## IN MEMORIUM

### TOM HAGGETT

The Auburn Shire Cricket Club was deprived of part of history of the Club when popular patron Tom Haggett passed away in May, 1980.

A great many of the more recent players and officials of the Club would hardly be aware of the amazing contribution Tom gave to the Club since its inception in season 1951-52. Tom never played for the Club, but has been involved in different capacities since the first meeting in a room at the rear of the Bank of New South Wales premises in Auburn Road in 1950.

His thirty years of service in administrative capacities cannot be chronicled in the same fashion as runs, wickets and catches but nevertheless was equally as important to a Club whose achievements he proudly admired and materially encouraged over that long period.

For the first two years of the Club's existence Tom was content to be a member of the newly born club and worked in the background to ensure the ground work laid the foundations for future success.

In 1953 Tom Haggett accepted the office of President a post he maintained actively for a record term of seventeen years. Tom was not a 'paper' President. On appointment he decided that the monthly meetings should be held at his private home. Any Club member who enjoyed a position on the committees during the next seventeen years will remember those meetings at Braemar Avenue, Auburn, where hours upon hours were spent in discussing the activities of the Club. Tom's charming, patient and understanding wife Enid provided endless suppers for every meeting and her contribution to the Club during that period can never be underrated in its overall development.

## IN MEMORIUM

After seventeen years I shall never forget Tom asking me to accept his office as President and offering me all the assistance possible to carry out the duties he had performed so magnificently and for so long.

Tom took up the position of Senior Vice President for two years before accepting the post of Patron in 1973, the office he held until his death.

No tribute to Tom would be complete without recording his achievements in the many areas of his community activities and in particular his contribution to sport throughout his entire life.

My first memories of Tom stretch back to watching him play soccer as left wing for North Auburn Methodist Church usually as a curtain raiser to the main game at Lidcombe Oval prior to the war.

Following service in the Army he returned to play cricket in the Auburn Lidcombe Association for Auburn Districts and later with Auburn Centrals. His left arm 'slowies' gained him bagfuls of wickets in each year as he 'fiddled' all the talented batsmen of the time into indiscretions.

Tom formed an association with the Silverwater Speedboat Club and held the position of Commodore for many years.

For one term of three years Tom was an Alderman with Auburn Council, a position in which he maintained his dignity in a political atmosphere so foreign to his thoughts, aspirations and ideals.

For many years Tom was associated in a number of offices with the Auburn Soccer club and his kind words were

IN MEMORIUM

invaluable to many players in a scene often highlighted by the semi professional attitude developing at the time.

One cannot underestimate the value to sport in the Auburn district Tom sponsored as a delegate to the Auburn Combined Sports Committee over the many years he was delegate. His wise council, his refusal to have any game denigrated by status seekers, and his level headed approach to problems are testimonials to his love of sport and what sport is all about.

Tom Haggett was a gentle, genial warm man who sought to ensure that as many young people as possible enjoyed the pleasure and privilege of playing the sports that he had loved over many years.

His unbroken contribution to Auburn Shire Cricket Club throughout its whole existence specifically and to sport and community activities in Auburn generally will not go unrecognised by those who knew and admired him for nearly fifty years.

In addition, the support of his wife Enid and their family was a significant factor in allowing us all to enjoy the benefit of Tom Haggett's immense contribution to a Club whose fortunes and favours he followed with undiminished enthusiasm for twenty years.

The Auburn Shire Cricket Club is much richer for his untiring efforts over the entire history of the Club.

Vale Tom Haggett

IN MEMORIUM

CHARLIE TUCKER

Another loss to the Club this year was the passing of our old friend and Vice President, Charlie Tucker.

For over 10 years Charlie looked after our Club's interests as Ranger for the Mona Park area more particularly our home ground Mona No 1 - this area became Charlie's kingdom and many a visitor or intruder was halted in their tracks with the now famous 'hey!'.  
Every Club member became a friend of Charlie who on no occasion let us down and was always on call to assist us in any way. When elected as a Vice President of the Club, he accepted this with pride and honour and truly became part of our Club.

To Charlie, The Mayor of Mona Park, our everlasting thanks and gratitude - your shoes will be extremely difficult to fill.

## PRESIDENT'S REPORT

Gentlemen,

I suppose the 1979-80 season could be described as frustrating particularly for the "A" Grade team. Allowing for the loss of four very good players from the previous season's team, namely David Stanford, Ted Suchy, Bernie Clifton and Brian Moore we still fielded an exceptionally strong and well balanced side, however as in past years when the important matches come around we seem to fall in a heap and do not perform to the ability the team possesses. In my mind there is no doubt we have the best bowling attack in the "A" Grade competition and the team bats to number eleven, however the matches lost this year were due to the lack of determination and application by our batsmen. This was particularly evident in the semi-final when after a good start wickets were thrown away with the innings total being approximately 100 less than what it should have been. I think we all realise that more dedication is required for us to take our the "A" Grade comp.

The "B" Grade slipped a bit this year compared to last season. We started well but slumped in the middle of the season to miss the semis by 4 points. Again it was our batting in crucial matches that let us down as in only two matches did the opposition score over 200 runs against us. We did have the consolation of winning the new limited over competition for those teams not in the semis, and this was a good team effort and a satisfying end to the season.

The highlights of the season were some fine individual performances, none better than the magnificent effort of Ian Johnson in taking 51 "A" Grade wickets at an average of 12.3 - Ian should have had a lot more wickets as quite a number of chances were missed. Ian is an example of the attitude and 100%

## PRESIDENT'S REPORT (cont'd..)

dedication that is required for success and he is without doubt the best bowler in Shires and this is the opinion of opposition Clubs. Other top performances were put in by our four "A" Grade teenagers - Darryl Wright and Tony Ross having a tremendous year with the bat with Brett Tribolet and David Harvey doing a top job with the ball - considering Darryl, Tony and Brett were having their first go at "A" Shires the performances of these young players is indeed encouraging for the future.

It is most pleasing to report that we will have our second turf wicket ready for the coming season which of course will enable us to have our "C" Grade back in the competition. With the aquisition of this additional wicket we must look to having two "C" Grade teams in the very near future to achieve the desired strength of our Club. Our thanks to the officials of Auburn Council who were responsible for us obtaining this additional wicket.

As most Club members realise, certain changes were made to the M. & S. competition last year - this was achieved by the formation of a committee representing all M. & S. Clubs, such committee meeting regularly with the N.S.W.C.A. to discuss and suggest points to improve the competition and its format. The meetings between the M. & S. committee and the N.S.W.C.A. have been most successful and we hope these meetings will continue for the improvement of cricket generally.

Our congratulations go to the Epping District Cricket Club for their outstanding success this season - winning all grades plus the Club Championship is a tremendous achievement.

My thanks to the Management Committee and Club members for their

PRESIDENTS REPORT (cont'd..)

efforts on and off the field this year, with a special mention to Alan Smee and Lindsay Rees who were always on the job.

Finally, we may not have had the success on the field that we would have liked but let us not forget that we have a great Club with a lot of harmony and spirit and that makes a successful Club.

DAVE TRIBOLET

President

TREASURER'S REPORT

Gentlemen,

As shown on the Club's Balance Sheet, we are left with a comparatively small bank balance. This is due largely to the amount spent purchasing gear to update the Club's depleted stock.

With the expected addition of a "C" Grade team next season the need will arise to purchase even more gear, thus bringing about another increase in players' fees.

The only alternative to the increase in fees each year is for players themselves to "get with it" and support the Club by attending all the planned fund raisings.

## SOCIAL ACTIVITIES

Our Social programme for the Season consisted of:

1. A Harbour cruise on what appeared to be the SS Titanic. Luckily it stayed above the surface and everyone had an enjoyable, if chilly evening.
2. A Card Night was held at Dave and Ros Tribolet's home. Those who attended had a very enjoyable evening, especially the winners.
3. The Club participated in Macquarie's 7-a-side competition and although beaten in the second match, a good day was had by those who attended.
4. Dave and Ros Tribolet hosted the End-of-Season barbeque again a great night.

## THANKS

Our appreciation to Stan Hoddinett and the Staff of Auburn Baseball Club for their assistance and use of the Club's facilities for our Committee Meetings.

To the ladies of the Club for their assistance, support and weekly scoring.

To all those who assisted in fund raising and the after game activities.

To Eric Howard for his invaluable assistance.

Finally to Dave and Ros Tribolet for the use of their home for Club Functions. Thank you.

## "A" GRADE CAPTAINS' REPORT

The "A" Grade finished 3rd in the competition having won 8 games out of 12. Unfortunately the semi-final was not one of those wins.

The season again produced some excellent performances by the team, our bowlers were clearly the best in the competition with only two scores of over 200 against them. Sadly they were not backed up by the batsmen who during the last few games performed well below their ability. Hopefully we have learnt where our weak spots are and can concentrate on improving them next season.

Those of us who played "A" Grade this season were fortunate to witness two fine individual performances by Ian Johnson, our best bowler and Darryl Wright our best batsman. Congratulations to Ian, 51 wickets at 12.35 and Darryl 319 runs at 31.9 for their fine efforts.

Our thanks to Jenny, Dale, Val, Ros and Norm for their support and help.

I've enjoyed the season tremendously as Captain and thanks to every member of the team for their support and co-operation.

JOHN ROSS

Captain

## THE "A" GRADE PLAYERS

### RAY GENTLES

Ray had 9 games in "A" Grade performing well against Warringah, Macquarie and Burwood. Opening is not an easy job and Ray did well despite having little support. Was unfortunate to be dropped close to the end of the season as several players were under consideration.

### KEN COLLINS

A Solid season by 'Case' with only two innings not getting a start. Many times Ken batted under great pressure but we always felt confident while he was at the crease. An excellent effort in the 'semi' 'Case'.

### DAVE VEIGEL

Although Dave's figures aren't great this season, it showed that he has the ability to hold his place in the team. A very fine start to the season with some good partnerships. His form suffered a slump due, I feel, to a lack of confidence. Recovered against Lindfield with a good 'knock'. My congratulations on a good job as Secretary this season Dave, very much appreciated.

### STEVE FINCH

First season as "A" Grade keeper and Steve performed well taking some great catches. Is a batsman with great ability but lacked self confidence this season. Had a good innings against Warringah which won the match.

## "A" GRADE PLAYERS (cont'd..)

### IAN JOHNSON

Ian's figures speak for themselves this season, bowling 299 overs, 100 maidens and taking 51 wickets. A truly wonderful performance, one that Ian has put an enormous amount of work into. His bowling in the semi, under tremendous pressure, was applauded by both teams. His figures of 7/104 rates as one of the finest efforts we've had the pleasure of seeing in Auburn's "A" Grade for some time. A magnificent season by a very talented cricketer. My thanks for your support as Vice Captain.

### RON JOHNSON

Ron had the most miserable end to a wonderful season. Unfortunately Ron suffered a severe injury in the 9th round and could not play in "A" Grade again. At that stage he had scored 219 runs at 31.29 and looked set to reach 500 for the season. His bowling was always to his usual high standard. Let's hope you have better luck next season Ron.

### BRETT TRIBOLET

Brett's first season in "A" Grade resulted in 24 wickets. An excellent performance considering he didn't get many chances to bowl. Brett showed great control of 'line' and 'length' and always had the respect of the opposition. His batting also shows maturity and his fielding was very consistent. Congratulations Brett, you'll get lots of scalps next season.

## "A" GRADE PLAYERS (cont'd..)

### LINDSAY REES

Lindsay missed the first three rounds but scored a fine 42 in his first "A" Grade game. Performed well against Epping, Lindfield and Wenty showing much more patience this season. Lindsay set a fine example to the rest of the team on the field with his 'safe' hands. Lifted our spirits with his 'dry' humour many times.

### TONY ROSS

Tony's first season with the Club and after a fine start in "B" Grade promoted to "A" Grade against Burwood where he scored a good 24. Tony has excellent technique and with a little more restraint will score lots of runs in A's. Showed remarkable ability in the field taking some fine catches. Congratulations on winning the Batting Average in your first season Tony.

### DARRYL WRIGHT

Darryl's promotion to "A" Grade was a 'shot in the arm' for our batting, especially our opening partnership. Scoring 319 runs in only 10 innings, the last being a duck, resulted in some of the most enjoyable batting we've seen in "A" Grade for some time. Never one to be overawed by the opposition, Darryl showed remarkable 'coolness' in his innings. With shots all round the wicket, he strung together 9 innings of 20 or better in a row. Such consistency has been lacking in the "A" Grade for many years. Congratulations on a magnificent season and on winning the Batting Aggregate.

"A" GRADE PLAYERS (cont'd..)

DAVE HARVEY

Unfortunately Dave's personal problems had an adverse effect on his cricket. Although his form was not as good as last season, he batted brilliantly at times and against Pennant Hills took 9 wickets.

Finally my thanks to Alan Smee, Jude Finlay, Grant Saunders and Gerry Kenny for their help this season.

JOHN ROSS

Captain

JOHN ROSS

John might have mixed feelings about the 79/80 season, a couple of games lost that should not have been. But all in all, John should be quite happy. His form at times during the year was patchy but he came good at the right end of the year with some good efforts. John's Captancy was consistant throughout the year, only one criticism, that being his failure to call "heads" once in the whole season. Congratulations John, on a job well done.

## "B" GRADE CAPTAIN'S REPORT

It is again a pleasure to report on the "B" Grade team. We didn't make the semis this year for the simple reason that we didn't play well enough. Sure, we had some good wins, particularly early in the season when both our batting and bowling "clicked" but overall our performances were just not good enough considering the players we had. Even allowing for the fact that several good players were unavailable this season our team, on paper, was still very strong and we should have done much better.

Our batting, except for the first three matches, really let us down, as we all know some of our scores this season were really poor - one in particular was quite embarrassing. Again we lacked that one good opening bowler who makes the difference however our bowlers generally did their job as 200 was scored against us on only two occasions. Fielding and catching was good - this season was probably the best for some years in our ground fielding. Quite a number of magnificent catches were taken and as usual several simple ones put down.

Allowing for all our "problems" we did manage to win the Limited Over Competition which was a pleasing end to the season. We performed as a team in these games and I think I will recommend that we play all our matches on a limited over basis.

Finally, my thanks to all players for their contribution

and the manner in which the game was played - it was another enjoyable season of cricket

"B" GRADE PLAYERS

PATRICK PERCEY (Vice Captain)

Patrick had a particularly good season - figures don't always indicate the true story although 223 runs at 24.78 still looks good. On most occasions Pat held our middle order batting together and even though he only passed the half century once, his stability and consistency was an asset to the team. I give me great personal pleasure to see Pat obtain a trophy for his fielding - over the years he has been one of the best and most consistent fieldsman in the Club and if this particular trophy had been introduced when Pat started with the Club, his name would have been on it many times. Well done Patrick and thank you for your advice and assistance.

## "B" GRADE PLAYERS (cont'd..)

### TONY ROSS

One of the success stories of the season, Tony having his first year with the Club at the age of 17 had a magnificent season scoring 304 runs in only 9 innings in the B's and then going on with it in the A's to take out the Club Batting Average. His knock of 98 against Warringah not only virtually won us the match (chasing 235 at Mona Park) but with Lindsay Rees set a new 5th wicket partnership of 127. This innings deserved a century but with the ability Tony possesses more than one ton will soon come his way. Also some excellent fielding both in the outfield and close to the wicket.

### GERRY KENNY

Scoring 296 runs, taking 25 wickets (and even 4 catches) made it a top season for Gerry. Without doubt the best all round performance in the team with a marked improvement in the bowling department. Even though Gerry scored just on 300 runs I know it was to him a lot less than he would have wished and I guess a lot less than we have come to expect, however it was a very good effort and it's a pity a few more of our players don't follow Gerry's attitude and dedication to his cricket. Well done "Jezza".

### DARRYL WRIGHT

The other success story of the season. Darryl requested to open the batting after the first round and what a move this

## "B" GRADE PLAYERS (cont'd..)

was - his success in this spot carried on when promoted to "A" Grade to culminate by taking out the Club Batting Aggregate, scoring 492 runs. This performance must rank with some of the greats in the Club's history, considering Darryl's age and lack of turf experience plus the fact of playing every second game on a very slow Mona Park. Another player whose attitude should be copied by some of our more senior players. Top job behind the stumps early in the season also. Congratulations Darryl on a first class effort.

### WALLY SHEPHERD

A disappointing season for Wal, he just couldn't get going except for one top knock against Pennant Hills. Missing a few matches didn't help Wal's cause this year as he is the type of player who needs constant batting to produce the performances we have come to expect. Let us not forget that Wal travels over 100 kilometers every weekend to turn out for the team - this indicates his enthusiasm and dedication to the Club. As always Wal's fielding was Al.

### GRANT SAUNDERS

Grant alternated between the A's and the B's and turned in a credible performance. He batted well on occasions but did not go on with the job when he looked set. His bowling was accurate and consistant with an excellent effort against Lindifeld where he had match figures of 9 for 59. Overall not one of Grant's best seasons but we all know his capabilities.

## "B" GRADE PLAYERS (cont'd..)

### DON DAY

Don was having his first season of cricket after a long lay-off and proved an asset to the team as an opening batsman - not scoring a lot of runs but doing an excellent job of getting the innings away to a good start on most occasions. Fielding was good with some top catches being taken in slips.

### PETER FINCH

Another player who didn't perform as well as he should have and I know Pete would have been disappointed with his form - the only time he got going was against Wenty with a good knock of 45. A lot more concentration and a bit more self confidence is required Pete, as you have the ability to score runs as you showed two seasons ago. Pete's outfielding was particularly good this year.

### BRIAN MOORE

"Chica" only played in the last four rounds of the comp., and like all spinners took a while to get back into the groove, however the limited over matches came around he really came to life. Being the 4th and 5th bowler used in each match he finished with 10 wickets off 28 overs at an average of 6.7 allowing the opposition only 2.3 runs per over - on top of this, his batting was top class particularly when he opened the innings against Roseville. Add some great catches and you have, without doubt the "man of the series". Well done Chica.

## "B" GRADE PLAYERS (cont'd..)

### STEVE KING

Steve also had a mixed season - not scoring many runs or having much opportunity to bowl during the season but he proved a match winner in the limited over games, with his bowling. Opening or being first change bowler Kingy took 6 for 71 off the 24 overs he bowled - again having less than 3 runs scored per over - scored runs in these matches when needed and had a good season in the field.

### ALLAN SMEE

Al is still one of the best bowlers in "B" Grade Shires as his 33 wickets at 13.1 indicates, and his wicket tally should have been a lot higher as he suffered most from dropped chances. He turned in many top bowling efforts including 5/31 against Burwood, match figures of 8/69 against Lindfield and 4/54 against Epping off 26 consecutive overs on the hottest day of the season. Al also shared the fielding award with Patrick and this was just reward for end of the Club's most consistent fieldsman. The determined and competitive attitude of this player is an example which should be followed by everyone if we are to achieve that elusive premiership. Many thanks also Al for the amount of work done off the field.

DAVE TRIBOLET

Again Dave led the team by example. He was an inspiration to all the players with his enthusiasm and drive. His fielding was top class, leading the catching with 12. He took 6 wickets in an innings twice during the season. A devoted Captain and clubman, and speaking for all the players would like to see him back as skipper in one of the Grades.
