sponsors deserve a special mention, Ron Eager, Dave Tribolet, Brett Tribolet – All Round Sports and Wilston – Kingsgrove Sports Centre. The prizes were very good and made some of the boys happy (Roule had that stupid expression kids get when they wake up on Xmas morning and Santa has delivered a new set of pads). I would like to thank Teri (and Keith for doing what Teri tells him to do) for running the shop. Also, Nick Hopper and his help with organising players and scoring (of course I told everyone to be there by 7:00 and turned up at 7:30). Without their help the task would have been too much for one.

Unfortunately Burto's record of 139 for a round of golf was not threatened but Michael Rose and President Roulan showed potential, just keep the head swinging the feet moving and bring the club down like an axe. Probably the highlight of the day was seeing the transformation of Brad Dowling. He was given a handicap of 7 after he proved he could talk the talk before the round, he harboured dreams of upcoming glory, but by closing time his game was back in the repair shop. He did have his name on the long drives until his ball was flown first by Pat Percy then by Greg Birt, well done. John Noyes quickly earned the tag Happy Gilmour due to his swing technique and the stupid laugh, unfortunately his golf game wasn't to prove quite so chirpy.

This year proved a good guide for handicaps next year, it also helps when you bring a beer for the handicapper. I told the pro that I would make sure no players were caught drinking, however he forgot to get someone to check I wasn't drinking. So start practicing for next years game, and lets get even more players. I will again book the Royal & Ancient Rosnay for next year's round.
