PRESIDENT'S REPORT

It is my pleasure to report on the Club's performance in our 33rd season.

Again we were unsuccessful as far as a premiership is concerned but all teams performed creditably and with a little more luck, could have picked up that elusive "flag".

The "A" Grade reached the semi-final only to go down to our local rivals Wentworthville, which was disappointing, as this season on paper the "A"s were the strongest team we had fielded for some time, however paper teams don't win competitions and even though there were many fine individual performances, they could not get their act together and most games were won by the bowlers. Only four players scored over 200 runs and two of these were opening bowlers, and as can be seen from the bowling analysis, the figures are outstanding. The fielding and catching was excellent, led by skipper John Ross who figured in 33 dismissals behind the stumps, just one short of his own Club record and Dane Harvey who took 23 catches in the field to break the "A" Grade record which has stood for 26 years.

The "B"s just missed out on the final four and were a little unfortunate with the weather and very close results (like losing by one run). However, they also put up a good effort, which included two centuries, two new batting partnership records and the Player of the Year in Paul M^CDermid. This was a very young side and hopefully, a lot was learnt this year which should ensure success in the future.

Unfortunately the team that didn't go close was the "C" Grade, although they defeated some good teams, they could just not get going in a competition which has become very strong over the past few years. Again there were some good individual performances which also included two 'tons'.

The other unlucky team was the 'D' Grade who missed out on the four by the smallest percentage and the ease in which they won their last few matches indicated their all-round strength and there is no doubt in my mind that they would have won the competition if they had made the final four. Winning the Limited Over Competition was only a small consolation for a team which started the season slowly but became one of the best sides. Using 36 players during the season doesn't help any team, but analysing the figures, there were no "stars", just consistent performances where everyone contributed to the team's performance.

This season also saw the re-introduction of the North-South Harbour representative matches which culminated in a combined Shire Team playing against a NSWCA XI. Our Club was extremely well represented with Ken Farley, David Harvey and John Moloney in the senior South Side and Glen Clarke, Tony Ross and Darrin Hudson in the Under 21 Team with Mark Cotter as reserve player. In the match against the NSWCA, David Harvey, John Moloney, Ken Farley and Tony Ross won selection. This is another indication of our playing strength and congratulations to all players selected. It is intended to continue with these representative games in the future, to be held prior to Christmas - so let's get those performances on the board early.

The continuing problem of unavailability also had a big bearing on disrupting teams and affecting team performances - too often players were unavailable for reasons which I consider were unacceptable and the players concerned need to have a more responsible attitude to the Club and their teammates.

The financial position of the Club is reasonable, but we are experiencing many increased costs and members must be prepared for an increase in fees which I feel will have to occur this year.

We still have the perennial problem of lack of "workers" to look after the day to day matters and unfortunately the season just gone was one of the worst we have experienced for some time. We cannot run a Club and accomodate up to 60 players with 2 or 3 people doing everything - it is imperative that more, a lot more, people need to be involved in this area and have a more responsible attitude to the running of the Club. This also applies to those who accept positions on Committees, unless you are prepared to put a bit of time and effort in, it is no use accepting these positions. It was indeed a disappointing season in this regard.

A new trophy was introduced this season, that being for the Most Successful Slow Bowler - this trophy has been initiated and donated by Brian "Chica" Moore, one of the Club's all time great slowies (also one of the Club's all time great characters). This gesture is greatly appreciated by the Club and we extend our sincere thanks to "Chica".

Finally, congratulations to all players for representing the Club in the sporting manner for which we are renowned and thanks to those who did contribute to the administration of the Club. Also, special thanks to Eric Howard, Val and Norm Ross and Leo Farley for their support and assistance.

A special thanks to Ken Mosten, our Groundsman for his efforts - Ken worked hard under difficult conditions to prepare good wickets at Mona Park

DAVE TRIBOLET
PRESIDENT

SECRETARY'S REPORT

Well, still another season has gone by and still the drought between premierships continues. Although this season, one feels, really should have been our year, again. Consolation however, did come at the seasons end with the "D" Grade taking out the limited over competition (and would have been the premiers if a final four spot had been achieved).

The statistically outstanding feature of the season was the huge number of runs scored by batsmen. If our President was pleased in our "President's Report" last season in praising eleven batsmen topping 250 runs or better, then what does one say about this seasons total of sixteen players!

Truly, this shows how much depth there is in the Club's batting, (if only everyone of these sixteen could show form on the same day!). Of the sixteen players past 250 runs, five of them cleared 400 runs which is really a great effort

Congratulations to Mark Cotter on achieving the milestone of 500 runs plus in a season and also for taking out the batting aggregate. Mark's tally of 514 was the highest aggregate since 1976 and his average of 36.7 shows his overall consistency. Although the records do not clearly show it, I am positive in saying that Mark's feat of scoring two centuries this season is a first for the Club.

I was honoured enough to see two of Mark's better innings during the season. His only innings in "D" Grade yielded a century and his score of 74 in "C" Grade out of a total innings score of 140 was, to me, a gem, indeed it was a match saver.

The other outstanding batsman of the year was Tony Ross who, on the aggregate finished only 18 runs behind on an unlucky 496. Although Tony did not score a ton this season, she showed his consistency by scoring 50 or more on no less than four occasions. His score of 81 against Roseville at Mona Park must surely have been worth between 130-150 runs at any other Shire's ground, considering that this particular day the grass at Mona was at its longest and spongiest all year.

Congratulations to Ken and Andrew Farley, Darren Hudson, Glen Clarke and Greg Guthrie who were the scorers of centuries last season.

Changing the subject to bowling now, and isn't it strange how when a Club goes well with the bat, inevitably bowling suffers. On paper each of the four sides had a good bowling line up for each match, however, (with the exception of "A" Grade) could never seem to roll sides cheaply, consistently. We all know the "A" Grade saga, where although they made it a point of

...cont.

SECRETARY'S REPORT cont.

dismissing the opposition cheaply quite regularly, could not put it together with the bat (as a team).

Of the leading wicket takers, John Maloney with 35 led the way, with Dave Harvey on 33 behind. The disturbing fact looking at the statistics this season was the fact that from the top nine bowlers this season, five of them were from the "A" Grade side. This left only four bowlers from the remaining three sides in the best of the bowlers for the 1983-84, the only conclusion to draw is that in the bowling department there was no consistent bowlers in "B" Grade down for the season. Definately, something to work on.

Congratulations to Paul McDermid from the "B" Grade on taking out the player of the year trophy. Paul showed his outstanding talents as an all round cricketer last season in leading his side in the wicket taking (in fact his 27 wickets was double the next best bowler who bagged only 14). He also scored 268 runs in "B's" with a top score of 86 not out, which was second in the batting for this grade. On top of the batting and bowling, he ran second in the Club's fielding award, truly a worthy winner for 1983-84.

While talking of the fielding award, the winner was our popular "A" Grade skipper John (Roscoe) Ross with a tally of 52 points. I'm sure nobody would doubt what a fine wicket keeper John is as well as being (and this came as a direct quote from the Roseville "A" Grade Captain to me) "the best Captain in the Shire Competition". Congratulations "Roscoe" on a fine season with the gloves. (P.S. John only needs 21 more catches to knock off the Club record from our Grandfather of cricket, D.T.).

It is with great pleasure that I have to inform all members that 1984-85 is going to be a historic year for the Shire's Competition. A restructure of the competition has made way for the Strathfield and Baulkham Hills Clubs to enter the A, B, C and D Grade competitions. This now leaves a 14 side competition in A and B Grade, with a 14 side C Grade competition - not however, 14 different Clubs and a 10 side D Grade competition. All players will receive further information at the A.G.M.

I, as Secretary, would like to congratulate Ken Mostyn our Groundsman on a fine effort again this season. Under difficult circumstances he once again produced some top class wickets. Speaking for myself as a regular player on Mona Park

cont.

SECRETARY'S REPORT cont.

Number two, one must wonder whether there is a better "C" or "D" Grade wicket in the whole competition, well done Ken.

On a negative side now and it was extremely disappointing to see the number of people who have failed to pay fees up until May this year. It cannot be stressed more highly how important fees are to the running of the Club, for without the fees there probably would be no Club. The forthcoming season will see a much harsher policy taken on the collection of fees, I'm sure, so everyones co-operation next season will be expected.

I would like to express my utmost thanks to our President Dave for the help he has given me in my first year as Secretary. Dave was extremely helpful in reminding me about things that I tended to look over due to myself taking on both Shire's Records Officer and Club Secretary jobs this year. I could not speak too highly of Dave and would like to congratulate him on his efforts in maintaining the Club in this his 30th season with Auburn-Lidcombe. (I am positive he won't give the game away, after all, he only needs another 165 wickets to better George Parry, keep it up "Moses" you'll get there).

Also, thanks to all the other members on the executive for your help this year and I hope to see you all back ready and raring to go in 1984-85.

Best of luck for the coming season and I hope you all get to reach your goal for the season if you plan on having one and lets ensure Auburn-Lidcombe maintains its status as one of the top cricketing Shire Clubs in the Competition.

Steve Blomfield
Secretary.

TREASURER'S REPORT

The Club's Receipts and Expenditure Statements for the year ended 30th June, 1984 is presented following this report.

It should be noted that the apparent healthy net balance is misleading as a major portion of this will be expended during July on the purchase of cricket balls for the coming season. This will leave the coffers with insufficient funds for the purchase of additional gear requirements and the settlement of the forthcoming account for the production of your annual report.

Financial Club members will not be pleased to hear that the reason for this shortage of funds to meet our forthcoming commitments is largely due to an outstanding fee situation of \$560 as at 30th June, 1984.

This is a completely unsatisfactory situation and an indictment on the Club spirit of those that have not fulfilled their financial obligations in regard to fees.

It is hoped that this situation is rectified in the coming weeks and that a recurrence is not evident during the 1984-85 season.

T. Suchy
Hon. Treasurer.

SOCIAL COMMITTEE REPORT

A quiet year socially (again) with any function worthy of support failing to get off the ground through general lack of interest.

The Golf Day, however, proved to be enjoyable for those who attended and at least contributed something toward the Club.

We say it year after year, come on some of you fellas, stop taking the Club's existence for granted - it's not run solely for you!!!

Ken Collins

on behalf of your Social Committee

"A" GRADE CAPTAIN'S REPORT

Without a doubt we had the potential to recapture the premiership title that has eluded the club for almost 25 years.

However the 83/84 season proved to be one of the most frustrating on record.

At times the teams performances excelled all my expectations, at other times it was almost embarrassing.

At Christmas we were almost at the bottom of the competition, in February and at 6p.m. on the last Saturday we entered the semi final by 2 decimal points.

Our performance in the semi highlighted the enormous problem facing not only this team but every team we have in the club. We could manage only 80 odd runs on a good batting track on the smallest ground in Sydney. To go under by only 14 runs in the first innings just goes to prove what power we had in our bowling and fielding. We just didn't show the same determination with the bat.

Our batting showed great individual ability, often brilliant, but highlights the fact that batting is also a team game and requires great concentration to establish oneself first before blasting away at the opposition.

I can only repeat what I and many other Captains have said in the past that winning competitions require more than individual ability and skill, it requires a lot of hard work, not only during the match but on Wednesday afternoons down at the practice sessions. Until the Club as a whole, decide to do something about it, Auburn will continue to be the professional "runners up" for many years to come.

A special thanks from all the A Grade team to our resident scorer Norm and our tea lady Val for looking after us so well during the season.

Thanks also to Ken our Groundsman, for the special efforts he went to to get us "on" during many wet Saturdays.

Many thanks to all those players who made A Grade this season even if only for a short time. I hope you enjoyed the experience and will make the effort to be a regular next season.

John Ross
Captain

THE "A" GRADE PLAYERS

TONY ROSS

A top season from Tony this season, 496 runs is a great performance and well we'll remember some of those innings. He completely destroyed the bowlers with lots of power and aggression. His fielding speaks for itself with 13 catches, most of them real gems.

KEN FARLEY

With 445 runs and 21 wickets Wiz can feel mighty pleased with his effort this season. His batting was inconsistent at times but none of us will forget the magnificent 126 not out against Wenty. The highlight of his bowling 5/31 against Macquarie - a delight for me to watch from behind the stumps. Always a top fieldsman and a player who always gives 100%.

DAVE HARVEY

When I first started with the Club and saw the record for catches taken by a fieldsman in A Grade I thought it was a mistake. How could any fieldsman take 20 catches? Well I am here to tell you that I've seen it. "Harv" has taken 23 catches to establish a wonderful new record. Few of them easy, most of them spectacular, but David is not an ordinary cricketer. He has the ability to do anything and everything, congratulations mate for a great effort. 297 runs and 23 wickets, not a bad season, highlights, well we can't forget the 57 against Pennant Hills, the 59 against Burwood or the 8/28 against Lindfield. Thanks for your help as Vice Captain this year David.

JOHN MALONEY

John's bowling came to the fore this season with a mighty effort. His 6/12 against Wenty was one of the best efforts I've seen for many years. It was hard slogger all season but John kept powering on. His batting was too inconsistent for a player of his alround ability. A great season John.

KEN COLLINS

We didn't see much of Case this season because of his knee operation but he forced his way back into the opening spot late in the season. His last innings showed his true ability and was an example of great concentration, something I hope will pass on to all our other batsmen.

THE "A" GRADE PLAYERS

ANDREW BUTTS

Andrew's stats didn't show the true story of this season. he is a batsman with lots of good concentration and ability. Many times he doggedly fought through a crisis situation only to run out of partners. Unfortunately he didn't get a chance to bowl very much but is a player with a lot of ability with the ball.

TED SUCHY

Not the form we've seen from Ted on so many previous seasons as his outstanding record shows. However, knowing Ted's determination he'll bounce back in 84/85 to prove it all wrong.

BRET TRIBOLET

Bret suffered with a lean trot with his health this season and also from the excess of bowlers in A Grade. Stay healthy Bret and we'll look to you in 84/85 to return to the load of wickets we've come to expect from you.

STEVE GUTHRIE

An outstanding performance from Guth this season, also interrupted by ill health. Before he got sick he bowled with the greatest accuracy I've seen in A Grade for some time. Always one of the safest hands in the field, congratulations on a fine performance Steve.

IAN JOHNSON

Ian was only able to play a few games in "A's" this year but still makes an impact whenever he does. I've had so many pleasureable years keeping to Ian. Hope you can make it again next season Ian.

ALAN SMEE

Alan also was only available for part of the season which was most unfortunate because he showed his best form for some time. His accuracy was outstanding and with a little bit of moisture in the pitch was unplayable. One of the keenest men on the field and one of the best fieldsmen. Hope we see you on the field in 84/85 Al.

John Ross
Captain

JOHN 'ROSCOE' ROSS

Season 83-84 proved rewarding for Roscoe in many respects however, none more so than to maintain his high level of performance and efficiency behind the stumps. At the helm of the senior team.

It's a great pleasure to play under a Captain who commands the respect of both opposition and fellow players that John does. His attitude to and outlook on cricket is an eye opener for seasoned players let alone novices.

I can only concur with comments made earlier in the report in respect of John's performances and look forward to a winning and enjoyable 84-85 season.

Dave Harvey
Vice Captain

"B" CAPTAIN'S REPORT

It was a rather disappointing season in that we ended up 5th despite beating Burwood in the last game.

I thought we had the team to really go well this year but our inconsistency beat us. Too many of our batsmen threw their wickets away which cost us dearly in the end result.

If a few of the younger members take Gerry Kenny and Brad Burton's example of patience they have the ability to get runs every week.

Most of our bowlers performed well but were let down by bad and indifferent fielding. Catches win matches and on a couple of occasions we learnt this the hard way.

However while our final position was disappointing I enjoyed playing with a great bunch of guys and my special thanks to Gerry Kenny who gave me a lot of help and support during the year.

Thanks again to Eric for all his help off the field. Captaincy would be so much harder without Eric there to do all those things on the side line.

And finally, thanks to Jenny for coming along and scoring every week and cheering me up when we were defeated.

GOOD LUCK TO ALL IN 84/85.

David Veigel
Captain

THE "B" GRADE PLAYERS

GERRY KENNY

Once again showed how difficult he is to get out. Many teams breathed a sigh of relief when they dismissed him. Sets an example to be followed by our younger players. Gave me tremendous support and help during the year.

DARREN HUDSON

A new player to our club this year and immediately showed potential. Played some good innings and was rewarded with a fine "TON" against Macquarie. Needs to work a bit harder on the field.

THE "B" GRADE PLAYERS

MARK COTTER

Mark "Give me a bowl" Cotter had a fine year with the bat and certainly has the ability to cement a place in A Grade. But he must realise he is playing a team game and he needs to improve in concentration when fielding.

BRUCE COUPAR

Didn't go as well as he did last year, but still turned in some very good performances. Bruce is the ideal teamsman and can always be relied upon to do whatever is asked of him especially break up partnerships.

CARL SPENCE

Carl bowled very well this year and didn't end up with the figures he deserved. His line and length were always spot-on and he consistently beat batsmen and slowed the scoring. Could have had another 10 or 12 wickets with a bit of luck and better fielding. Also took some excellent slips catches and chipped in with the runs when they were needed.

BRUCE HEDDLE

Bruce was another who bowled well with out luck and performed well when moved up into A Grade. He also put together a few good knocks and is an all round asset to any side.

DAVE LAGGATS

Dave started out the year bowling very well, but then seemed to lose his rhythm. If he could imagine he is bowling against Gerry Kenny every week he would be unplayable. Dave also showed some of our batsmen how to play cover drives when called on to bat.

GREG GUTHRIE

Greg batted well at times during the year but couldn't maintain any consistency and seemed to lose confidence. His "keeping" was also good.

THE "B" GRADE PLAYERS

GLEN CLARKE

Clarkey batted very well this year, but needs to control his urge to score a ton in 3 or 4 overs. If he took his time I'm sure he could get a big score every week. He "Kept" well when required and was one of our better fieldsmen.

BRAD BURTON

Brad, like Gerry doesn't like getting out and makes every bowler earn his wicket. When asked to chase runs he showed he has a good eye and can hit the ball very hard. A very good teams man and is always trying in the field.

PAUL McDERMID

Paul joined us 3 or 4 games into the season and really put some life into our opening bowling. He had many batsmen totally confused at times - especially with his big inswinger. He also batted very well at times and won us one game almost single handedly. A good fielder who took some fine catches and is always trying his hardest.

David Veigel
Captain

DAVID VEIGEL

The "Father Of The Year" deserves complementing on his achievements both on and off the field. Although David didn't score many runs this year, he often managed to get into the double figures, only to lose concentration and thus lose his wicket when he looked set for a big score. I believe that David's astute captaincy helped the team greatly throughout the year. He looked to be always in control of the situation and his calm approach to leading us close to a semi final position was appreciated by the team. I hope that next year we see the double figure scores blossom into big scores.

Gerald Kenny
Vice Captain

"C" GRADE CAPTAIN'S REPORT

Another enjoyable season was had by all. The "C" Grade performed creditably throughout the season.

There were times when we were in a winning position and a lack of confidence and effort let the side down, there were also some dubious and upsetting umpiring decisions. It was pleasing to see the number of young players who improved their performances and if these young players stay with Auburn for another few seasons, Auburn will stay a very strong Club.

A point I would like to make regarding umpiring was that there were a few very embarrassing decisions made by our players and maybe it was the tit-for-tat situation, although I believe and have always believed, that you give a decision as you see it and I do not necessarily believe that this was the case on many occasions. I would not like to see Auburn develop an inferior reputation amongst Shire Clubs.

I personally did not have a good season although I thoroughly enjoyed myself as usual and thought my "Crow" calls were exceptional. The problem of not having a settled team during the season reflected in our performances whilst the never ending saga of players dropping out at the last minute was of concern and has been this way for many seasons. I would ask players who play with the club at the start of the season make a concerted effort to be available as much as possible.

Finally, I would like to thank Steve Bloomfield and Dave Tribolet for the untiring efforts attempting to make the Club run smoothly and in this regard I would like to see more players involved and have a commitment to the every day running of the Club and not just left to a select few. As I had an unsatisfactory season personally, I will be making every endeavour to back-up for one more year.

Patric "ARK" Percy
Captain

THE "C" GRADE PLAYERS

STEVE LUCAS

Steve had a very successful year and performed creditably with both the bat and ball. He is a "confidence" player and when in form with either bat or ball can win a game on his own, with a little bit of confidence in himself should be playing a higher grade regularly.

THE "C" GRADE PLAYERS

STEVE KING

Steve played some excellent aggressive innings this season with the bat and when in top flight, can tear an attack apart. With a bit more constant practice, Steve can score many more runs during the season. His fielding was always of top class and all year he threw himself around like a man possessed. It is enjoyable to have a man like Steve in the team.

PAUL WADE

Paul had an erratic season, yet when he put an innings together it was a pleasure to watch. Paul needs a bit more confidence in himself as he has no doubt got plenty of ability.

GLEN WESTERBERG

Glen is one of the most talented all-rounders in the Club. He requires a bit more dedication and application to show his true ability. At times his batting, bowling and fielding is of a very high standard. His fielding was the best I have seen all season, taking some great catches. With a little more dedication and consistency he would be playing in a higher grade.

STEVE BLOMFIELD

Steve's true position in the batting order is in the middle. Without doubt, he is a confidence player and this confidence was not evident during the season. Occasionally he will play a shot out of the blue which shows to me that he can play strongly when required. If he believed in himself a bit more, and with the ability I know he has, he would become a more consistent batsman and with his organisational abilities, he has made my job as Captain a lot easier.

GREG BANKS

A dogged batsman if ever I saw one. He did not have a good season at the crease although he stayed at the crease for quite a long time. Greg needs to play a few more attacking shots, which he has the ability to do and will find by doing this his confidence will rise and will score many more runs.

THE "C" GRADE PLAYERS

MARK COTTER (Have-A-Chat)

When not discussing weather is one of the most talented batsmen in the Club. He played the best innings of the season (74 against Strathfield) while all other batsmen were falling around him. He always got out with a rash shot. With a bit more application in his batting Mark, without a doubt, will play A Grade consistently and score many runs in that Grade.

TONY BYRNES

Tony, while not being an aggressive batsman, is an abject lesson to some of our more talented players in respect to application and dedication. Tony, as a result, scored many runs and was not out numerous times. His application and ability to stay at the crease was a lesson to all.

LANCE PENDREIGH

Lance, while being a talented player, was a bit too "laid back" at times and never showed his true bowling ability. He needs a bit more dedication to his cricket to show his true talents. He took some excellent catches during the season. His batting ability, while not reflecting in his figures will improve with a little more concentration.

JEFF HARRIS

Jeff needs to have more confidence in himself and his ability as a batsman, as I know that he can produce some good attacking innings and will develop into a top class batsman.

JOHN WALSH

The best performed bowler in C Grade this season. John's good results come from dedication and application. He always performed better after had bowled five or six overs and at times moved the ball around prodigiously. He is the type of player that a Captain likes to have in his team.

Patrick "ARK" Percy
Captain

THE "C" GRADE PLAYERS

PATRICK PERCY

As everyone knows the C Grade didn't go all that well in last seasons competition. I don't think any of the blame could go on the team's Captain Pat Percy mainly because we couldn't play as a team because I don't think we had the same team two games in a row. Pat did everything he could to keep the spirit high in the team, encouraging the younger and less experienced players as well as a few old heads. In my opinion Pat Percy is the best Captain in the Club.

Steve King
Vice Captain

"D" GRADE CAPTAIN'S REPORT

It is with much pleasure that I submit the D Grade Captain's Report for the 1983-84 season.

A totally unbiased opinion would suggest that our team that was prepared to do battle during the final series would have been far too strong for any opposition, including the eventual winners. In hindsight, the patch of bad weather during the finals could have been our conquerors. To support such a comment, one would only need to sense the total commitment by the whole team in gaining the ultimate success. However, it would be foolish for me to say that winning the competition is the pinnacle of achievement, for in experiencing the keenness and enthusiasm shown by all players in the side was the final reward.

The team did gain some material rewards being victors in the limited over competition held towards the end of the season.

The team's all round strength was outstanding, with the run scoring capacity of the side being almost unlimited. Illustrating this fact, it is now history that during the last 4 months of the season not once was all wickets lost in gaining a winning score.

The bowling component of the side was made up of a couple of specialist "quickies", strongly supported by the all rounders of the spin and medium pace variety.

All team members contributed to the side's performance. Details of individual performances are recorded in this report.

Congratulations to the winner of the Club's batting average award, TONY BYRNES. My thanks also go to some very talented "old" part-timers who answered the distress calls. It would be hoped to enjoy their participation on a more regular basis in the coming season. Finally my sincere thanks to the team as a whole for their efforts and support and particular appreciation for the manner in which games were played.

Congratulations to the D Grade Premiers - Epping 1.

Wal Shepherd
Captain

THE "D" GRADE PLAYERS

PETER JACKYMIN

Peter was the team's Vice Captain. Due to a number of reasons, he didn't have the opportunity to fully show his potential as a cricketer on the field of play. However, when given the opportunity, he did show his talents as a medium pace bowler. I would like to thank him for his tremendous off the field assistance during the season and hope to further that association in the coming season.

TONY BYRNES

Tony was a newcomer to the Club who adapted quickly to the different playing conditions. He was a steady influence to the side and contributed greatly to the team's success. Tony bowles a very fine "line and length" gaining most of his wickets during the limited over matches. He also proved to be a very versatile and reliable batsman who took out the Club's batting average award. Congratulations Tony.

ANDREW FARLEY

Andrew is a dynamic batsman and fielder. He displayed an aggressive attitude (especially whilst batting) that tore most bowling attacks apart. He also indicated that he will develop into an excellent leg spin bowler, showing good flight and control. Scored a magnificent century against Lindfield and broke the 2nd wicket record in the process.

GLEN ELMORE

Glen was the other partner in the record 2nd wicket partnership stand against Lindfield. Glen batted at number 3 and showed all the necessary skills required by such a responsible position. He could rescue the side from an early loss of wicket or he could drive home a good start to the innings. A batsman who effectively punished the loose ball, Glen is a good example of the type of controlled effort needed by a successful batsman.

TONY GUNTER

A newcomer to the Club, Tony played the first few games as an allrounder. It was suggested that he try out as an opening batsman and after some initial reluctance on his part, he blossomed into being one of the best around and a perfect partner to Andrew Farley. Tony scored over 300 runs which indicated the successful season he enjoyed.

THE "D" GRADE PLAYERS

TIM RICHARDS

Tim was one of the team's allrounders who could bowl tight when the situation called for such play and who could also score valuable runs as a middle order batsman. Like most other middle order batsman, he had limited opportunities at times but still scored nearly 150 runs. Also took 11 wickets to show his value as an allrounder.

CHRIS COTTER

Chris is another allrounder who could score valuable runs when required. A technically correct and gifted batsman, Chris should develop into a most prolific run getter if he concentrated solely on his batting. I feel he has reached such a point in his career.

BRET SMITH

Bret came to us about mid season after a few early problems. He was by far the quickest bowler in the competition but lacked some accuracy. With the gaining of experience he appreciated the need to bowl with his "head" as well as his "back" and finished the season as a complete and accomplished bowler. He was able to bowl the one ball per over that really troubled the batsmen. A fine potential.

DAVE LAGATS

Dave also came to the team about mid season and formed a top line opening attack. A class bowler, Dave showed that he could bowl to meet the prevailing conditions. He could also score quick runs when required and held some "hot" catches.

GREG BANKS

In his initial season with the Club, Greg showed good form as an opening bat, but just did not score a lot of runs. With further experience on turf wickets Greg should look forward to an upcoming season of success.

BILL WAKIM

Bill is another fine opening bowler who could "swing" the ball. He took 15 wickets during the season and proved to be most reliable and consistent. A more aggressive attitude to his cricket should see still more success come his way.

THE "D" GRADE PLAYERS

JEFF HARRIS

A young player yet to fully establish himself on turf wickets. Jeff is a very keen player and an enthusiastic fieldsman. With further experience Jeff will see more success.

DAVE WHITFORD

Dave left us towards mid season due to work relocation. An excellent cover fieldsman and a hard hitting middle order batsman, Dave's early contribution to the team's success can't be overlooked.

DARRYL ADAMS

Darryl alternated between C and D Grades during the season. A fast bowler who gave full support to his Captain, Darryl often bowled well without taking a bag full of wickets. He has the necessary aggression in his bowling to take many more wickets next season.

GEOFF VONEPHANIT

Geoff is a very talented player with lots of matured talent, who did not fully realise his potential. His occasional lack of concentration prevented him from scoring more runs. Further experience should benefit him greatly.

RAY GENTLES

Ray was only available for a handful of games during the season. His batting, as always was excellent, with his 195 runs from five innings illustrating this. His tactical advice was most welcomed and it is hopefully anticipated that the Club will benefit next season from Ray's involvement.

Wal Shepherd
Captain

WAL SHEPHERD

Wally once again proved what a great Club man he is by continuing to commute from Gosford to Auburn for a game of cricket. He captained the side very capably and it would have been a just reward to have made the semi finals. Unfortunately, missing out on percentages after finishing equal fourth. This was a major disappointment for Wal. Wally's ability with the bat was rewarded with a fine 49 against Pennant Hills.

Peter Jackymin
Vice Captain
