PRESIDENT'S REPORT.

Gentlemen,

It is with the greatest possible amount of pleasure that we submit this twelfth Annual Report and Financial Statement of the Club for your consideration and adoption.

Not only did the Club complete their most successful season ever, but it is evident that the spirit within the Club has never been at a higher level.

The "A" grade side went through the season with an unbeaten record including a great win in the semi-final against substantial odds. The "B" grade side again disappointed to a degree, but their win against Epping showed that they are capable of better things.

To win the Club Championship for the first time was a wonderful achievement and climaxed a particularly fine playing season.

The only jarring note was the fact that the final against Epping was completely washed out. Consensus of opinion was that the two best teams had made the final and bad weather prevented what could have been a great game.

The brightest spot was the fact that after the Xmas break, only 24 players were used by the Club, a sure sign of keenness and club spirit.

Once again the sides approached each game with a desire to win, and the cricket was played brightly, sportingly, and in the best possible spirit.

Following the success the Club must press on to better things, not only on a playing level but also on an administrative level, and ensure that future players have the opportunity of pressing our claim for grade status. The policy of encouraging youth must be adhered to for the future benefit of the Club as a whole.

I look forward to the continued success of the Auburn Shires.

T. HAGGETT,

President.

MONA PARK.

The Mona Park Wicket has developed, without any doubt, into one of the best strips in Sydney.

The groundsman, Mr. John Hodgson, did a wonderful job in his first season at the ground and his helpful attitude was greatly appreciated by the Club.

Our thanks also to Mr. Bill Pakes, Park Supervisor, for his help during the season.

COMPETITION WINNERS.

We extend our heartiest congratulations to the Lane Cove Club on their win in the "B" grade minor premierships and premierships.

THE PRESS.

To the editors of the local newspapers, the "Review" and "News" we also extend our sincere thanks for the space provided in publicising our activities throughout the season. Their assistance is vital in our efforts to secure higher honours and we look forward to their continued support next season.

COMMITTEE MEETINGS.

The committee were again active in controlling the administrative affairs of the Club. Meetings were well attended, and again we thank the popular wife of our President for providing excellent suppers.

N.S.W.C.A.

Mr. Alan Barnes and his staff again supplied us with their valuable guidance throughout the season and for this service we are indeed indebted to them.

SOCIAL FUNCTIONS.

The victory celebration held on the night of the final Saturday was a fitting finale to the most successful season ever. The mixed function proved a huge success and the ladies are to be complimented on their choice of food.

To our popular Vice-President, Charlie Kerlake, a big pat on the back for the wonderful job he performed as Master of Ceremonies.

SOCIAL CRICKET.

Two matches were played during the season. The first, a match between the "A" and "B" grade sides, resulted in a win for the "A"s, the scores being:-

A grade 129 T. Briscoe 47; L. Watkins 36.

B grade 94 J. Lawton 22; N. Day 16.

The match against a composite Cumberland XI provided much needed practice for the finals and we thank Ian Ross for bringing the side to Mona Park. The game resulted in a win for the Shires and one of the highlights was the free hitting of the locals.

SCORES : Cumberland XI 105 R. Hall 4-20; W. Balfour 2-27
A. Rudgley 2-20; G. Parry 1- 4

PERSONAL.

Congratulations to John Skinner and his wife Noeline on the birth of another cricketer, Paul.

To our treasurer and B Grade Captain of last year, Dennis Woodward, we extend our best wishes for the future following his marriage during the season.

To Phil Perkins on his success in the final law examinations
we extend our congratulations.

"A" GRADE CAPTAIN'S REPORT.

Once again I have the pleasant duty of reporting for a side that was successful in the competition and this time both as premiers and minor premiers.

As was the case last season, a great team spirit prevailed and, on the occasions that defeat seemed a possibility, the side fought back as one man, a sure sign of a happy crew.

To complete a season without defeat is a wonderful record and all players can feel justifiably proud of their efforts.

There were so many great individual performances that I shall not attempt to even mention them as each player is recognised elsewhere in this Report.

The batting of the side improved considerably and no fewer than seven players topped 200 runs for the season. As has been stated before, 200 runs of Mona Park is commendable when the size of the ground is compared with others in the competition.

The bowling was again entrusted to the same four players as last season. They again returned remarkable figures with the opposition sides averaging only 133 runs per innings.

The ground fielding and catching were of the same high standard that has characterised this team for the past two seasons, and it is in this department that we have been able to outplay opposition sides.

The semi-final was a sensational affair in all respects and, after appearing to be beaten at one stage, that amazing team spirit turned this remarkable game in our favour.

I cannot let the opportunity of commiserating with our friendly rivals Epping, pass. To lose a final without a ball being bowled is hard to take.

To our hard working groundsman, John Hodgson, I extend the teams thanks for preparing the best strip in the competition.

In conclusion, I wish to thank the players who again made my job a pleasure by giving me their wholehearted support.

G. PARRY.

MEET THE "A" GRADE PLAYERS.

- RAY HALL: (Vice Captain). The only century maker of the season, and a great innings under pressure in the semi-final. Shouldered a heavy burden in the bowling department and completed his 100th wicket in only two seasons. A great help on and off the field. An excellent all round performance.
- JOHN SKINNER: Turned in another great bowling performance in taking 22 wkts. at 16 runs each. A much better batsman than his average indicates. Developed as a specialist in slips and his 19 catches were close to a record. As keen as mustard both on and off the field.
- TREVOR BRISCOE: First class opening bat, who made 304 runs for the season. His innings against Bexley was a match winner. An excellent fieldsman in the covers.
- TERRY POWTER: Started the season as an opener with outstanding success. His 85 against University was a great display of controlled power. Had a lean period but battled well in the vital semi-final.
- LES WATKINS: 240 runs for a first season on turf shows that Les will be a force to be reckoned with next season. Lack of confidence was instrumental in him not making even more runs.
- BILL BALFOUR: The evergreen "autumn leaves" again recorded a great double. Over 250 runs and 41 wkts. at an average of 10, amply shows his value to the side. His 7 for 8 against Roseville was the best bowling effort we have yet seen from him. A great clubman.
- PETER WOOD: This effervescent little cricketer is a lesson to all who play the game. His enthusiasm is astounding. Promoted to opener midway thru the season and battled brilliantly, finishing with over 200 runs. Should do even better next season.
- LES HOWARD: Pressed into service as "Aunt Sally" midway through the season, Les gave evidence of his experience and turned in excellent displays. A better batsman than his place in the order indicated.
- BOB CASSELL: Came to the Club after Xmas and his innings in the semi-final helped save the side. A really safe fieldsman. Bob likes to hit the ball hard.
- JOHN SCORGIE: Every person who saw his 36 of the record-making 10th wkt. partnership against Canterbury was thrilled by his batting. John suffered from lack of opportunity more than anything else.
- JOHN FRASER: Another player who did not get the full opportunity to show his talents. Turned in great displays on the field. An excellent clubman.

CHARLIE SMITHERS: An accomplished wicket keeper and a really good batsman. Unfortunately was unable to play in the latter part of the season.

G. P.

GEORGE PARRY: Captain of the team, a player of outstanding ability, won both the batting and bowling averages for the second consecutive year.

George bowled accurately and skilfully on all occasions, his outstanding game was against Epping, when he took 7-29.

In batting, again he demonstrated his unselfish team spirit in batting according to circumstances and thus set a commendable example to those who played with him; his fielding remained at its usual high standard.

"B" GRADE CAPTAIN'S REPORT.

Firstly, congratulations to the "A" grade side for their magnificent effort in completing the season undefeated, winning the premiership and being the major force in the Club's success in the Club Championship for the first time. Also our congratulations to Lane Cove on taking the "B" grade honours.

Even though our teams finished in a lowly position on the table it is gratifying to know that our few successes did play a part in taking out the Championship.

My first year of captaincy was made easy by the co-operation I received from the players throughout the season; a keener bunch could not be found and, with a bit of luck, the story could have been different in a number of close games played.

The inconsistency of the batting was our main fault, and it was not until late in the season that we batted as a team. However, there were some fine individual performances.

The bowling again was our strength. Having opening bowlers of the calibre of Brian Meredith, Arthur Rudgley and Noel Day made the job of dismissing the opposition relatively easy on most occasions. Once again our congratulations to Noel on his wonderful performance of winning the bowling average.

The standard of our fielding especially catching, remained high throughout the season and we had no complaints whatsoever in this important department.

Finally I wish to thank George Parry for his valued assistance and Tom Haggett for his support.

To John Hodgson, groundsman of Mona Park, thank you for providing such great wickets.

DAVID A. TRIBOLET.

MEET THE "B" GRADE PLAYERS.

JOHN SCORGIE: (Vice Capt.) By being the most consistent batsman John deservedly won the batting average and continued his success in "A" grade. As a slow bowler he performed reasonably well with limited opportunities.

PHIL PERKINS: After scoring 200 runs in three matches the pressure of exams caused Phil's batting to fall away, thereby ruining what looked like being a great season. Still managed to win the "B" grade aggregate.

KEITH HARRISON: Keith also started the season well but he created

a new "B" grade record opening partnership of 93 against Lane Cove.

- RON KNOTT: Ron took over behind the stumps this year and did a great job. Had a reasonable season with the bat - his 53 against Ryde was a good knock.
- JOHN FATHERS: After being badly injured early in the season, John took quite a while to regain confidence. Played some good knocks late in the season. A good fieldsman.
- ARTHUR RUDGLEY: A great job of bowling in his first season with the Club. Snared 36 wkts. to share the most number for the team. A hard hitting batsman and keen fieldsman.
- NOEL DAY: Won the bowling average for third successive season. A wonderful effort. Not quite as high in the batting as usual, but still had a reasonable season. A valuable player.
- BRIAN MEREDITH: Brian continues as one of the best pace bowlers in the competition. His 5-13 and 3-5 against Epping are enough proof. Likes to hit the ball hard, and often.
- JIM GUILD: Easily the best fieldsman in the side. Took some fine catches and finished with most number to his credit. Disappointed with his batting, but capable of improvement.
- ARTHUR STEWART: Received limited opportunities with the ball in his first season but, on occasions, bowled particularly well. A good lower order batsman and keen fieldsman.
- DENNIS REYNOLDS: A youngster who graduated from the juniors and met with limited success. The potential is there, however, and Dennis will continue to improve. Has a sound defence to build his game around.
- JOHN FRASER: John spent the season between A and B grade. A wonderful clubman who is sure to improve.

D.T.

- DAVE TRIBOLET - CAPTAIN: In his first season as skipper Dave proved a keen leader and inspired a fine team spirit. His innings of 64 N.O. against Ryde was perhaps the best by a "B" grader during the season. He was the side's most successful slow bowler.
