## PRESIDENTS REPORT

It certainly gives me pleasure to report on the Clubs performance for season 1989/90.

On the field it was one of our most successful seasons for quite some time, and I would take this opportunity to comment on each of our teams.

The 'A's finally broke through for that coveted trophy - we have been threatening to do this on many occasions and after 26 years of losing semis and finals we finally have our name again on "THE BIG ONE". For the past few years we have been saying we have the players to win the competition and this year it happened due, in my opinion, to the knowledge, experience and ability of Tom Wood - Tom has the knack of getting the players to perform as a team and to the best of their ability. This team is still improving and there is no reason why we can't match our great 'A' team of the sixties and win three in a row.

Ken Collin's 'B' grade were a little unlucky with more than half the final being washed out - the way they were playing they could have beaten any side if all things had been equal, as evidenced by the ease in which they disposed of second placed Wentworthville in the Semi-Final. This is a very talented team, well captained and has a number of players who will be seriously pressing for 'A' selection next year.

The 'C's led by Ray Gentles also made the Semi's, however they did not perform to their ability in the match and could not go on with it. Again a team with several players with ability to play in higher grades and I can see a lot of pressure being applied to players in the 'A' and 'B' next season.

With the 'D' grade being the last selected each match they obviously were hardest hit with pull outs etc in high grades, and in fact 36 players turned out for the 'D's this season. Notwithstanding this they were extremely unlucky to miss the final four, by a single point, due to an unexpected result in the final round where a tie occurred after we had won outright. Trevor Lebreton did a great job in his first year as Captin and after a slow start, had the team really firing right up to the final round.

Finishing third in the Club Championship (one win away from first) indicates the overall strength of our Club and this is one Trophy I know we can get our name on again very soon.

Further success was achieved with our under 24 team - winning their three rounds easily and being favourites to win the final, however with the final being washed out they were declared joint premiers. Most of the players in this team qualify again next year and under skipper Demy Sclavos will again give a good account of themselves.

One disappointing aspect is that we still can't get rid of that contagious decease called **UNAVAILABILITY** - there is still far too many players pulling out of games for what I feel is pretty poor reasons - who knows what more we could have achieved if more players had committed themselves for a full season.

Our finances are in a reasonable state, bearing in mind we have a good stock of new cricket balls for the coming season. Our income this year was boosted by an increase to \$1000.00 in the NSWCA grant, our involvement again in the Golf and a successful raffle. On these points I believe the grant may be reduced next season due to a reduction in NSWCA income, this hopefully will be offset by the Golf where we believe we may be asked to assist in TWO Tournaments next season - I would take this opportunity to say thanks to those past and present players who participated in the Golf and also say how disappointing it was to see so many not turn up after committing themselves. Lastly, our thanks to our sponsor A & W SPORTING SUPPLIES as well as Pat Percey and Ted Suchy for their generous donation of goods for the raffle.

During the season, a re-union dinner was arranged for past and present players and those that didn't make it missed a great night. To commemorate the night medalions were awarded for milestones achieved by players - in this regard the Club is extremely grateful to Ted Suchy for this magnificent gesture of donations of the medalions. Appreciation also goes to Michael Wood and his sub-committee and also to Leo Farley for organising (with some difficulty) the venue. The success of this night was such, that we have been requested by many members to make this a regular event.

The Club this season accepted an invitation to play against a touring English team, Lincolnshire County Colts at Mona Park - this was a great day and thanks go to many for their assistance, in particular Mark Cotter, Trevor Lebreton, Bob Hadley and our umpire Ted Manning. Our hospitality must have been appreciated as we have been asked to host another touring side, Essex Eagles in January 1991 - we have accepted.

I think we should be very satisfied with the condition of both wickets and outfielders at Mona Park this year. Except for one end of the main wicket being a problem on wet days, the general standard was very good and we express our appreciation to Andy Donaldson and the ground staff.

A decision will need to be made at the Annual General Meeting re a name change for the Club - this has come about due to the M & S competition being re-named the Sub-District Competition in the very near future. The concept of Municipal and Shire areas will also change with the possible introductions of new teams - and incidently we are the only Club still with the word Shire in our name.

I would like to express the Clubs thanks to a number of people, in particular:

- \* LEO FARLEY - For this assistance in arranging use of the Granville R.S.L. Club for committee meetings, A.G.M. and Social Functions.
- \* A & W SPORTING SUPPLIES - To John, Michael and Brett for their financial assistance.

\* BOB HADLEY - for all the behind the scenes work.

and finally -

\* FRANK BIGNOLD - for the tremendous amount of work he does at the ground.

Remember, people like this make life a lot easier for you players - lets not take them for granted.

Also my thanks to the Committee who were hard working and productive.

I believe we have reached a very important stage of our Clubs development and we can not afford to rest on our laurels because we have won the 'A' Grade Premiership - we need to keep going ahead in a positive manner as things just don't happen, we have to make them happen.

Finally my thanks to all Club Members for the sportsmanship showed - you should all be proud of your efforts.

PRESIDENT

TREASURERS REPORT

It is again my pleasure to present the financial report for the Club. The Club's position has changed little since last year with corresponding growth in income and expenditure.

As with almost every year our greatest expense was for cricket gear and cricket balls. This is an item that will increase yearly as the cost of cricket equipment continues to rise.

This season we also moved into the area of Club clothing (jackets, shirts, patches etc) and have spent nearly \$2000.00. Most of this clothing is still held in stock and can be purchased from Michael Wood & Dave Tribolet.

Some pleasing results for the year was the increase in income from refreshments, more than \$600.00 on last season, and the money raised from our raffle held in the first half of the year.

On a less pleasing note, considerable effort was again needed to collect fees for the season. Come on guys next year lets have all fees paid by the due dates.

## 'A' GRADE CAPTAINS REPORT 1989-90

It's with great pleasure that I sit down to pen this report, happily secure in the knowledge that after an absence of 26 years, our team has brought the elusive PREMIERSHIP back to the Club.

The combination of some very experienced cricketers blended with a number of "up & coming" players, proved to be the correct recipe, to lift the team from last season's 12th position on the competition table to first this year.

After assessing the comparative strengths of the opposing teams, I believe that we were, in fact, the best allround combination in the competition. Most of the other sides had their definite strong-points, but in the balance, we generally held an edge in allround ability. But unfortunately, we didn't always exploit the team's capabilities to the fullest, as evidenced by our indifferent performances in narrow losses to Lane Cove & Lindfield.

Like all seasons, 1989/90 had its share of ironies:-

- \* Narrow losses which should have been victories - Lindfield, Lane Cove, and probably Epping.
- \* Tight victories that could easily have been defeats - Roseville, Bexley.
- \* Leading the competition with 4 rounds to play, then having 2 consecutive matches washed out (receiving no points & slipping to 3rd).
- \* Then winning Semi-Final outright only to have both days of the Final washed out & winning the premiership.

"Indeed a year of anguish and joy"...

I think the most pertinent point about the season, was that as it progressed, the team developed in character & team spirit, with each player contributing to this development through their encouragement & support of each other. From a personal viewpoint it was a pleasure to captain such a co-operative collection of cricketers - for of whom I have grown an authentic fondness - (their attitudes made 1989/90 for me, THANKS FELLAS!).

The success of the team rested very firmly on the "assorted shoulders" of the well balanced bowling attack - which was instrumental in continually dismissing the opposition for very moderate totals. The efforts of the bowlers were supported on most occasions by "top drawer" team fielding performances. The Batting was a different proposition it could best be described as "brittle" (contrary to its appearance on paper), with some "Heart-Stopping" moments a feature, however by the business end of the season its true potential was beginning to emerge.

### BOWLING

The "KEY" to our accomplishments - all the Pace Bowlers were consistent, economical & penetrating, particularly - George Kassis who's outswing proved lethal, Mike Easey who's left arm seamers provided the variety & change of angle need, & Vinnie Connor who's enthusiasm & control never let us down; for the first 2/3 of the season they left the spinners very few spoils. Tom Wood's legspin & to a lesser extent Brett Tribolet's offspin came much more into play later in the season.

'A' Grade Captains Report Con't...

FIELDING

The fielding was generally good and at times simply "First Class" (eg. v's Canterbury). In this most important department of the game all team members "had a go" with Demi Scavlos, Kevin Wick ourstanding, special mention should be made of Vin. Connor, Mike Wood & George Kassis for their commitment in this area. Tony Ross's Wicket - keeping & drive were inspirational to the team.

BATTING

The team's "Archillies Heal", generally, the batting was disappointing, the team collectively has much more ability than it displayed. Most batsmen had their moments, but much too often, these moments were in isolation - the notable exception being the \*\*\*A Grade 2nd; wicket record partnership of 181 v's Strathfield by Craig White (77) & George Kassis (115 no)\*\*\* However, in the last 2 games (incl. the Semi-Final), when the pressure was really on the batting rallied very well.

It was also very pleasing to see two A Grade players the recipients of two of the Club's major awards:-

PLAYER OF THE YEAR - George Kassis (there could have been no other choice winner of A Grade batting & bowling average & aggreg.)

FIELDING AWARD - Demi Scavlos (without peer in the Club).

Finally, I'd like to take the opportunity to thank Norm Ross for scoring & his very welcomed company, Dave Tribolet for his support & commiserate with Ken Collins & the 'B's (time along beat them).

TOM WOOD

'A' GRADE CAPTAIN

## 'A' GRADE PLAYERS 1989-90

### MICHAEL WOOD:

Mike experienced a frustrating year with the Bat, exasperated by a terrible run of bad umpiring decision, still he tried hard, was competitive at all times & contributed in some useful partnerships; and most importantly "put in" in the field. On a few occasions he bowled some handy overs of Legspin - more use could be made of him in this capacity in the future. Mike also savoured "The sweet smell of the team's success". I'm sure next season he'll be back in the runs, particularly if he relaxes more during the games.

### JOSE (PEDRO) ALVAREZ:

Pedro played 7 games in "A" grade and displayed glimpses of his power - hitting ability in some handy innings. Notably 25 v's Lindfield & 44 v's Caterbury. He also bowled 43 tight overs of "straight - breaks" (although if you listen to him they all turned sharply). Jose was one of the club's real characters & always enjoyable to play with & I hope A & W Sporting Supplies & him both prosper next year.

NB. (He fielded much better at short-leg in the 'B's than in the 'A's ?)

### GEORGE KASSIS

#### **VERY RIGHTFULLY THE "CLUB PLAYER OF THE YEAR"**

George had a memorial allround season, a natural stroke player, he batted fluently & consistently to win the team batting aggregate & average. scored the only century 115 no, bowled penetratingly & accurately to secure the most wickets at the best average. George's emergence as a genuine strike bowler had a huge impact on our ability to win games. His attitude & willingness to listen also made him a very easy person to captain. Congratulations on a season to be proud of George.

### BRENDON TARLINGTON

Brendon played 8 games in 'A's, but couldn't put it together with the bat, Early in the season he kept wickets well - but an injury opened the door for Tony Ross & the rest's history. However, Brendon has the ability to fight his way back next season in some capacity.

### TONY ROSS:

Tony had a very fine season, he batted consistently throughout the year, particularly in tight situations eg - A great 60 n.o in the Semi-Final. His batting was highlighted by "sweet timing" & sensible aggression, but it was his wicket keeping ability that really shown - it was simply "top-drawer and an inspirational to the whole team. He was the 'Heart & Soul' of the Auburn team. A pleasure to Captain. Thanks for your support Tony.

## 'A' GRADE PLAYERS 1989-90

### DEMI SCAVLOS

Demi was another player who would have wished for more runs - his best efforts being a "Match winning 36 n.o v's Roseville & 23 v's Epping. However being the perfect team man on a number of occasions he threw his own wicket away chasing quick runs for the team. His drive & commitment in the field was a "Tonic" to team. Demi ranks with the best slips fieldsmen, to spin bowlers, I've played with - some of his catches.

**WERE SIMPLY SENSATIONAL WINNING THE CLUB FIELDING TROPHY WAS "JUST REWARD"**

At various stages of the season Demi showed himself to be a very thoughtful cricketer.

Well played Demi.

### COLIN JONES

Col only played 3 games & decided he wasn't "Tuned-in" to cricket. Which was unfortunate because he looked a capable & experienced leftarm pace bowler, who could be contributed well to the team effort.

### BRET TRIBOLET

Brett had a mixed season, he batted very well on a number of occasions. Notably as "Night-Watchman" against Lindfield - top scoring with a fighting 57, & a fine hard hitting 30 in the Semi-Final. However, without the burden of captaincy this year, A lot was anticipated of his bowling, but he never really struck any "consistent form", apart form a very tidy spell of 3/32 v's Baulkham Hills. This was probably due to the combination of lack of practice & the development of some technical faults in his action. Bret's an experienced slow bowler & with the correct application he'll come back strongly next year. Being able to finally hold the "A" Grade Premiership Cup made 1989/90 a 'Red Letter' season for him.

### TODD BURTON

Todd appeared in 7 games, bowling with aggression & spirit, his best efforts being 3/29 v's Wentworthville & 3/27 v's Pennant Hills. He played two vital short innings t help us defeat Roseville & Pennant Hills. He fielded wholeheartedly & only really lost his place in 'A' grade because of the need to bolster the team's batting.

### CRAIG WHITE

Craig established himself as the sound opening batsman we needed to stabilise the early batting. He played with poise & increasing confidence as the season progressed, evidenced by his splendid 50 in the Semi-Final. after we were sent in on a wet wicket. He also shared in a "A" grade club 2nd wicket record partnership, against Strathfield with George Kassis on 181 (Craig's contribution was 77).

His fielding was of the highest order, and his quiet manner made him both a pleasure to captain & very popular with his team mates. I believe, with his continued rate of development that next season he could be one of the most prolific 'run makers' in the entire competition.

Congratulations Craig and thanks for proving me right.

## 'A' GRADE PLAYERS 1989-90

### VINCE CONNOR

Vinnie had a very satisfying season, always keen & co-operative he produced many economical spells of medium paced bowling (best effort 3/22 & 3/7 v's Pennant Hills), proving himself adept at polishing of an innings. He held some remarkable catches at "short-leg" & with the bat figured in "Match Winning" last wicket 50 run partnership with Mike Easey v's Bexley, & importantly a competition winning one with Mike against Burwood. Vinnie is a thoughtful cricketer and "ideal team man" who has many productive years of cricket for Auburn ahead of him - well played in 1989-90.

### MIKE EASEY - THE TEAM "GENTLEMAN"

Mike's arrival at the club, was just what the "doctor ordered". A penetrative new ball bowler with the ability to dismiss good players. He was always willing to listen to advice & bowled dangerously all season, utilising deceptive movement off the pitch. I'm very pleased with Mike's success because he worked diligently at the indoor centre every Wednesday night to achieve it. His calmness in critical situations when batting, particularly in combination with Vinnie Connor got us out of some "tight corners".

He also held some handy catches at deep long on. A great first season Mike, your companionship was much appreciated.

### PAUL BARTON

Paul was promoted to the team for the Semi-Final & washed out Final, & he fitted in like he'd been there all season. He received a bad decision in his first innings, but shaped most promisingly in the 2nd innings. His fielding in this match was good (incl. A smart catch) & he "Partied" better than most after the Final.

Next season may see Paul a force within the Club.

### MARK COTTER

Mark played his way into the team after performing well in the "B"s. He also added more consistency to the batting, although not producing a major score. When elevated to opening in the last two games he formed a solid combination with Craig White. Mark's a competitive cricketer & I would like to see him improve his fitness level, which would aid both his mobility in the field & enable him to better overcome fatigue, allowing him to make some of the big scores he threatens to produce.

Mark's personality & sense of humour blended well in the team.

### KEVIN WICK

Kevin, featured in 7 "A" grade games, in what was a learning season for him & he didn't get many "opportunities" with the bat or ball. He maintained his enthusiasm & his fielding was "West Indian" like in its smoothness & greatly lifted the overall team efforts in this vital department of the game. Kevin's best years lie ahead and when properly harnessed his natural stroke making ability will yield many attractively made runs.

TOM WOOD

"A" GRADE CAPTAIN

"A" GRADE PLAYERS 1989-90 SEASON

TOM WOOD

It has been a great pleasure playing alongside Tom this year. His efforts and knowledge on and off the field have been invaluable. He "is" a class player. This success of this "A" grade side this year has, I feel, been due to Tom's form with Bat and ball and his inspirational drive to win at all times. His efforts in the Semi-Final alone enabled us to win the 'A' grade competition for the first time since 1963. His coaching and guidance have helped not only myself but all the players who played in the Premiership winning side this season. He was by far the best spinner in the competition and on many occasions bowled too well for some batsmen we came up against this year.

Finally, I'd like to congratulate Tom on a great season, personally and for the Club, and hope to see him leading the "A" grade to back to back Premierships next season.

"B" GRADE CAPTAINS REPORT FOR SEASON 1989-90

The season was exceptionally successful, finishing runners up and being only the second "B" side in the history of the Club to make it to the final.

Hearty congratulations are extended to Tommy and the "A"s for breaking the drought and winning the competition, the first time in 26 years.

Whilst the inclement weather was an ally for the senior side in the club, for the "B"s I feel it robbed us of an opportunity to take out the double. We will never know, however, having convincingly defeated the eventual premiers Burwood in only the second last game of the competition and really, that Club not performing in the final in a manner whereby a reverse of that result would have been achieved.....well that's cricket, I guess!

The past season was highlighted by some fantastic performances, particularly that of "Disco" Downtown, the hub of our bowling attack, well supported by Karrim Kassis and new comer, Chris Masterson. Batting performances were evenly spread, with individual contributions culminating in partnerships which laid the foundations for reasonable scores.

However, the most important aspect of any teams performance is its capacity to field and catch well. Certainly the side performed beyond, no, up to my expectations in this regard, some of the catches taken were spectacular efforts. This aspect of our game was a major contributing factor to success and allowed us to play attacking cricket and restrict oppositions to gettable scores.

I cannot recall any senior side being in a position five or six times in a season to extend a game seeking potential outright points. We did not achieve any outright results, but to be in such a position demonstrates the authority with which the team played and speaks volumes for the overall performance.

I thoroughly enjoyed on the field aspects of captaincy and experienced the most satisfying and rewarding season I can, or wish to recall. Reflections of the season and various opposition augers well for Auburn, with in my opinion, more younger players with potential to perform well in higher standards of cricket than any other Club.

Many thanks are extended to Ross Abercrombie (our 12th man) for his invaluable assistance and unequalled performance as scorer. Also thanks to Frank, my fellow captains and to the "evergreen" TRIBS for their loyal support and understanding from go to whoa!

KEN COLLINS  
"B" GRADE CAPTAIN

### SCOTT ABERCROMBIE

"Scotty's" debut season with the Clun, and he performed exceptionally well as a wicket keeper/batsman.

Early in the season, the pitches didn't bounce too much and consequently he struggled slightly with leg-side deliveries. However, as his confidence grew, so did his keeping improve to an extent whereby sundries were not a concern and everything "nicked" by the opposition batsmen was snared, missing out on equalling the B Grade record by only three dismissals.

He was also relied on heavily in the batting line-up and proved to be a hard-hitting batsman, wether high in the order or when bolstering the tail. Played all games, top season Scotty!.

### PAUL BARTON

Another debut player "Barto" or "Moose" found his niche when elevated to open the innings, highlighted by his 85 against Canterbury.

The strength in his batting is his straight technique, ideally suited to playing the new ball. A player who times the ball exceptionally well, "Barto" was going great guns until a northern trip intervened, however, he can be well-pleased with his efforts, which were appreciated by the skipper and team mates.

His fielding and some classic catching are of the highest standard and were rewarded with promotion to the "A"s resulting in a premiership cap. A handy bowler when called upon, "Barto" proved a partnership breaker on a few occasions. Thanks for the effort Paul!.

### BRAD BURTON

Brad overcame a terrible first half of the season to force his way back into the side and proved a reliable opener with scores of 36 against Lane Cove in energy sapping conditions, and a foundation 32 against premiers, Burwood being major contributions to the victories over those teams.

### MARK COTTER

A player with "Have-a-chat" qualities, "Cotts" or "Buda" proved again he is a better batsman than B grade standard. Mid-season he was promoted to the "A"s and contributed to the top sides success in winning the premiership.

### ALAN DOWNTON

The "Dis" really proved to be the class act with his incisive spin bowling. Combined with his aggressive attitude, everything seemed positive when he was involved in the game. A player with high expectations of himself and the players around him, cricketers of this calibre lead to successful clubs.

Other players seem to respond to his forthright approach.

I congratulate you, mate of a terrific season, highlighted by a match-winning 8 for 43 in the semi-final.

A great all-round performance includes invaluable efforts with the bat, particularly his 64 v Pennant Hills, which created a B grade record seventh wicket partnership, as well as some classic catches. One of the main reasons I enjoyed the season as I did.

Congratulations "Big Al" - a well-earned trophy winner.

### KARRIM KASSIS

"Kaarreem" or "Ninja" - a fast bowler who turned in regular top class efforts, a bowler who can maintain pace and accuracy over long spells.

When given the opportunity (he finally made a commitment to cricket), proved a valuable member of the "B"s attack. Karrim's efforts were well-appreciated by the team and he proved a popular and formidable member. Held some fine catches and I would be wrapped if he could "kick on" from here.

### CHRIS MASTERSON

A likeable character, "Masto" has the desire and ability to play higher levels of cricket. Elevated by performance to the "Bs" and after finding the wickets hard to come by in that grade early on, he blossomed into a reliable wicket-taker whilst conceding few runs.

Held some terrific catches, the ripper off "disco" when horizontal to the ground, a highlight. With more opportunity his batting should also be a force in future seasons.

### LANCE PENDREIGH

Any nickname you can think of, it's appropriate for this character. If Lance only realised the obvious abilities that everyone else knows he possesses.

This guy was going so well with the bat and ball, until "shades" brought him undone in Round 3, when he cracked a knuckle. Three matches after his return, he plunders 56 off Pennant Hills and establishes a new record seventh wicket partnership for B Grade.

What a player! What a man! One has the feeling that if lance is not grumbling about cricket, grog or whatever before a match, something is wrong with the team. One of the first guys picked each match.

### BRENDAN TARLINGTON

A welcome acquisition from the A Grade, Brendan filled important No.3 and opening roles with us in the latter part of the season, culminating in back-to-back solid scores in the semi and the final.

One of those guys welcomed by any team/club. He fielded with keenness and purpose. Brendan is a better player than his overall 89-90 statistics indicate.

### ROB WARNER

Proved to be a real surprise packet when promoted to the team and performed with distinction, however, a northern trip away and subsequent injury disrupted the progress made. Rob is an under-rated commodity with the ball. He occasionally tries a bit too hard consequently, accuracy is sometimes sacrificed in the cause for pace, not a successful preference, particularly in the higher grades.

You keep aiming for the top sides Rob!.

### NORM YOUNIS

"Normy", a potentially top flight cricketer if only he tempered his unquestioned desire to throttle everything when the willow is in his hands. When promoted to the "Bs" Norm grasped the opportunity and performed well.

NORM YOUNIS Con't

Established the "B" Grade record for the fourth wicket with the Skipper against Strathfield with a 5 for 85 (sorry Norm, couldn't resist), however, his 30 not out in the final was probably a better innings. A powerful batsman with a great "eye" and more than capable fieldsman. Norm should cement a place in the high grades, that is, if he puts his mind to it.

KEN COLLINS  
"B" GRADE CAPTAIN

KEN COLLINS (CASE)

As "B" grade skipper, "Case" did a great job getting the side to the final, which with a bit of luck (weatherwise) could have been a premiership.

He led the side by example and showed with the bat what technique, patience and concentration can achieve. As stubborn as chewing gum of the sole of your boot to dismiss, his gritty batting held the side together on numerous occasions. Whether he batted in the top or middle order, he was often the linchpin on which our innings were built - as his batting statistics indicate.

His performances were a major factor in 'B' grades good season.

It was a pleasure to be case's vice, although he seldom heeded my 'constructive criticism'.

Well done skip

## "C" GRADE CAPTAINS REPORT

The "C" grade side put in a creditable if not outstanding effort to finish in the four. I tried to give all players a fair go with the bat and ball as I believe this is the correct approach in C & D grade.

The season was highlighted by some strong batting performances which really laid the foundations for our semi-final position. It was ironic that our batting failed badly in the semi-final itself where Wentworthville deserved their win as they had been the best side all season. At various times some top innings were played by Graeme Langely, Norm Younis, Chris Masterson, Brett Henshaw & Anthony White. The team seemed to always bat well when we needed quick runs.

Our bowling struggled all the year and we probably suffered from the fact that "B" grade carried 3 spinners for most of the season. Generally the bowling lacked penetration. The most disappointing aspect of the season was the poor fielding. Rarely did the bowlers receive the necessary support from the fieldsman & many catcher went begging. Given this, we could probably count ourselves lucky to have made the four.

Some of our younger players showed considerable promise & should develop into higher grade players in the near future. My thanks to Vice Captain Steve Blomfield for his efforts during the season.

Ray Gentles

CAPTAIN

## THE "C" GRADE PLAYERS

STEVE BLOMFIELD Steve finished the season with 275 runs, a very good effort. Steve manages to produce this consistency season after season. Steve showed more aggression than in the past seasons & played some good knocks. A mid season slump cost him the chance of higher honours.

GRAEME LANGLEY Graeme had a great season with the bat playing some exciting innings as opener. Graeme was able to turn the game into our favour on many occasions. Graeme is a whole hearted & popular player with a good attitude. His bowling was below his usual standards this year. Next year Captain?

JOE DAVINO Joe is a stylish batsman who probably had by his standards a disappointing season. He hit the ball well but seemed to get out just when he should have been building a long innings. One of the few players to field well all year.

NORM YOUNIS Congratulations on a great season Norm!. Norm is probably the hardest hitting batsman in the club & deservedly won the batting aggregate for the club. Norms 124 against Lane Cove won us the game from an almost impossible position. It was great to see Norm do well in "B" grade later in the season.

ANTHONY WHITE A very promising cricketer who looks to have a bright future. Anthony has a great range of shots as well as a good defence and should have a big season in 90/91. Anthony showed his versatility by keeping wickets at times and bowling well in the semi-final.

BRETT HANSHAW Brett has heaps of talent & a great range of shots but seems to worry too much before he goes out to bat. Brett can tear an attack apart when in full flight as he proved both with us & in the U24's. Brett should either open or bat No.3 in my view next season.

WALLY SHEPHERD - A good campaigner for Auburn club & a player whose knowledge of the game was always of assistance to me. Wal always gives 100% and while he didn't bat as well as usual this year he gave some wholehearted bowling performances.

BOB WARNER Bob seemed to bowl better in "B" grade than in "C" grade this year. At times his accuracy let him down. Bob only get going with the bat a couple of times this year (once in U24's) but his 38 n.o. against Lane Cove showed his true potential. Bob should go well next season.

JIM GATRICK Jim showed great improvement with the ball this season and bowled very well in the semi-final. As Jims stamina improves & he learns to do a bit more with the ball Jim will develop into a top line bowler. Excellent attitude to the game.

MICHAEL HOLMES Michael is an excellent team player who always gives 100%. Michael bowled accurately this season without a lot of luck. Mike seemed to suffer more than most from our poor catching efforts. His batting was disappointing & he couldn't seem to bat his way out of a slump.

TED SUCHY - Ted scored over 150 runs in 4 games with us & had he played all season there is no telling what his aggregate might have been. A club "great" is Ted & we were all rapt when he became the highest scorer in our clubs history when passing the legend George Parry's aggregate. If only we'd had Ted in the semi-final!

COLIN JONES - Col is a class player who regularly filled in when the inevitable Friday night dropouts occurred. Col's attitude was excellent & I hope the younger players took note of the variety & thought that goes into Col's bowling.

RAY GENTLES  
CAPTAIN

"C" GRADE VICE CAPTAINS REPORT

RAY GENTLES - The "C" grade team in 1989/90 made fourth spot under the Captaincy of Ray Gentles. Although Ray's own batting was not up to his usual standard (126 runs at 21.00), I felt he suffered on many occasions due to a mid innings batting order change causing him to shuffle himself down to the lower order. This more often than not resulted in him not getting a bat on many occasions.

I felt his job was made very difficult during the season due to a number of circumstances, mainly the fact that the A and B grades were always in the top four meant that the selection process required regular C graders being promoted up to B grade when unavailabilities occurred, this being a VERY REGULAR event. Of course this meant that we never, ever had a full strength team on the field.

All in all, the season was reasonably successful. Ray's captaincy definitely contributed to the team making the semi finals. Hopefully next season will bring Ray better success than 1989/90 brought, because our poor performance in the semi-final was not what Ray deserved.

"D" GRADE CAPTAINS REPORT FOR SEASON 1989-91

The season started off slowly, due to lack of playing strength in our opening matches, losing outright to Macquarie Uni, which ~~is~~ hindsight eventually cost us a semi-final

However, it did have some memorable moments once stability was obtained. The Club went through a interesting change in 1989-90 'new blood' in both playing and administrative staff resulted in our most successful season for many years. Congratulations to the A's and U24's and comiserations to KC and the B's.

Season 1989-90 saw the unearthing of some exceptional young talent, the objective of the D Grade. Mass Kassis kept us in many a match with tight bowling a picking up wickets consistancy.

Although critised from some quarters for not letting him go, at his own request, I am sure he will develop in 1990-91 as a result. Michael Short and Matt Lamb showed enough to suggest that they will spend many hours at the crease. As a result of playing senior cricket for the first time, the experience they have obtained will see them blossom next season as they learn the meaning of patience.

1989-90 saw 'new spirit' right throughout the grades, and this was epitomized by another newcomer in Noel Ford. The example set by Noel, in his attitude both on and off the field was responsible for the bond being created, and further pointed out you don't have to be a great cricketer to be a great Clubsman!.

To Walshy, for his support after Xmas in my first season Thankyou. The same goes to the rest of the players, whilst at times I made some 'funny' decisions my objective was always the same - WIN.

Although we just missed a spot in the 4 by a 'tie' of all things in the final round, I do believe that had we made it we could have picked up the trophy. We were the form side and we convincingly beat Burwood, the eventual premiers in the second last match.

To the other captains and committee, thank you for your support and lets be No.1 in 1991.

TREVOR 'KEG' Le BRETON  
"D" CAPTAIN

John 'Mankad' Walsh (VC)

Only joined the side after returning from Europe again! Brought with him experience the side really needed and was a great asset as VC. Although not a great season with the bat or ball other than a great 5/26 v's Burwood John added to his Mankad total. Thanks for your support.

SIMON BELL

Simon is potentially the best cricketer in our club. A change in attitude would see him reach this potential. However that aside Simon saved our necks on a number of occasions with performances like 46 no against Pennant Hills & 3/25 off 15 overs & 2/14 v's Strathfield.

Simon added to this sides character. Thank you for your effort Good Luck in 1991.

JASON BELL

Playing only his first season for the Club, Jason showed great ability to help in difficult situations. His fielding was exceptional and saved many runs with his out fielding. With the bat he managed an average 17.57.

Jason at times just needs to 'cool it' though his enthusiasm rubbed off on many of the younger guys. Promising seasons to come.

MICK GRAHAM

Another 'new boy' brought to the Club by Brendan Tarlington. Mick started off slowly and never seemed to get going whilst promising a lot. A capable replacement behind the stumps showed versatility when he picked up 4/39 against Burwood to assist us in flogging them. A good team man. Ta.

DARYL ADAMS

Daryl joined us in a comeback from knee surgery and whilst never fully reaching his full run with the ball added a new dimension to the side. Like John Walsh, Daryl brought experience of years past, a definite B Grader a change in attitude will once again see Daryl retain his rightful place.

MATT LAMB

Started off in "B"s but soon found himself in the D Grade nursery. Matt is solid, has the shots and is young enough to mold into a A grader in 1990-91. But he needs to be patient at the crease and earn his runs, definitely a player of the future if he heeds the advice of those around him.

MAZZ KASSIS

What a find! Another Kassis-is there any more?  
Mazz wished to remain in 'D's for the season to develop. He became a competent opener with the batt and was by far our most consistent player, playing in all matches. Took 32 wickets at 11.8 and will play higher in 1990-91. More work with both bat & ball will make him a high quality all rounder.

MATT PARKER

Though playing only a handful of games. Matt is a natural athlete. If he concentrated on his cricket he would certainly play a lot high. On occasions his batting was the difference between winning and losing. His out fielding and catches was inspirational. Hope to see more of your in 1990-91.

PAUL BRAKEWELL

I found Paul in Bathurst, a former team mate at Burwood, who like me was disillusioned with that Club. With the ball, Paul performed well-get didn't get a real go with the bat. Experience to burn Paul was a good get for the Club, if he is in Sydney in 1990-91 will be an asset.

GEOFF DOOLEY

Another defection this time from 'Wenty' Geoff played a lot of the season in 'C's. A sound bat who looks as if he is going to get runs and then... Geoff helped roll sides with his 'Menu the Swenu' imitations and will be a competent all rounder.

NOEL FORD

Noel came to us this season expected nothing but gave to us an example to follow. Noel is already in the nets trying to find the form of season past. Noel possesses one of the biggest hits in in the Club, but we have to see more of them. With the ball, he can be a capable 'leggy' so to season 1990-91, hard work and you will achieve your goals.

DAVID SUCHY

David had a mixed bag, spent a long time at the crease for unfortunately little reward, yet with the ball he found some success. David loves a chat and is always ready to offer advice genuinely loving his cricket. Both David and I know he is capable of more and had he not had to cut his season short we could have seen this in 1989-90. See you next season!.

JOHN MATTA

Whilst John, by his own admission is no superstar he is the type of player who I would select then available over some, he has a terrific attitude especially in the difficult situation of finding he didn't have a game. A capable bat, but definitely a confidence player. Solid fieldsman showed great character and fine overall support.

MICHAEL SHORT

For a player of his age, has the cricketing world at his feet. Hopefully with Auburn for a few years to come. With the bat he shone out in what was a low year for scores. For his age he was safe with both his hands and the ball. No doubt with his family behind him Michael will fulfill his potential. A likeable, well mannered, thinking young man I wish him well in his future.

TREVOR LeBRETON  
"D" GRADE CAPTAIN

## TREVOR LE BRETON

In what was an eventful year for the 'D' Grade, the team was very well skippered by Trevor. Unfortunately a couple of "Knockers" questioned Trevor's qualities as leader, and as usual these people wouldn't have a clue about captaincy and whats involved, particularly with the forth team selected having so many players passing through their ranks.

For me personally, I enjoyed playing under Trevor's captaincy. More often than not he saw the lighter side of a few awkward moments, e.g. Mankads (both of them). He appeared to have a young head on old shoulders, many times it was proved to be true. On performances, Trev's batting this year wasn't what he wanted, but he made ammends with a new record the stumps for 'D' Grade with 26 dismissals - just think Trev, if you had held all those edges, the record would be almost impossible to break.

Well done on a fine season.

JOHN WALSH  
On behalf of 'D' Grade

UNDER 24 CAPTAINS REPORT

Being declared joint premiers of the U24 competition was a slight anti-climax to a great performance throughout the competition by Auburn. However nothing can be taken away from the players associated with the team, all of them performing with commitment and a great determination to win.

A few performances that were outstanding were:

- 78 n.o. by Kevin Wick against Strathfield
- 8/36 by Karim Kassis against Bexley
- A whirlwind 36 against Bexley by Bob Warner

Overall, George Kassis once again proved the most consistent, scoring 132 runs and taking 9 wickets. Match results and participating players are further on in this report.

Finally I would like to say that it has been an honour to Captain such a great bunch of guys and I wish everyone even more success next season.
